RECORDS OF TOWN MEETINGS AND ELECTIONS DURING THE YEAR 1930

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified as the Constitution requires, to vote in elections, to meet at the polling places designated for the several precincts in said town on Monday, the 3rd day of March, 1930, at seven o'clock in the forenoon, to act on the following Articles namely:

Article 1. To elect by ballot the following Town officers: A Town Clerk for three years; a Town Treasurer for three years; a Tax Collector for three years; a Moderator for one year; a Selectman for three years; a member of the Board of Public Works for three years; one Assessor for two years; one Assessor for three years; one member of the School Committee for one year; three members of the School Committee for three years; two Trustees of the Robbins Library for three years; one member of the Board of Health for three years; one Park Commissioner for three years; one member of the Planning Board for three years; one Commissioner of the Sinking Fund for three years; one Trustee of the Pratt Fund for five years; one Trustee of the Edwin S. Farmer Poor Widows' Fund, and of the Edwin S. Farmer Fund for Needy Persons for five years; one Cemetery Commis-

sioner for three years; a Tree Warden for one year; also, in each precinct twelve Town Meeting Members for three years; one Town Meeting Member in Precinct 1 for one year; one Town Meeting Member in Precinct 2 for one year; one Town Meeting Member in Precinct 2 for two years; one Town Meeting Member in Precinct 3 for two years; one Town Meeting Member in Precinct 4 for one year; one Town Meeting Member in Precinct 4 for two years; one Town Meeting Member in Precinct 5 for one year; two Town Meeting Members in Precinct 7 for two years.

For these purposes, the polls will be opened at seven o'clock A. M., and remain open until eight o'clock P.M., at each of the polling places designated, viz: Precinct One, in the Crosby School Building, Winter Street; Precinct Two, in the Hardy School Building, Lake Street; Precincts Three and Five, in the Old Town Hall, Massachusetts Avenue; Precincts Four and Six, in the Robbins Memorial Town Hall; Precinct Seven, in the Locke School Building, Park Avenue, Heights.

You are, also, required to notify and warn the said inhabitants to meet at the Town Hall in said Town on Wednesday, the twenty-sixth day of March, 1930, at eight o'clock in the evening to act on the following articles:

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the permanent committee under vote of the Town passed March 24, 1919 on the Town Yard; of the committee under vote of the Town passed April 5, 1926 to investigate and consider the matter of additional school accommodations; of the committee under vote of the Town passed March 26, 1926 for the purpose of building a Police Sta-

tion House and lockup for the use of the Police Department; of the committee under vote of the Town passed January 14, 1926 to consider the condition of Spy Pond; of the committee under vote of the Town passed April 4, 1928 to make a comprehensive study of a community or other building as a memorial to commemorate the services and sacrifices of persons who served in the World War; of the committee under vote of the Town, passed November 29, 1927 to procure plans and specifications for the construction of a twelve room addition to the present Junior High School West building, also estimates of the cost of such addition and of the original equipment and furnishings thereof, and for the grading of the grounds of said school, and under the vote of the Town passed April 4, 1928 to construct a twelve room unit addition to the schoolhouse called the "Junior High West" building; of the committee under vote of the Town passed March 28, 1928 to construct a building to be used for an engine house upon the land of the Town on the northerly side of Massachusetts Avenue in said Town now occupied by the Highland Hose House so called; of the committee under vote of the Town passed March 28, 1928 to procure plans and specifications for the construction of an eight room addition to the present Peirce School building, also estimates of the cost of such addition and of the original equipment and furnishings thereof and of the grading of the grounds of said school, and under vote of the Town passed March 27, 1929 to construct an eight room addition to the school-house called the Peirce School; of the committee under vote of the Town passed April 4, 1928 to investigate the Junior High School system; of the committee under vote of the Town passed April 10, 1929 to secure plans and estimates for repairs and additions to the Robbins Library Building; of the committee under vote of the Town passed April 10, 1929 to investigate and make recommendations for the purpose of improving for park uses that portion of Meadow Brook Park north of the sewer viaduct; of the

committee under vote of the Town passed April 10, 1929 to investigate and make recommendations as to the disposal of the Old Town Hall, including any portion or all of the lot, by sale or otherwise; of the committee appointed under vote of the Town, passed April 10, 1929 to secure plans and estimates for a new High School building; and of other Town boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Reserve Fund; Board of Appeal; Board of Selectmen; Accountant; Treasurer's Department; Collector's Department; Assessor's Department; Legal Department; Claims; Town Clerk's Department; Board of Public Works; Engineering Work; Elections and Town Meetings; Planning Board; Joint Board of Selectmen and Board of Public Works; Board of Survey; Robbins Memorial Town Hall; Police Department; Fire Department; Building Department; Building, Plumbing and Gas Inspection; Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moths Suppression; Tree Warden's Department; Health Department; Vital Statistics; Inspector of Animals; Sewerage System Maintenance; Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removals; Lighting of Streets and Ways; Traffic Signals; Fire and Police Signals; Public Welfare Department; District and Other Nurses; State and Military Aid; Soldiers' Relief; Burials and Exemptions; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions; Memorial Day; Printing Town Reports; Insurance; Workmen's Compensation; Workmen's Compensation Insurance Fund; Patriots' Day;

Menotomy Hall; Repairs to Houses Owned by Town; Municipal Insurance Fund; Water Department Maintenance; Cemeteries; Interest; Debt.

Article 5. To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money in anticipation of the revenue for the year 1930, the same to be repaid directly from the proceeds of said revenue; or take any action relating thereto.

Article 6. To see if the Town will authorize its Collector of Taxes to use all means of collecting taxes for the year 1930, which a Town Treasurer may use when appointed a Collector of Taxes.

Article 7. To see if the Town will make an appropriation for the extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 8. To see if the Town will make an appropriation for the extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 9. To see if the Town will make an appropriation for the extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 10. To see if the Town will make appropriation for the construction of permanent sidewalks and for the installing of edgestone; determine in what manner the money shall be raised; or take any action relating thereto.

Article 11. To see if the Town will accept the laying out of a town way from sixty (60) feet northwest

of Tanager Street to the easterly side line of Sutherland Road substantially in the location of the private way known as Aberdeen Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a point on the northerly side line of Aberdeen Road at the westerly end of the present accepted portion, thence northwesterly on said northerly side line of Aberdeen Road, a distance of 300.65 feet to a point, thence southwesterly across said Aberdeen Road, a distance of 40 feet to a point in the southerly side line of Aberdeen Road at lot number 117, thence southeasterly on said southerly side line of Aberdeen Road, a distance of 253.72 feet to a point of curve in said southerly side line of Aberdeen Road, thence continuing southeasterly on said southerly side line of Aberdeen Road, on a curve to the left with a radius of 645.82 feet, a distance of 34.69 feet to a point of tangency in said southerly side line of Aberdeen Road, thence continuing southeasterly on said southerly side line of Aberdeen Road, a distance of 10.46 feet to the present accepted portion of Aberdeen Road, thence northeasterly by end of present accepted portion of Aberdeen Road, a distance of 38.55 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Board of Survey Plan and Profile of Aberdeen Road, Arlington, Mass., Scales Hor. 1″=40′, Vert. 1″=6′, Dec. 5, 1917, Geo. E. Ahern, Town Engineer."

Article 12. To see if the Town will accept the laying out of a town way from Alton Street to Compton

Street substantially in the location of the private way known as Belton Street, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northerly side line of Alton Street and the westerly side line of Belton Street, thence northeasterly and northerly on said westerly side line of Belton Street on a curve to the left with a radius of 74.57 feet a distance of 91.20 feet to a point of reverse curve in said westerly side line of Belton Street, thence northerly and northeasterly on said westerly side line of Belton Street on a curve to the right with a radius of 106.31 feet a distance of 136.11 feet to a stone bound on a point of tangency in said westerly side line of Belton Street, thence northeasterly on said westerly side line of Belton Street a distance of 114.16 feet to a point of curve in said westerly side line of Belton Street, thence northerly on said westerly side line of Belton Street on a curve to the left with a radius of 15 feet a distance of 22.35 feet to the westerly side line of Compton Street, thence southerly on said westerly side line of Compton Street a distance of 70.23 feet to the easterly side line of Belton Street, thence northwesterly on said easterly side line of Belton Street on a curve to the left with a radius of 15 feet a distance of 24.77 feet to a point of tangency in said easterly side line of Belton Street, thence southwesterly on said easterly side line of Belton Street a distance of 108.51 feet to a stone bound at a point of curve in said easterly side line of Belton Street, thence southwesterly, southerly

and southeasterly on said easterly side line of Belton Street on a curve to the left with a radius of 66.31 feet a distance of 171.34 feet to the northerly side line of Alton Street, thence westerly and southwesterly on said northerly side line of Alton Street on a curve to the left with a radius of 225.15 feet a distance of 138.43 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Belton Street, Arlington, Mass., Petitioned for by H. W. Rawson, Scale Hor. 1″=40′, Ver. 1″=6′, Oct. 1927, C. H. Gannett Co., Civil Engineers, 53 State St., Boston."

Article 13. To see if the Town will accept the laying out of a town way from Massachusetts Avenue to Moulton Road substantially in the location of the private way known as Coleman Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the westerly side line of Massachusetts Avenue and the northerly side line of Coleman Road, thence southeasterly and southerly on said northerly side line of Coleman Road on a curve to the right with a radius of 25 feet, a distance of 45.10 feet to a point of tangency in said northerly side line of Coleman Road, thence southwesterly on said northerly side line of Coleman Road, a distance of 251.96 feet to an angle point in said northerly side line of Coleman Road, thence continuing southwesterly on said northerly side line of Coleman Road, a

distance of 218.10 feet to a point of curve on said northerly side line of Coleman Road, thence westerly and northwesterly on said northerly side line of Coleman Road, on a curve to the right with a radius of 25 feet, a distance of 38.22 feet to the easterly side line of Moulton Road, thence southeasterly on said easterly side line of Moulton Road, a distance of 90.08 feet to the southerly side line of Coleman Road, thence northwesterly and northerly on said southerly side line of Coleman Road on a curve to the right with a radius of 25 feet, a distance of 40.32 feet to a point of tangency in said southerly side line of Coleman Road, thence northeasterly on said southerly side line of Coleman Road, a distance of 214.64 feet to an angle point in said southerly side line of Coleman Road, thence continuing northeasterly on said southerly side line of Coleman Road, a distance of 273.05 feet to a point of curve in said southerly side line of Coleman Road, thence easterly and southeasterly on said southerly side line of Coleman Road, on a curve to the right with a radius of 25 feet, a distance of 33.43 feet to the westerly side line of Massachusetts Avenue, thence northwesterly on said westerly side line of Massachusetts Avenue, a distance of 92.51 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Coleman Road As Petitioned for by Sarah R. McFayden, Scales Hor. 1″=40′, Vert. 1″=6′, April, 1925, J. M. Keane, C. E."

Article 14. To see if the Town will accept the laying out of a town way from Belton Street to Alton Street substantially in the location of the private way known as Compton Street, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northerly side line of Alton Street and the westerly side line of Compton Street, thence northeasterly and northerly on said westerly side line of Compton Street on a curve to the left with a radius of 15 feet a distance of 21.25 feet to a point of tangency in said westerly side line of Compton Street, thence northwesterly on said westerly side line of Compton Street a distance of 131.25 feet to the present accepted portion of Compton Street, thence northeasterly across said Compton Street, a distance of 40.29 feet to the easterly side line of Compton Street, thence southeasterly on said easterly side line of Compton Street a distance of 118.82 feet to the point of curve on said easterly side line of Compton Street, thence southeasterly and easterly on said easterly side line of Compton Street on a curve to the left with a radius of 15 feet a distance of 25.87 feet to the northerly side line of Alton Street, thence southwesterly on said northerly side line of Compton Street a distance of 70.84 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Compton Street, Arlington, Mass., Petitioned for by H. W. Rawson, Scale Hor. 1″=40′, Ver. 1″=6′, Oct., 1927, C. H. Gannett Co., Civil Engineers, 53 State St., Boston.

Article 15. To see if the Town will accept the laying out of a town way from Appleton Street to Rhinecliff Street substantially in the location of the private way known as Dow Avenue, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said

way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southerly side line of Appleton Street and the southerly side line of Dow Avenue, thence southwesterly on said southerly side line of Dow Avenue, on a curve to the left with a radius of 166.34 feet, a distance of 59.36 feet to a point of tangency in said southerly side line of Dow Avenue, thence continuing southwesterly on said southerly side line of Dow Avenue, a distance of 698.45 feet to a stone bound at an angle point on said southerly side line of Dow Avenue, thence continuing southwesterly on said southerly side line of Dow Avenue, a distance of 406.05 feet to a stone bound at a point of curve in said southerly side line of Dow Avenue, thence southerly on said southerly side line of Dow Avenue, on a curve to the left with a radius of 64.94 feet, a distance of 71.7 feet to a stone bound at the easterly side line of Rhinecliff Street, thence northwesterly on said easterly side line of Rhinecliff Street, a distance of 40 feet to a point in said easterly side line of Rhinecliff Street, thence northerly on said easterly side line of Rhinecliff Street, a distance of 94.03 feet to a stone bound at the northerly side line of Dow Avenue, thence easterly on said northerly side line of Dow Avenue, on a curve to the left with a radius of 20 feet, a distance of 40.75 feet to a stone bound at a point of tangency in said northerly side line of Dow Avenue, thence northeasterly on said northerly side line of Dow Avenue, a distance of 381.14 feet to an angle point in said northerly side line of Dow Avenue, thence continuing northeasterly on said northerly side line of Dow Avenue, a distance of 416.42 feet to a stone bound at a point of curve in said northerly side line of Dow Avenue, thence northerly and northwesterly on said

northerly side line of Dow Avenue, on a curve to the left with a radius of 20 feet, a distance of 29.48 feet to the southerly side line of Valentine Road, thence northeasterly on said southerly side line of Valentine Road, a distance of 187.34 feet to the westerly side line of Appleton Street, thence southeasterly on said westerly side line of Appleton Street, a distance of 10.58 feet to an angle point at the intersection of said westerly side line of Appleton Street and the southerly side line of Appleton Street, thence northeasterly on said southerly side line of Appleton Street, a distance of 143.99 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan & Profile of Dow Avenue, Arlington, Mass., Hor. Scale 40 Ft.=1 In., Ver. Scale 6 Ft.=1 In., Nov., 1929, Fred A. Joyce, Surveyor, Belmont."

Article 16. To see if the Town will accept the laying out of a town way from Rawson Road to Park Street substantially in the location of the private way known as Exeter Street, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the northerly side line of Rawson Road and the westerly side line of Exeter Street, thence northwesterly on said westerly side line of Exeter Street, a distance of 195.82 feet to the southerly side line of Park Street, thence northeasterly on said southerly side line of Park Street, a distance of 40 feet to the easterly

side line of Exeter Street, thence southeasterly by said easterly side line of Exeter Street, a distance of 194.46 feet to a stone bound at the point of intersection of the easterly side line of Exeter Street and the northerly side line of Rawson Road, thence southwesterly on said northerly side line of Rawson Road, a distance of 40 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Exeter St., & Fordham St. Through Land of H. W. Rawson, Arlington, Scales 40′ & 6′=1″, May 13, 1915, H. S. Adams, C. E."

Article 17. To see if the Town will accept the laying out of a town way from Mystic Street to Mystic Bank substantially in the location of the private way known as Fairview Avenue, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the easterly side line of Mystic Street and the southerly side line of Fairview Avenue, thence S. 56°-38′ E. on said southerly side line of Fairview Avenue, a distance of 133.12 feet to a point of curve in said southerly side line of Fairview Avenue, thence southeasterly on said southerly side line of Fairview Avenue. on a curve to the right with a radius of 530.73 feet, a distance of 119.49 feet to a point of tangency in said southerly side line of Fairview Avenue, thence S. 43°-44′ E. on said southerly side line of Fairview Avenue, a distance of 520 feet to the point of intersection of the easterly side line of Orient

Avenue and said southerly side line of Fairview Avenue, thence N. 46°-16′ E. across said Fairview Avenue, a distance of 40 feet to the northerly side line of Fairview Avenue, thence N. 43°-44′ W. on said northerly side line of Fairview Avenue, a distance of 520 feet to a point of curve in said northerly side line of Fairview Avenue, thence northwesterly on said northerly side line of Fairview Avenue, on a curve to the left with a radius of 570.73 feet, a distance of 128.5 feet to a point of tangency on said northerly side line of Fairview Avenue, thence N. 56°-38′ W. on said northerly side line of Fairview Avenue, a distance of 133.52 feet to the easterly side line of Mystic Street, thence S. 34°-4′-25″ W. along said easterly side line of Mystic Street, a distance of 40 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Fairview Avenue, Arlington, Mass., Scales Hor. 1″=40′, Vert. 1″=6′, Jan. 9, 1915, A. S. Tileston, Eng., Arlington, Mass."

Article 18. To see if the Town will accept the laying out of a town way from Wildwood Avenue to Gloucester Street substantially in the location of the private way known as Field Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the westerly side line of Wildwood Avenue and the southerly side line of Field Road thence northwesterly and westerly on said southerly side line of Field Road, on a curve

to the left with a radius of 30 feet, a distance of 40.14 feet to a stone bound on said southerly side line of Field Road, thence southwesterly on said southerly side line of Field Road, a distance of 284.45 feet to a stone bound at a point of curve in said southerly side line of Field Road, thence southerly and southeasterly on said southerly side line of Field Road, on a curve to the left with a radius of 25 feet, a distance of 41.49 feet to a stone bound on the easterly side line of Gloucester Street, thence northwesterly on said easterly side line of Gloucester Street, on a curve to the left with a radius of 350 feet, a distance of 89.41 feet to a stone bound at the northerly side line of Field Road, thence southeasterly and easterly on said northerly side line of Field Road, on a curve to the left with a radius of 30 feet, a distance of 36.8 feet to a stone bound on said northerly side line of Field Road, thence northeasterly on said northerly side line of Field Road, a distance of 282.88 feet to a stone bound at a point of curve on said northerly side line of Field Road, thence northerly and northwesterly on said northerly side line of Field Road, on a curve to the left with a radius of 25 feet, a distance of 45.09 feet to the westerly side line of Wildwood Avenue, thence southeasterly on said westerly side line of Wildwood Avenue, a distance of 96.45 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Field Road, Arlington, Mass., Scale Hor. 1″=40′, Ver. 1″=6′, March. 1923, C. H. Gannett, C. E. 53 State St., Boston."

Article 19. To see if the Town will accept the laying out of a town way from Newton Road to Franklin Street, substantially in the location of the private way known as Hamlet Street, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way;

determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the westerly side line of Franklin Street and the northerly side line of Hamlet Street, thence southwesterly and westerly on said northerly side line of Franklin Street, on a curve to the right with a radius of 25 feet, a distance of 37.37 feet to a point of tangency in the said northerly side line of Hamlet Street, thence northwesterly on said northerly side line of Hamlet Street, a distance of 125.61 feet to a stone bound at the present end of the accepted portion of Hamlet Street, thence southwesterly across said Hamlet Street, a distance of 40 feet to the southerly side line of said Hamlet Street, thence southeasterly on said southerly side line of Hamlet Street, a distance of 118.69 feet to a point of curve in said southerly side line of Hamlet Street, thence southerly and southwesterly on said southerly side line of Hamlet Street, on a curve to the right with a radius of 25 feet, a distance of 41.16 feet to the westerly side line of Franklin Street, thence northeasterly on said westerly side line of Franklin Street, a distance of 90.25 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Hamlet St., Arlington, Mass., Petitioned for by Z. E. Cliff, Scales Hor. 1″=40′, Vert. 1″=6′, Nov. 7, 1922, J. M. Keane, C. E."

Article 20. To see if the Town will accept the laying out of a town way from Lake Street to Fairmont Street substantially in the location of the private way known as Herbert Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropria-

tion for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southerly side line of Lake Street and the easterly side line of Herbert Road, thence westerly and southwesterly on said easterly side line of Herbert Road, on a curve to the left with a radius of 25 feet, a distance of 37.39 feet to a stone bound at a point of tangency on said easterly side line of Herbert Road, thence southerly on said easterly side line of Herbert Road, a distance of 1161.49 feet to a point of curve in said easterly side line of Herbert Road, thence southeasterly on said easterly side line of Herbert Road, on a curve to the left with a radius of 451.12 feet, a distance of 162.65 feet to a stone bound at a point of tangency in said easterly side line of Herbert Road, thence continuing southeasterly on said easterly side line of Herbert Road, a distance of 51.98 feet to the easterly side line of Lake Avenue, thence continuing southeasterly on said easterly side line of Lake Avenue, a distance of 602.24 feet, more or less, to a stone bound at the intersection of the southerly side line of Fairmont Street and the easterly side line of Lake Avenue, thence southwesterly across Lake Avenue, a distance of 40 feet, more or less, to the intersection of the southerly side line of Fairmont Street and the westerly sideline of Lake Avenue, thence northwesterly on said westerly side line of Lake Avenue, a distance of 603.13 feet to the westerly side line of Herbert Road, thence continuing northwesterly on said westerly side line of Herbert Road, a distance of 51.98 feet to a stone bound at a point of curve in said westerly side line of Herbert Road, thence northerly on said westerly side line of Herbert Road, on a curve to the right

with a radius of 491.12 feet, a distance of 177.08 feet to a stone bound at a point of tangency in said westerly side line of Herbert Road, thence continuing northerly on said westerly side line of Herbert Road, a distance of 1154.71 feet to a stone bound at a point of curve on said westerly side line of Herbert Road, thence northwesterly and westerly on said westerly side line of Herbert Road, on a curve to the left with a radius of 25 feet, a distance of 41.15 feet to a stone bound on the southerly side line of Lake Street, thence easterly on said southerly side line of Lake Street, a distance of 90.25 feet to the point of beginning, as shown on three Board of Survey plans on file at the office of the Town Clerk, Arlington, Mass., two entitled "Plan and Profile of Herbert Road, Arlington, Mass., Scale Hor. 1″=40′, Ver. 1″=6′, June, 1923, C. H. Gannett, C. E., 53 State St., Boston," and the other one entitled "Plan of Lake Ave., Petitioned for by T. Tolson, Showing Proposed Lines and Grades, Made by C. H. Gannett, C. E., Scale 40′ & 6′=1″, August 10, 1900.

Article 21. To see if the Town will accept the laying out of a town way from Bowen Street to Robbins Road substantially in the location of the private way known as Higgins Street, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northerly side line of Robbins Road and the westerly side line of Higgins Street, thence northeasterly and northerly on

said westerly side line of Higgins Street, on a curve to the left with a radius of 20 feet, a distance of 32.89 feet to a point of tangency in said westerly side line of Higgins Street, thence northwesterly on said westerly side line of Higgins Street, a distance of 353.31 feet to a point of curve in said westerly side line of Higgins Street, thence westerly on said westerly side line of Higgins Street, on a curve to the left with a radius of 25 feet, a distance of 26.21 feet to the southerly side line of Bowen Street, thence northeasterly on said southerly side line of Bowen Street, a distance of 86.56 feet to the easterly side line of Higgins Street, thence southwesterly and southerly on said easterly side line of Higgins Street, on a curve to the left with a radius of 15 feet, a distance of 31.4 feet to a point of tangency in said easterly side line of Higgins Street, thence southeasterly on said easterly side line of Higgins Street, a distance of 324.67 feet to a point of curve in said easterly side line of Higgins Street, thence southeasterly and easterly on said easterly side line of Higgins Street, on a curve to the left with a radius of 20 feet, a distance of 29.95 feet to the northerly side line of Robbins Road, thence southwesterly on said northerly side line of Robbins Road, a distance of 90.22 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Higgins Street, Estate of Ira L. Russell, Arlington, Mass., Scale Hor. 1″=40′, Ver. 1″=6′, Jan., 1921, C. H. Gannett, C. E., 53 State St., Boston.

Article 22. To see if the Town will accept the laying out of a town way from Aberdeen Road four hundred thirty (430) feet southerly substantially in the location of the private way known as Inverness Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction

of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the intersection of the southerly side line of Aberdeen Road and the easterly side line of Inverness Road, thence northwesterly and westerly on said easterly side line of Inverness Road, on a curve to the left with a radius of 14.48 feet, a distance of 22.1 feet to a point of tangency in said easterly side line of Inverness Road, thence southwesterly on said easterly side line of Inverness Road, a distance of 406.94 feet to a point, thence northwesterly across said Inverness Road, a distance of 40 feet, more or less, to the westerly side line of Inverness Road, thence northeasterly on said westerly side line of Inverness Road, a distance of 416.42 feet to a point of curve in said westerly side line of Inverness Road, thence northerly and northwesterly on said westerly side line of Inverness Road, on a curve to the left with a radius of 13.56 feet, a distance of 21.9 feet to the southerly side line of Aberdeen Road, thence southeasterly on said southerly side line of Aberdeen Road, a distance of 68.7 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Inverness Road, Between Lorne Rd. and Wollaston Ave., Scale Hor. 1 in.=40 ft., Vert. 1 in.=6 ft., Feb., 1911, R. W. Pond, Town Engineer."

Article 23. To see if the Town will accept the laying out of a town way from Bonad Road to High Haith Road substantially in the location of the private way known as Iroquois Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropria-

tion for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the westerly side line of Bonad Road and the northerly side line of Iroquois Road, thence southerly and southwesterly on said northerly side line of Iroquois Road, on a curve to the right with a radius of 25 feet, a distance of 39.27 feet to a stone bound at a point of tangency in said northerly side line of Iroquois Road, thence continuing southwesterly on said northerly side line of Iroquois Road, a distance of 378.38 feet to a point of curve in said northerly side line of Iroquois Road, thence westerly and northwesterly on said northerly side line of Iroquois Road, on a curve to the right with a radius of 16.60 feet, a distance of 30.39 feet to the easterly side line of High Haith Road, thence southerly on said easterly side line of High Haith Road, a distance of 98 feet, more or less, to the southerly side line of Iroquois Road, thence northerly and northeasterly on said southerly side line of Iroquois Road, on a curve to the right with a radius of 49.31 feet, a distance of 55.59 feet to a point of tangency in the southerly side line of said Iroquois Road, thence continuing northeasterly on said southerly side line of Iroquois Road, a distance of 386.20 feet to a stone bound at a point of curve in said southerly side of Iroquois Road, thence easterly and southeasterly on said southerly side line of Iroquois Road, on a curve to the right with a radius of 25 feet, a distance of 39.27 feet to a stone bound on the westerly side line of Bonad Road, thence northwesterly on said westerly side line of Bonad Road, a distance of 90 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Iroquois

Road, High Haith, Arlington, Horizontal Scale 40 Feet to an Inch, Vertical Scale 6 Feet to an Inch, Ernest W. Branch, Civil Engineer, Boston, Quincy."

Article 24. To see if the Town will accept the laying out of a town way from Medford Street to Franklin Street substantially in the location of the private way known as Jean Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the intersection of the easterly side line of Medford Street and the northerly side line of Jean Road, thence southwesterly and southerly on said northerly side line of Jean Road, on a curve to the left with a radius of 25 feet, a distance of 38.92 feet to a point of tangency in said northerly side line of Jean Road, thence southeasterly on said northerly side line of Jean Road, a distance of 358.55 feet to a point of curve in said northerly side line of Jean Road, thence easterly and northeasterly on said northerly side line of Jean Road, on a curve to the left with a radius of 25 feet, a distance of 40.08 feet to the westerly side line of Franklin Street, thence southwesterly on said westerly side line of Franklin Street, a distance of 90.04 feet to the southerly side line of Jean Road, thence northeasterly and northerly on said southerly side line of Jean Road, on a curve to the left with a radius of 25 feet, a distance of 38.47 feet to a point of tangency in said southerly side line of Jean Road, thence northwesterly on said southerly side line of Jean Road, a distance of 363.35 feet to a point of curve

in said southerly side line of Jean Road, thence westerly and southwesterly on said southerly side line of Jean Road, on a curve to the left with a radius of 25 feet, a distance of 37.65 feet to the easterly side line of Medford Street, thence northeasterly on said easterly side line of Medford Street, a distance of 44.15 feet to an angle point in said easterly side line of Medford Street, thence continuing northeasterly on said easterly side line of Medford Street, a distance of 43.93 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Jean Road, Arlington, Mass., Petitioned for by William J. Robinson, Scales Hor. 1″=40′, Vert. 1″=6′, April 6, 1925, Wm. J. Toomey, C. E."

Article 25. To see if the Town will accept the laying out of a town way from Massachusetts Avenue to Gray Street substantially in the location of the private way known as Lockeland Avenue, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the westerly side line of Massachusetts Avenue and the southerly side of Lockeland Avenue, thence northwesterly and westerly on said southerly side line of Lockeland Avenue, on a curve to the left with a radius of 25 feet, a distance of 42.29 feet to a stone bound at a point of tangency in said southerly side line of Lockeland Avenue, thence southwesterly on said southerly side line of Lockeland Avenue, a distance of 275.81 feet to a stone bound at a

point of curve in said southerly side line of Lockeland Avenue, thence southerly on said southerly side line of Lockeland Avenue, on a curve to the left with a radius of 65 feet, a distance of 86.03 feet to a stone bound on the easterly side line of Wildwood Avenue, thence northwesterly along said easterly side line of Wildwood Avenue, a distance of 200 feet to a point, thence westerly across said Wildwood Avenue, a distance of 53 feet to a point in the southerly side line of Lockeland Avenue, thence southwesterly on said southerly side line of Lockeland Avenue, a distance of 228.92 feet to a stone bound at a point of curve in said southerly side line of Lockeland Avenue, thence continuing southwesterly on said southerly side line of Lockeland Avenue, on a curve to the left with a radius of 200 feet, a distance of 40.77 feet to a point of tangency in said southerly side line of Lockeland Avenue, thence continuing southwesterly on said southerly side line of Lockeland Avenue, a distance of 698.88 feet to a stone bound at a point of curve in said southerly side line of Lockeland Avenue, thence southerly and southeasterly on said southerly side line of Lockeland Avenue, on a curve to the left with a radius of 25 feet, a distance of 43.21 feet to the easterly side line of Gray Street, thence northwesterly on said easterly side line of Gray Street, a distance of 105.53 feet to a stone bound at the northerly side line of Lockeland Avenue, thence southeasterly and easterly on said northerly side line of Lockeland Avenue, on a curve to the left with a radius of 30 feet, a distance of 42.4 feet to a stone bound at a point of tangency in said northerly side line of Lockeland Avenue, thence northeasterly on said northerly side line of Lockeland Avenue, a distance of 698.67 feet to a point. thence northwesterly a distance of 7.72 feet to the northerly side line of Lockeland Avenue, thence continuing northeasterly on said northerly side line of Lockeland Avenue, a distance of 341 feet, more or less, to a point on said northerly side line of Lockeland Avenue, thence easterly and northeasterly on said northerly side line of Locke-

land Avenue, on a curve to the left with a radius of 194.14 feet, a distance of 257 feet, more or less, to a stone bound at a point of tangency in said northerly side line of Lockeland Avenue, thence northeasterly on said northerly side line of Lockeland Avenue, a distance of 67.26 feet to a point of curve in said northerly side line of Lockeland Avenue, thence northerly and northwesterly on said northerly side line of Lockeland Avenue, on a curve to the left with a radius of 42 feet, a distance of 60.5 feet to the westerly side line of Massachusetts Avenue, thence southeasterly on said westerly side line of Massachusetts Avenue, a distance of 78.62 feet to a point of curve in said westerly side line of Massachusetts Avenue, thence continuing southeasterly on said westerly side line of Massachusetts Avenue, on a curve to the left with a radius of 630.56 feet, a distance of 35.59 feet to the point of beginning, as shown on two plans on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Lockeland Avenue, Arlington, Mass., Scale Hor. 1″=40′, Ver. 1″=6′, March, 1923, C. H. Gannett, C. E., 53 State St., Boston."

Article 26. To see if the Town will accept the laying out of a town way from Trent Street to Mt. Vernon Street substantially in the location of the private way known as Moulton Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the westerly side line of Trent Street and the

southerly side line of Moulton Road, thence northwesterly and westerly on said southerly side line of Moulton Road, on a curve to the left with a radius of 25 feet, a distance of 39.97 feet to a stone bound at a point of tangency in said southerly side line of Moulton Road, thence southwesterly on said southerly side line of Moulton Road, a distance of 226.30 feet to a point of curve in said southerly side line of Moulton Road, thence westerly and northwesterly on said southerly side line of Moulton Road, on a curve to the right with a radius of 90 feet, a distance of 140.90 feet to a point of tangency in the westerly side line of Moulton Road, thence northerly on said westerly side line of Moulton Road, a distance of 389.45 feet to a point of curve on said westerly side line of Moulton Road, thence northwesterly and westerly on said westerly side line of Moulton Road, on a curve to the left with a radius of 25 feet, a distance of 39.98 feet to the southerly side line of Mt. Vernon Street, thence northeasterly on said southerly side line of Mt. Vernon Street, a distance of 90.04 feet to the easterly side line of Moulton Road, thence westerly and southwesterly on said easterly side line of Moulton Road, on a curve to the left with a radius of 25 feet, a distance of 38.56 feet to a point of tangency on said easterly side line of Moulton Road, thence southeasterly on said easterly side line of Moulton Road, a distance of 392.01 feet to a point of curve on said easterly side line of Moulton Road, thence southeasterly and easterly on said easterly side line of Moulton Road, on a curve to the left with a radius of 50 feet, a distance of 78.28 feet to a point of tangency in the northerly side line of Moulton Road, thence northeasterly on said northerly side line of Moulton Road, a distance of 228.82 feet to a stone bound at a point of curve in said northerly side line of Moulton Road, thence northeasterly and northerly on said northerly side line of Moulton Road, on a curve to the left with a radius of 25 feet, a distance of 38.57 feet to the westerly side line of Trent Street, thence southeasterly on said westerly side line of Trent Street, a dis-

tance of 90.02 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Moulton Road as Petitioned for by Sarah R. McFayden, Scales Hor. 1″=40′, Vert. 1″=6′, June, 1925, J. M. Keane, C. E."

Article 27. To see if the Town will accept the laying out of a town way from Appleton Street to Massachusetts Avenue substantially in the location of the private way known as Richardson Avenue, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northerly side line of Appleton Street and the easterly side line of Richardson Avenue, thence westerly and northwesterly on said easterly side line of Richardson Avenue, on a curve to the right with a radius of 25 feet, a distance of 39.27 feet to a stone bound on said easterly side line of Richardson Avenue, thence northwesterly on said easterly side line of Richardson Avenue, a distance of 118.01 feet to a stone bound at a point of curve on said easterly side line of Richardson Avenue, thence northerly and northeasterly on said easterly side line of Richardson Avenue, on a curve to the right with a radius of 207.3 feet, a distance of 109.68 feet to a stone bound at a point of tangency in said easterly side line of Richardson Avenue, thence continuing northeasterly on said easterly side line of Richardson Avenue, a distance of 110.05 feet to a stone bound at a point of curve in said easterly side line of Richardson Avenue, thence northeasterly on said easterly side line

of Richardson Avenue, on a curve to the right with a radius of 25 feet, a distance of 38.87 feet to the southerly side line of Massachusetts Avenue, thence northwesterly on said southerly side line of Massachusetts Avenue, a distance of 90.01 feet to the westerly side line of Richardson Avenue, thence easterly on said westerly side line of Richardson Avenue, on a curve to the right, with a radius of 25 feet, a distance of 39.67 feet to a stone bound at a point of tangency in said westerly side line of Richardson Avenue, thence southwesterly on said westerly side line of Richardson Avenue, a distance of 108.59 feet to a stone bound at a point of curve in said westerly side line of Richardson Avenue, thence southerly and southeasterly on said westerly side line of Richardson Avenue, on a curve to the left with a radius of 247.30 feet, a distance of 130.84 feet to a stone bound at a point of tangency in said westerly side line of Richardson Avenue, thence continuing southeasterly on said westerly side line of Richardson Avenue, a distance of 118.01 feet to a stone bound at a point of curve in said westerly side line of Richardson Avenue, thence southwesterly on said westerly side line of Richardson Avenue, on a curve to the right with a radius of 25 feet, a distance of 39.27 feet to the northerly side line of Appleton Street, thence northeasterly on said northerly side line of Appleton Street, a distance of 90 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Richardson Avenue As Petitioned For by John B. Richardson, Scales: Hor. 1″=40′, Vert. 1″=6′, Mar. 8, 1924, J. M. Keane, C. E., 264 Broadway, Arlington."

Article 28. To see if the Town will accept the laying out of a town way from Lockeland Avenue to Highland Avenue substantially in the location of the private way known as Trent Street, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment

of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the intersection of the southerly side line of Highland Avenue and the easterly side line of Trent Street, thence southeasterly on said easterly side line of Trent Street, a distance of 228.3 feet to the easterly side line of Wildwood Avenue, thence continuing southeasterly on said easterly side line of Wildwood Avenue, on a curve to the left with a radius of 304.23 feet, a distance of 67.02 feet to a point of tangency in said easterly side line of Wildwood Avenue, thence continuing southeasterly on said easterly side line of Wildwood Avenue a distance of 13.61 feet to a point of curve in said easterly side line of Wildwood Avenue, thence continuing southeasterly and easterly on said easterly side line of Wildwood Avenue, on a curve to the left with a radius of 194.14 feet, a distance of 95.96 feet to the northerly side line of Lockeland Avenue, thence southwesterly on said northerly side line of Lockeland Avenue, a distance of 27 feet, more or less, to the easterly side line of Wildwood Avenue, thence southeasterly on said easterly side line of Wildwood Avenue, a distance of 39 feet, more or less, to the present accepted portion of Wildwood Avenue, thence southwesterly by said present accepted portion of Wildwood Avenue, a distance of 49.03 feet to the westerly side line of Wildwood Avenue, thence northwesterly on said westerly side line of Wildwood Avenue, a distance of 27.37 feet to the northerly side line of Lockeland Avenue, thence southwesterly on said northerly side line of Lockeland Avenue, a distance of 38.51 feet to a stone bound at the westerly side line of Wildwood Avenue, thence easterly and northeasterly on said

westerly side line of Wildwood Avenue, on a curve to the left with a radius of 25 feet, a distance of 49.75 feet to a stone bound at a point of tangency in said westerly side line of Wildwood Avenue, thence northwesterly on said westerly side line of Wildwood Avenue, a distance of 38.13 feet to a point of curve in said westerly side line of Wildwood Avenue, thence northwesterly on said westerly side line of Wildwood Avenue, on a curve to the right with a radius of 344.23 feet, a distance of 75.83 feet to the westerly side line of Trent Street, thence continuing northwesterly on said westerly side line of Trent Street, a distance of 229 feet to the southerly side line of Highland Avenue, thence northeasterly on said southerly side line of Highland Avenue, a distance of 40 feet to the point of beginning, as shown on two plans on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan of Temple St., Gloucester St. Ext., Plymouth St., Trent St., Petitioned for by F. R. & G. M. Vail, Showing Proposed Lines and Grades, Made by C. H. Gannett, C. E., Scales 40′ & 6′=1″, Sept. 10, 1910," and "Plan and Profile of Wildwood Ave. Ext., Arlington, Mass., Scale Hor. 1″=40′, Vert. 1″=6′, March, 1923, C. H. Gannett, C. E., 53 State St., Boston."

Article 29. To see if the Town will accept the laying out of a town way from Appleton Street to a point approximately two hundred (200) feet southwesterly substantially in the location of the private way known as Valentine Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the westerly side line of Appleton Street and the northerly side line of Valentine Road, thence southeasterly and southerly on said northerly side line of Valentine Road, on a curve to the right with a radius of 35 feet, a distance of 74.35 feet to a point of tangency in said northerly side line of Valentine Road, thence southwesterly on said northerly side line of Valentine Road, a distance of 120.83 feet to a point, thence southeasterly across said Valentine Road a distance of 50 feet to a point of curve in the southerly side line of Valentine Road, thence easterly and southeasterly on said southerly side line of Valentine Road, on a curve to the right with a radius of 20 feet, a distance of 27.84 feet to the northerly side line of Dow Avenue, thence northeasterly on said northerly side line of Dow Avenue, a distance of 187.34 feet to the westerly side line of Appleton Street, thence northwesterly on said westerly side line of Appleton Street, a distance of 101.63 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Board of Survey Plan and Profile of Valentine Road, Arlington, Mass., Scales Hor. 1″=40′, Vert. 1″=6′, January, 1930, James M. Keane, Town Engineer."

Article 30. To see if the Town will accept the laying out of a town way from Windsor Street to Amsden Street substantially in the location of the private way known as Waldo Road, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a stone bound at the intersection of the

southerly side line of Amsden Street and the easterly side line of Waldo Road, thence northwesterly on said easterly side line of Waldo Road, a distance of 233.06 feet to a point, thence southwesterly across said Waldo Road, a distance of 45 feet to the westerly side line of Waldo Road, thence southeasterly on said westerly side line of Waldo Road, a distance of 240.08 feet to the southerly side line of Amsden Street, thence northeasterly on said southerly side line of Amsden Street, a distance of 45.8 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Laurel Street., Now Waldo Road, Arlington, Mass., Scales 1″=40′ &6′, July, 1910, H. S. Adams, C. E."

Article 31. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 32. To see if the Town will authorize the acquisition by purchasing, eminent domain or otherwise, of any land, easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 33. To see if the Town will appropriate the additional sum of one hundred (100) dollars or any other

sum to be expended under the direction of the Committee on Additional School Accommodations; or take any action relating thereto.

(Inserted at the request of the Committee on additional School Accommodations)

Article 34. To see if the Town will acquire by purchase, eminent domain or otherwise, for school purposes, all or any portion or portions of certain parcels of land situated in Arlington and more particularly described in paragraphs A. B and C hereof, any interests or easements in said parcels or any of them, and any rights or easements of way or otherwise as appurtenant to said parcels or any of them, and subject to or with any reservations of any rights or easements in said parcels or any of them; make an appropriation or appropriations for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

A. A parcel or parcels of land containing about five acres, within the area bounded by George Street, Rublee Street, the Lexington line, and the Belmont line.

B. A parcel or parcels of land containing about two and three quarters acres, within the area bounded by Summer Street, Hospital Road, a line from Hospital Road to the Winchester line at Hutchinson Road, the Winchester line and Mystic Street.

C. A parcel or parcels of land containing about five acres within the area bounded by tracks of the Boston & Maine Railroad, the Cambridge line, the Belmont line, and Pleasant Street.

(Inserted at the request of the Committee on additional School Accommodations)

Article 35. To see if the Town will appoint a committee to secure plans and estimates for an elementary

school building to be erected on the land owned by the Town on Pheasant Avenue, or take any action relating thereto.

(Inserted at the request of the Committee on additional School Accommodations)

Article 36. To see if the Town will appoint a committee to secure plans and estimates for an elementary school building to be erected on the land owned by the Town on Eastern Avenue; or take any action relating thereto.

(Inserted at the request of the Committee on additional School Accommodations)

Article 37. To see if the Town will make an additional appropriation for alterations to the present Peirce School Building, and for walks and drives upon, and the grading of, the grounds of said school; determine in what manner the money shall be raised and expended or take any action relating thereto.

(Inserted at the request of the Peirce School Building Committee)

Article 38. To see if the Town will construct a building or buildings to be used for High School and/or other purposes, upon the land of the Town bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly and northwesterly by land now or formerly of the Frost Insecticide Company, of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella; make an appropriation for such construction, including the cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee to secure plans and estimates for a new High School building)

Article 39. To see if the Town will appropriate the sum of ninety-five dollars and sixty-six cents ($95.66),

or any other sum, for the payment of unpaid bills of the School Department for expenses of out-of-state travel, or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 40. To see if the Town will vote to authorize the School Committee to establish and maintain State-aided vocational education in accordance with the provisions of Chapter 74, General Laws and Acts mandatory thereto, or dependent thereon; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 41. To see if the Town will reconstruct with granolithic or other material, all or any portion of the sidewalk on the northerly side of Summer Street Boulevard from Overlook Road to Forest Street; make an appropriation therefor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 42. To see if the Town will make an appropriation for the improvement, development and use of the playground situated between the "High School lot" and the land of the Boston & Maine Railroad; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee and the Park Commissioners)

Article 43. To see if the Town will reconstruct with granolithic or other material, all or any portion of the sidewalk on the southerly side of Massachusetts Avenue from Academy Street to the Library Driveway; make an appropriation therefor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 44. To see if the Town will appropriate the sum of three thousand four hundred and fifty (3450) dollars or any other sum for the improvement of all or any portion of Meadow Brook Park and particularly of the portion thereof which is north of the sewer viaduct; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Special Committee on Improvement of Meadow Brook Park)

Article 45. To see if the Town will make an appropriation under Chapter 16 of the laws of 1929; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Massachusetts Bay Tercentenary Committee of Arlington)

Article 46. To see if the Town will make an appropriation of the sum of twenty-five hundred dollars ($2500) or any other sum, to be used for the proper reception to the National Convention of the American Legion to be held in Boston and vicinity, October 6th, 7th, 8th and 9th, 1930. The same to be expended under direction of Arlington Post, No. 39, The American Legion; or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 47. To see if the Town will make an appropriation for repairs and/or additions to the Robbins Library building; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 48. To see if the Town will construct a building to be used for chapel, office, storehouse, and/or any other purpose in Mount Pleasant Cemetery, make an appropriation for such construction, including the cost of original equipment and furnishings; determine in what

manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Cemetery Commissioners)

Article 49. To see if the Town will acquire by purchase, eminent domain or otherwise, for park and/or playground purposes, all or any portion or portions of the land within the Town, and/or the building or buildings thereon, any interests or easements therein and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights or easements therein, bounded and described as follows: northerly by Summer Street, easterly by land now or formerly of Elsa V. Johnson, southerly by land now or formerly of Nash, Blaisdell, Bennett, Gratto, Parmenter, Russell Street, Boston and Lowell Railroad Company, Wood, and Boston and Lowell Railroad Company, westerly by land now or formerly of John R. Foster, as shown upon a plan on file in the office of the Town Clerk, entitled "Plan of Fowles Pond, Arlington, Mass., Scale 1″=40′, Jan. 1930, James M. Keane, Town Engineer," make an appropriation therefor; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

(Inserted at the request of the Planning Board)

Article 50. To see if the Town will make an appropriation for the repair of the dam at Fowles Pond, so called, if and when the Town has acquired said dam; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Planning Board)

Article 51. To see if the Town will accept a gift by the Arlington Gas Light Company of a parcel of land containing 1.64 acres more or less bounded easterly by Grove Street, for playground and/or public park purposes, and authorize the Selectmen or Park Commissioners to agree with the said Company as to the provisions

of the deed of said parcel; make an appropriation for the payment of the amount of expenses incurred in connection with the title, survey and plan of said parcel; or take any action relating thereto.

(Inserted at the request of the Park Commissioners)

Article 52. To see if the Town will make an appropriation of five hundred (500) dollars to clean Sucker Brook starting at Forest Street and going as far as Lowell St.; appropriation to be taken from the general tax fund.

(Inserted at the request of ten (10) registered voters)

Article 53. To see if the Town will acquire a platform and/or stand for outdoor use; make an appropriation for the purpose; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 54. To see if the Town will vote to have Parking Stalls painted on Massachusetts Avenue through the business section of the Center from Central St. to Medford St. on the Northerly side, from Pleasant St. to Avon Place on the Southerly side; also in East Arlington from Winter St. to Marathon St. on the Northerly side and from Lake St. to Melrose St. on the Southerly side and make an appropriation for the same or take any action in relation thereto.

(Inserted at the request of ten (10) registered voters)

Article 55. To see if the Town will, under the provisions of chapter 642 of the Acts of 1920, direct the Districting Board to review and, if need be, wholly or partly revise, the boundaries of the voting precincts of the town in December of this year; or take any action relating thereto.

Article 56. To see if the Town will designate, by by-law or otherwise, all or any part of each of the ways hereinafter mentioned as a "through way," as provided

in section 9 of chapter 89 of the General Laws as amended, or otherwise; make by-laws for the regulation of traffic, carriages and/or vehicles; provide for signs, lights, markings, and signal systems or devices, on ways; make an appropriation in connection therewith; or take any action relating to all or any of the foregoing.

Said ways are Massachusetts Avenue from the Lexington town line to the Cambridge city line; Broadway from Massachusetts Avenue to the Somerville city line; Medford Street from Massachusetts Avenue to the Medford city line; Mystic Street from Massachusetts Avenue to the Winchester town line; and Pleasant Street from Massachusetts Avenue to the Belmont town line.

Article 57. To see if the Town will prohibit any and all persons from carrying on the business of renting boats or bathing suits, for use upon or in so much of the waters of any great pond as is situated within the town, without first obtaining a license so to do from the Selectmen; provide for the payment of a fee for any such license; or take any action relating thereto.

Article 58. To see if the Town will vote to appoint a committee of five to investigate the needs and possibilities of developing the bathing facilities at the Arlington Heights Reservoir and Spy Pond and report back at the next town meeting, or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 59. To see if the Town will authorize the Selectmen to let or lease all or any portion of the Menotomy Hall building, the building at the corner of Park Avenue and Paul Revere Road and/or any other building or premises owned by it; or take any action relating thereto.

Article 60. To see if the Town will amend its Zoning By-law by altering the zoning map therein referred to so as to include in the General Residence District all or any portion of the area on the Northwesterly side of Mount Vernon Street, now included in the Single Residence District, bounded and described as follows: Southeasterly by Mt. Vernon Street; Southwesterly by Gray Street; Northwesterly by a line 175′ from and parallel to Mt. Vernon Street; and Northeasterly by Albermarle Street; or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 61. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in a Business District all of area described as follows:

Beginning at the corner of Lake Street and Wilson Ave., and running easterly along side line of Lake Street to the land now or formerly owned by Jennie E. Lyons; then turning southerly along said land of Jennie E. Lyons to a point ninety-two and one-half (92.5) feet; then turning westerly by a line running parallel to the southerly side line of Lake Street to the easterly side line of Wilson Avenue; then turning northerly along easterly side line of Wilson Avenue to the starting point; or take any action relating thereto.

(Inserted at the request of more than ten (10) registered voters)

Article 62. To see if the Town will make an appropriation or appropriations for the relocation, alteration, widening, and construction of, and specific repairs upon, all or any part of that portion of the way called Massachusetts Avenue, extending from Central Street to Highland Avenue, as now existing or as hereafter relocated, altered, or widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; determine in what manner

the money shall be raised and expended; or take any action in any way relating to all or any of the foregoing.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this third day of February, in the year of our Lord one thousand nine hundred and thirty.

LUKE A. MANNING
HOLLIS M. GOTT
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Feb. 24, 1930.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more con-

spicuous places in each voting precinct in the Town. A notice of the times, places and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY,
Constable, Town of Arlington, Mass.

Arlington, March 3, 1930.

In pursuance of the foregoing Warrant the legal voters of the Town of Arlington met in their respective voting places in said Town on Monday, the third day of March, in the year of our Lord one thousand nine hundred and thirty, at seven o'clock in the forenoon.

The following places were designated as the voting places for the various precincts: Precinct 1, Crosby School Building, Winter Street; Precinct 2, Hardy School Building, Lake Street; Precincts 3 and 5, Old Town Hall; Precincts 4 and 6, Robbins Memorial Town Hall; Precinct 7, Locke School Building, Park Avenue.

The following election officers, having been duly appointed by the Selectmen, were assigned for duty at the various precincts as follows:

Precinct 1, Herbert B. Kellogg, Warden, 34 Cleveland Street; Percy S. Morine, Clerk, 63 Cleveland Street; Howard L. Romaine, 89 Oxford Street; Chester E. Smith, 57 Cleveland Street; Arthur O. Davidson, 60 Winter Street; Marion D. Barnard, 61 Cleveland Street; Ruth M. Kelley, 30 Cleveland Street; Edna Sullivan, 52 Hilton Street; Joseph V. Traverse, 42 Cleveland Street; Harriet E. Denvir, 78 Cleveland Street; Alice Hamall, 57 Cleveland Street; John W. Dacey, 134 Broadway; Amy Watkins, 27 Cleveland Street; Joseph Rockett, 38 Grafton Street.

Precinct 2, Walter I. Buckley, Warden, 166 Brooks Avenue; Arthur O. Alden, Clerk, 15 Pondview Road; Judson F. Easton, 62 Melrose Street; Robert K. Wallace, 57 Lake Street; Mary F. Lyons, 170 Lake Street; Dorothy M. Rafuse, 34 Fairmont Street; Florence M. Orton, 157 Brooks Avenue; Dorothy R. O'Neil, 19 Alfred Road; Louis E. George, 16 Milton Street; Daniel F. Coughlin, 154 Brooks Avenue; Harry Mackenzie, 165 Brooks Avenue; Arthur R. Murray, 10 Milton Street; Thomas P. Hickey, 22 Margaret Street.

Precinct 3, David T. Dale, Warden, 280 Broadway; Harry W. Marden, Clerk, 11 Wyman Street; Ralph S. Stevens, 35 Sherborn Street; William E. Robinson, 5 Webster Street; Emma G. Hesseltine, 38 Russell Street; James E. Neville, 63 Palmer Street; Joseph P. Donovan, 58 Mystic Street; Carrie M. Fowle, 11 Wyman Street; Mabel F. Evans, 260 Broadway; Edward D. McCarthy, 15 Dartmouth Street; David T. Dale, Jr., 280 Broadway; William F. Canty, 33 Beacon Street; Robert P. Cusack, 66 Webster Street.

Precinct 4, Roger W. Homer, Warden, 25 Addison Street; Robert P. Cook, Clerk, 21 Addison Street; Edward J. Dineen, 15 Avon Place; William Marsden, 6 Lakeview; George Dolan, 12 Swan Place; Edith Marsh, 61 Norfolk Road; Joseph F. H. Ochs, 16 Swan Place; Alice G. Priest, 26 Whittemore Street; William J. Cunnane, 32 Addison Street; Lilyan B. Forbes, 108 Jason Street; Helen F. Pierson, 11 Whittemore Street; Curtis B. Forbes, 108 Jason Street.

Precinct 5, Maurice L. Hatch, Warden, 20 Draper Avenue; John G. Kelly, Clerk, 8 Farrington Street; Thomas J. Donnelly, Jr., 65 Brattle Street; Mary M. Donahue, 923 Massachusetts Avenue; Fred J. Barry, 169 Mystic Street; John J. MacNeil, 87 Overlook Road; Ruth Turner, 24 Draper Avenue; Mildred L. Hatch,

20 Draper Avenue; Albert K. Peirce, 12 Court Street; Herbert A. Locke, 359 Mystic Street.

Precinct 6, John M. Dunn, Warden, 56 Appleton Street; David W. Boland, Clerk, 26 Howard Street; Eliza G. Kirsch, 48 Walnut Street; Annie T. Toner, 26 Highland Avenue; James G. Moir, 15a Jason Street; Rose E. Hurley, 26 Highland Avenue; Howard E. Rowsell, 10 Revere Street; Thomas C. Clancy, 107 Highland Avenue; Conrad W. Mellin, 29 Fessenden Road; Madeline F. Kelley, 83 Highland Avenue; Katherine M. Kerr, 12 Harvard Street; Bertha M. Cowdrey, 23 Howard Street; Helen F. Doyle, 14 Temple Street; Cecil B. Cowdrey, 23 Howard Street; Florrie A. Kelley, 83 Highland Avenue; Hortense M. Dunn, 56 Appleton Street; Grace L. Hager, 57 Highland Avenue.

Precinct 7, Floyd R. Battis, Warden, 12 West Street; Ernest Cavicchi, Clerk, 1257 Massachusetts Avenue; Carlton J. Meade, 137 Florence Avenue; Frederick B. Fallon, 52 Bow Street; James F. Colgan, 17 Bow Street; Edward A. Curley, 1271 Massachusetts Avenue; Adrian H. Robinson, 91 Westminster Avenue; Sarah R. Vaughn, 164 Park Avenue; Laura M. Barry, 35 Orvis Road; May F. Currier, 82 Claremont Avenue; Mary E. Tinkham, 14 West Street; Louise Price Stinson, 51 Appleton Street; Esther M. Gaddis, 214 Wachusett Avenue; Helen C. Greeley, 40 Tanager Street.

The foregoing officers were sworn to the faithful performance of their duties. The necessary ballots prepared for each precinct and all other paraphernalia for the proper conduct of the election was supplied by the Town Clerk and turned over to the officers of the various precincts.

The polls were declared open in each precinct at seven o'clock in the morning and remained open until

eight o'clock in the evening, at which time after due notice they were declared closed.

The ballots were counted by the election officers in each precinct, the tally sheets and total tally sheets prepared by the Town Clerk being used.

The ballots cast, after being counted, were enclosed in envelopes, sealed, signed by the election officers, and encased in wooden boxes, which were locked and sealed, and the same were delivered to the Registrars of Voters in the Town Clerk's Office.

The Town Clerk and Registrars of Voters upon receipt of the returns from the several precincts forthwith canvassed the same and announced the result.

All ballots, used and unused tally sheets, total tally sheets, copy of Precinct Records of Election, and all other records pertaining to the election were delivered to the Town Clerk to be preserved by her during the time required by law.

A true record of the election, Attest:

E. CAROLINE PIERCE,
Town Clerk.

RECOUNT

Arlington, March 8, 1930.

Petitions for a recount of the votes cast on March 3, 1930 for the office of Selectman, and for the office of

School Committee for the term of three years were filed in accordance with law in the office of the Town Clerk.

Accordingly a recount of the above mentioned offices was held on Saturday, March 8, 1930, at nine o'clock in the forenoon, in the Hearing Room, Robbins Memorial Town Hall.

The recount was conducted by the Registrars of Voters assisted by two regularly appointed election officers from each precinct.

The candidates for the above mentioned offices were duly notified by registered mail.

Some of the candidates appeared in person accompanied by counsel, and some were represented by counsel.

The meeting was called to order at nine o'clock A. M. by Eben F. Dewing, Chairman of the Board.

The Clerk read the petitions, broke the seals, and opened the boxes.

The result of the recount was as follows:

	Selectmen				
	William P. Dale	William O. Hauser	Daniel M. Hooley	Blanks	Total
Precinct 1	52	469	471	14	1006
Precinct 2	75	552	535	11	1173

	4110	4161	3489	5202	4104	5775	26841
The vote as recorded March 3, 1930	4105	4154	3487	5207	4122	5763	26838

In accordance with law the ballots were returned to the Town Clerk.

A true record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

ANNUAL MEETING

Arlington, March 26, 1930.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town by a Constable of said Town, notices having been sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Arlington, and posted at two places in each precinct, the Town Meeting Members met in the Robbins Memorial Town Hall in said Town on Wednesday, March 26, 1930, at eight o'clock in the evening. The Warrant calling the meeting was the notice sent by mail by the Town Clerk.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Albert K. Peirce and James E. Sweeney. The lists contained the names of two hundred and seventy Town Meeting Members.

The Check Lists filed with the Town Clerk at the close of the meeting showed that two hundred and three members attended the meeting.

The meeting was called to order at eight o'clock P.M. by the Moderator, Curtis H. Waterman.

The Town Meeting Members were sworn by the Moderator.

Copies of the Warrant having been supplied to the Town Meeting Members, the Town Clerk read only the Call and the Constable's Return of the Warrant, the meeting voting on Arthur P. Wyman's motion to dispense with the reading of the remainder of the Warrant.

On motion of Arthur P. Wyman:

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of on this date the meeting adjourn to Wednesday evening, April 2, 1930, at eight o'clock.

On motion of Arthur P. Wyman:

Voted: That Article 2 be taken up.

Article 2 taken up. (Choice of Other Town Officers.)

Voted: That the Town Clerk cast one ballot for each of the officers for the term of one year, designated as follows:

Fish Preserver

Napoleon J. Hardy

Measurers of Wood and Bark

Patrick F. Brosnahan
Arthur B. Peirce
Charles E. Hale

On Motion of Arthur P. Wyman:

Voted: That Article 3 be taken up.

Article 3 taken up. (Reports of Selectmen—other Town Officers and Committees.)

Alfred W. Lombard for the Committee on Construction of a Police Station House read the following report for Mr. Charles B. Devereaux, Chairman of the Committee:

"The Committee appointed to build the New Police Station submit the following report;—

Under Article II at a special Town Meeting held March 26, 1926 the sum of $115,000.00 was appropriated for the purpose of constructing a Police Station House upon the Land of the Town situated on Central Street; substantially, as follows;—

For the Construction of such Building $100,000.00

For the original Equipment & Furnishings 15,000.00

The Moderator appointed the following committee;—

Charles B. Devereaux,
Elliott R. Barker,
Thomas J. Donnelly, Sr.,
Alfred W. Lombard,
Hollis M. Gott.

Mr. Gott resigned from the Committee and his resignation was accepted.

Charles G. Loring of Boston was engaged as Architect.

The Contract was awarded Dacey & Tibbetts of Boston.

The following is a statement of Expenditures for the New Police Station;—

Dacey & Tibbetts, Construction	$ 89,271.38
Miscellaneous Items of Construction	2,815.28
Architect	5,239.85
Furnishings & Equipment	7,243.36
Police Signal System—Gamwell Co.	7,250.00
Insurance	1,961.13
	$113,781.00

Appropriation	$115,000.00
Expenditures	$113,781.00
Balance	$1,219.00

Respectfully submitted,

CHARLES B. DEVEREAUX
ELLIOTT R. BARKER
THOMAS J. DONNELLY
ALFRED W. LOMBARD
Building Committee."

On motion of G. Bertram Washburn:

Voted: That the report be accepted, and the committee discharged.

Alfred W. Lombard, Chairman of the Committee to Consider the Condition of Spy Pond, read the following report:

"March 4, 1930.

Mr. Moderator:

The committee appointed to Consider the Condition of Spy Pond respectfully submits the following report for the year 1929.

The committee followed its usual method and kept a close watch of the pond during the year. The pond was given an extremely severe test the past year, such perhaps, as it will not receive again in many years. This was due to lack of rain and excessive evaporation the latter part of the season, which lowered the surface of the water 18" below the overflow point for its minimum level. This is lower than at any time since the dam was

repaired. However, the system established for care, demonstrated its efficiency, and the pond continued to remain in first class condition throughout the year.

The aqueous weeds grew very rapidly for a short period between the days of observation. To eventually eradicate this weed growth, a certain amount of weeding will be necessary each year for some years to come. It will also be necessary to apply at least three chemical treatments to the water every year to keep the pond in proper condition.

The committee believes that it will be necessary at times, to supply additional water to the pond, and would therefore recommend that the same treatment as applied to the water of the pond, be applied to the water of the reservoir at the Heights. The water from the latter can then be turned into the pond at times when conditions are favorable, pipe connections, with this end in view, having already been made.

The financial report for the year is as follows:

Balance on hand January 1, 1929	$2,245.03	
Additional appropriation March 27, 1929	800.00	
Total		$3,045.03
Expenditures:		
Weeding Pond	$ 147.00	
Chemicals	116.72	
Engineering	360.50	
Excavating and laying pipe to connect with reservoir	2,005.94	
Amount reserved to resurface Lombard Road and Terrace	125.28	
Total Expenditure		$2,755.44
Balance available		289.59

The laying of pipe to connect with the reservoir required a certain amount of excavation in Lombard Road and Lombard Terrace, and the committee will see to it that these thoroughfares are properly resurfaced early the coming year.

With this accomplished the committee will request that it be discharged, and recommend that future appropriations voted by the town for the care of Spy Pond be expended under the direction of the Board of Health.

Respectfully submitted,
Committee to Consider the Condition of Spy Pond

ALFRED W. LOMBARD
J. HOWARD HAYES
ROGER W. HOMER
WARREN A. PEIRCE"

On motion of G. Bertram Washburn:

Voted: That the report be received.

Elliott R. Barker, Chairman on Construction of the Junior High School East Building read the following report:

"To the Moderator and Town Meeting Members;—

Your committee on the construction of the new Arlington Junior High School East Building, having finished its work, begs leave to submit the following final report.

At the Special Town Meeting held January 20, 1927 under article 4 of the Warrant calling said meeting, it was voted; "That a committee of five be appointed by the Moderator to procure plans and estimates for the construction of a Junior High School building on land of

the Town situated on Tufts St., or on any other land within the area bounded by Foster Street, Massachusetts Avenue, Harlow Street and Broadway, such committee to have the power to fill vacancies, and to report to the Town not later than the annual meeting of 1927; and that the sum of $1,000 be and hereby is appropriated for the use of said committee.

The Moderator appointed the following committee:

ELLIOTT R. BARKER, Chairman
WALTER F. ROBINSON
CHARLES B. DEVEREAUX
CHARLES H. HIGGINS
WILLIAM A. CORCORAN

In order to obtain a design of the most attractive appearance and at the most reasonable cost we arranged a competition among several architects for the plans, and as the result we accepted the plans of the Frank Irving Cooper Corporation of Boston.

At the adjourned Town Meeting held April 14, 1927 under article 51 of the Warrant an appropriation of $300,000 was voted for this building. At the adjourned Town Meeting held March 28, 1928 under article 26 of the Warrant an appropriation of $50,000 was voted for original equipment, furnishings, walks, sidewalks, drives, fencing and grading of the School lot. Both appropriations were made available to the above-mentioned committee.

During the summer of 1927 we awarded the contract for the construction of this building to C. S. Henry & Co., Inc. of Boston who completed their work in June, 1928. The furnishings were installed during the summer

of 1928 so the School Department took over the building at the beginning of the school year in September, 1928.

Our financial statement follows;—

Appropriation for building	$300,000.00	
Appropriation for furnishings, walks, etc.	50,000.00	
Other credits. Rebate on insurance	203.45	
Freight refund	45.51	
		$350,248.96
Expended:		
Construction	$300,042.12	
Furnishings, etc.	48,611.88	
		$348,654.00
Unexpended balance		$1,584.96

At this time we wish to record our appreciation to the Finance Committee and Town Meeting Members, who in their wisdom recommended and voted the funds for this school; to the architects for their design of so complete and beautiful building; and to the contractor for the excellent job he did, all combining to produce a school building of which the Town is justly proud.

Respectfully submitted

ELLIOTT R. BARKER, Chairman
WILLIAM A. CORCORAN
CHARLES B. DEVEREAUX
CHARLES H. HIGGINS
WALTER F. ROBINSON."

Arlington, Mass., February 24, 1930

Voted: That the report be accepted and the committee discharged.

Roger W. Homer, Chairman of the Committee on Investigation of Junior High School System in Arlington, read the following report:

"To the Citizens of Arlington:

The Committee to Investigate the Junior High School System of Arlington Submits Its Report:

I. The Vote and Personnel of The Committee:

At the special town meeting held on April 4, 1928, under Article 6 of the Warrant calling said meeting, the following vote was passed:

Voted: That a committee of five be appointed by the Moderator to make an investigation of the Junior High School System, said committee to have the power to fill vacancies and to report to the Town not later than the Annual Meeting of 1929 and further that the sum of $500 be appropriated for use of said committee; said sum to be raised by general tax.

On November 7, 1928, the Moderator appointed the following committee of five:

Roger W. Homer.....25 Addison Street
John W. Downs.....100 Brantwood Road
Mrs. Othilie J. Lawson.....13 Ravine Street
William H. Keefe.....27 Davis Avenue

M. Norcross Stratton...11 Trowbridge Street

At the special town meeting held on March 27, 1929, a report of progress was given by the Chairman and a vote was passed extending the time for the final report to March, 1930.

II. The Scope of the Investigation and Procedure.

A. Organization.

The committee held its first meeting on Wednesday, November 14, 1928. Mr. Roger W. Homer was elected Chairman, and Mr. M. Norcross Stratton was elected Secretary. Since that time, the committee has held 17 meetings, and one public hearing which was attended by many interested citizens. The committee also visited the three Junior High Schools, prepared and completed a questionnaire, and called before it school officials for conference.

B. Procedure.

At the start of the investigation the committee determined upon the following procedure.

(1) A study of the fundamental objectives and organization of the Junior High School System. What a Junior High School System is expected to accomplish.
(2) A study of the Junior High School System as applied in Arlington.

C. Limitations.

The work of the committee was made rather difficult by the following limitations:

(1) The committee was asked to investigate a system which was already installed in the schools of the Town and consequently any decision against the system on its part would call for some constructive arrangement being suggested whereby the town would profit by the change.
(2) The committee was asked to study only one part of the educational system of the town, and

even though this part is influenced greatly by its relationship to the rest of the system, the committee felt that the article as voted upon at the town meeting confined it definitely to the Junior High Schools only.

(3) The committee confined its efforts to a study of the general principles of the Junior High School system and to the effectiveness of the system in Arlington, as an educational opportunity for all the children.

D. Definition.

After studying numerous printed reports bearing upon this question obtained from the State and outside the State and carefully considering the records of the Arlington School Committee, the following description of the Junior High School System was adopted by the committee:

A Junior High School System is a school system in which the seventh, eighth and ninth grades are segregated in a building by themselves; possesses an organization and administration of its own that is distinct from the grades above and the grades below and is taught by a separate corps of teachers. It is characterized by the following:

(1) Program of studies including more subjects than are taught in the traditional elementary school.

(2) Pupil choice of subjects elected under supervision.

(3) Departmental teaching.

(4) Promotion by subject.

(5) Provision for testing out individual aptitudes in academic and vocational work.

(6) Recognition of the plan of supervised study.

III. Conclusions and Recommendations of Committee.

A. Our study seems to indicate that the theory of the Junior High Schools has, practically without dissent, been approved by educators in the United States, and everywhere the tendency toward their organization is seen. Nearly all the large cities have adopted them, and are yearly increasing the number. In Massachusetts 89 cities and towns have a total of 183 Junior High Schools of one type or another.

B. After considering the aims and principles of a Junior High School System as described above the committee finds that:

(1) It is in accord with the principle that children of the adolescent period, usually from 11-15 years of age, are benefited by a special type of school opportunity; that the Junior High School recognizes this and segregates the children of the adolescent age. It has certain administrative advantages. By collecting into one building all of the pupils of Grades 7-9, classes of approximately normal size can be maintained, and the school plant can be completely and economically used. The advantage of separate buildings, and separate corps of teachers, making possible departmental work, is recognized by this committee.

(2) Arlington has invested a large amount in Junior High School buildings. It would be an unwise policy to make any change in the organization which would necessitate new

buildings of a different type, or to attempt to adjust the present buildings to a type of school work for which they are not designed.

C. The committee agrees with the fundamental principle that pupils have different aims, both vocational and educational, and recognizes that the Junior High School provides for the needs of pupils due to individual differences of abilities, of aptitudes and of prospective careers. It is easier and more effective to do this when a number of pupils of the same age and characteristics are congregated in one building.

D. The committee also agrees that the Junior High School conducted on the 6-3-3 plan provides an opportunity for one more year of education for those pupils who do not intend to complete their high school education. It facilitates the promotion of pupils to higher schools by destroying the sharp break between elementary and secondary education.

E. Our investigation shows that the better teachers in training are specializing in Junior High School work; therefore the committee is of the opinion that the Junior High School finds and develops a better grade of teachers and secures better teaching. It seems reasonable to conclude that pupils will more easily adjust themselves to secondary school subjects under methods and guidance of teachers trained for teaching pupils of the adolescent age in Junior High Schools.

F. The Junior High School offers an opportunity for extra curricula activities. We believe that carefully supervised activities of this nature are desirable, but that there is danger in introducing too many activities of this kind which interfere with the regular work of the school. We suggest that more careful supervision of extra curricula activities should be given and that

no such activities should be introduced without the sanction of the school committee.

G. As now planned the Arlington Junior High Schools are conducted on a two-session basis with ample time for supervised study during the school session; thus minimizing the amount of home work which should be assigned the pupils.

We are in accord with the two-session plan provided it results in less home work and more supervised study, and that the extra time is not used for the introduction of additional subjects, and extra curricula activities.

The committee finds that the matter of supervised study needs more careful organization and attention; evidence indicates that too much home work is assigned by many teachers; and that too little time is given to supervised study in the classrooms.

We find that the two-session plan is not working out as intended; it has resulted in but little supervised study in some of the schools, and home work has not been reduced in proportion. We therefore recommend in order to remedy this situation that the program under the two-session plan be reorganized under the supervision of the School Committee or that the one-session plan be adopted.

IV. Summary.

Arlington has three Junior High Schools offering three-year courses. These schools now take care of 1,385 children in the seventh, eighth, and ninth grades; 408 children are in the ninth grade, corresponding to the Freshman class of High School. Under the old 8-4 plan these 408 children would need to be taken care of in the High School which would greatly increase the

cost of that institution and require a much larger building program. Investigation shows that the cost per pupil is less in the ninth grade of a Junior High School than in the same grade when part of a Senior High School organization.

From the standpoint of the pupils it is unfair to make radical changes in a school program.

A school system organized on a 6-3-3 plan is in itself no guarantee that the children are receiving a better education unless those in charge take advantage of the opportunity afforded by such an organization to improve the work in accordance with the purposes and functions which have received approval. This is the duty of the School Committee and its agents.

It is the application of the system rather than the system itself that should be studied for praise or criticism. The School Committee is intrusted with the responsibility of administering the schools and it is to that body that the citizens should look for the proper and economic conduct of its school system.

In our opinion Arlington is conducting its Junior High Schools in a much simpler and more economical manner than when the system was first introduced here.

We find that the Arlington Junior High Schools are conducted on a more conservative basis than is usually found in most cities and towns. We believe that the School Committee should continue to keep the system on a conservative and economical basis.

The committee feels that the children of Arlington are entitled to the advantages of the Junior High School System, and it is the unanimous opinion of the committee that the Junior High School System on the

6-3-3 plan should be continued in the town of Arlington.

V. Acknowledgments.

We take this opportunity to thank the Arlington School officials and other officials for their cooperation and help, and the various departments and agencies which contributed printed matter and reports, also the citizens of Arlington who have given us their opinions and criticisms.

Respectfully submitted,

ROGER W. HOMER, Chairman
M. NORCROSS STRATTON, Secretary
JOHN W. DOWNS,
MRS. OTHILIE J. LAWSON,
WILLIAM H. KEEFE."

On motion of G. Bertram Washburn:

Voted: That the report be received and the committee discharged.

Mr. Warren A. Peirce, of the committee under vote of the Town passed April 4, 1928, to make a comprehensive study of a community or other building as a memorial to commemorate the services and sacrifices of persons who served in the World War, made a report of progress, asking for further time.

On motion of G. Bertram Washburn:

Voted: That the report be received.

Hollis M. Gott, Chairman of the Committee on Construction of the Fire Station on Massachusetts Avenue on the site of the old Highland Fire Station, read the

following report and requested that the committee be discharged:

"March 20, 1930.

The committee appointed by the Moderator subsequent to the annual Town meeting of 1928, to construct a fire station on the site of the old Highland Station on Massachusetts Avenue, opposite Walnut Street, submits its final report:

At the annual town meeting held March 28, 1928, it was voted (unanimously):

That there be and hereby is appropriated the sum of sixty thousand ($60,000) dollars for the purpose of constructing a building to be used for an engine house upon land of the Town on the northerly side of Massachusetts Avenue and now occupied by the Highland Hose House so called; that for this purpose fifteen thousand ($15,000) dollars be raised by general tax, and for the balance, forty-five thousand ($45,000) dollars, the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the said sum of forty-five thousand ($45,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws, and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further, that said appropriation be expended under the direction of a committee of five to be appointed by the Moderator, said committee to have full authority to construct said building within the sum herein appropriated, substantially in accordance with plans presented at this meeting, and with power to fill any vacancy in said committee.

At the annual town meeting of 1929, it was voted (unanimously): that the sum of thirty-one hundred ($3100) dollars be and hereby is appropriated for walks and drives upon, and the grading of, the grounds of the Highland Hose House, so called, situated on Massachusetts Avenue; said sum to be raised by general tax and expended under the direction of the committee appointed to construct an engine house on said land under vote passed March 28, 1928.

The committee appointed by the Moderator consisted of Selectmen Hollis M. Gott, Luke A. Manning, and Arthur P. Wyman, together with ex-chief of the fire department, Walter H. Peirce, and Chief Daniel B. Tierney. On May 2, 1928, the committee organized with Hollis M. Gott, Chairman, and Chief Tierney, Secretary; on July 9, 1928, thirteen contractors submitted bids ranging from $59,120 to $79,797. The firm presenting the lowest figure asked to be excused as they had made an error in their estimate of $6,000. On July 16, 1928, a contract was signed with the Arlington Construction Company for the construction of a fire station for $54,700 according to plans and specifications submitted by George E. Robinson, Achitect.

Upon completion of the removal of the old station, construction of the new building was started on July 30th. On March 4, 1929, the first piece of apparatus was installed. On April 19, 1929, the station was dedicated to the memory of Charles Gott, Chief of the Arlington Fire Department from 1878 to 1907.

The committee considers the station one of the finest public buildings in the town of Arlington and as a fire station unsurpassed by any in the country.

The building is, in its front portion, a replica of the Old State House, Boston, and the details of its interior finish are in harmony with its colonial design.

The building has a steel frame with outer walls of water-struck brick. The floors are reinforced concrete while partitions and roofs are of gypsum blocks. The pitch roofs are covered with Vermont slate, and all flat roofing has a twenty-year guarantee Barrett specification tar and gravel covering. All flashings, gutters and conductors are of copper.

On the front of the building are three large apparatus doors, each door being equipped with specially designed hardware leading directly to the apparatus floor which is 50 feet wide by 72 feet deep without supporting columns of any kind. The apparatus room will accomodate five pieces of motor apparatus. The walls and ceiling are plastered except that there is a pressed interior brick dado four feet six inches high from the water-struck brick pilasters.

All windows are steel casements and the glazing is of colonial purple glass of A quality.

The Chief's quarters on the first floor, consisting of office, reception room, and toilet, are finished in true colonial design and furnished with exact reproductions of colonial furniture.

The second floor contains a large common room in the front center of the building with sliding poles to apparatus room. Leading off this room on one side is a small gymnasium and on the other is a library with open fireplace equipped with book shelves, on which there are at present between seven hundred and eight hundred volumes donated by friends of the department.

A kitchen and eating room also leads from the common room. Connected by a doorway from main stairway in the center of the second floor is a rotunda through which entrance can be made to all rooms on the

second floor, and off of which are convenient closets, storerooms, a large cedar closet, telephone booth and storerooms. In the center portion is located two officers' rooms, toilets and showers. Extending from the rotunda to the rear is a wide corridor on each side of which are sufficient lockers for the accommodation of the personnel. On each side of this corridor are located spacious and well ventilated dormitories.

The grounds surrounding the building, and the ramp between the building and the street harmonize with the building and are pleasing in effect.

The Committee feels that the general design of the building, the excellence of its construction and finish, together with the furnishings, have met with the approval of all who have visited the station.

There remains an unexpended balance of twenty-eight (28) dollars and forty-three (43) cents in the appropriation for the construction of the building; also, balance of four hundred sixty-four ($464) dollars and eighty-two (82) cents for the grading.

In rendering its final report the Committee requests that it may now be discharged.

Respectfully submitted,

HOLLIS M. GOTT,
LUKE A. MANNING,
ARTHUR P. WYMAN,
WALTER H. PEIRCE,
DANIEL B. TIERNEY,
Per: HOLLIS M. GOTT,
Chairman.

On motion of G. Bertram Washburn:

Voted: That the report be accepted and the committee discharged.

Nelson B. Crosby, Chairman of the Committee on Disposition of the Old Town Hall, read the following report:

"Report of the Committee on Disposition of the Old Town Hall

This committee was appointed by the Moderator on the strength of a vote of the Town on April 10, 1929, reading as follows:

Voted: 'That a Committee of five, including one member of the Planning Board, be appointed by the Moderator to investigate and make recommendations as to the disposal of the Old Town Hall, including any portion or all of the lot, by sale or otherwise, said committee to have the power to fill vacancies and to report to the Town not later than the annual meeting of 1930; and further, that the sum of $100 be appropriated for use of said committee, said sum to be raised by general tax.'

Your committee has held three meetings. On account of two of the present committee having served on a similar committee, which reported in 1928, a great deal of information was available which would otherwise have taken much time to obtain.

In view of the location of this property, the possible need of it for other municipal purposes, or the use of it in conjunction with our Town Plan, the committee is unanimous in its opinion that the Town should retain the property.

The outlay for the past three years has been

$4314.26 and the income has been $6358.02, or a difference of $2044.76.

Your committee wishes to further emphasize the fact that the building in question may have to be used at any time for municipal offices, by virtue of the expansion of all departments.

We are unanimous in the opinion that it would be fool-hardy for the Town to sell this property on the eve of its need for additional office and department use.

We recommend that the entire property be retained by the Town.

Of the appropriation of $100, we have expended 30c for stamps.

Respectfully submitted,

NELSON B. CROSBY,
LUKE A. MANNING,
THOS. J. DONNELLY,
EDITH M. STORKE,
CHAS. M. MacMILLIN, Sec."

On motion of Charles H. Higgins:

Voted: That the report be received and the committee discharged.

Lester W. Collins, member of the Planning Board and a member of the Committee appointed to investigate the Improvement of Meadowbrook Park north of the sewer viaduct, read the following report:

"Report of Special Committee on Improvement of Meadowbrook Park 1929

Under Article 54 of the Warrant for the Annual Town Meeting of 1929, held as an Adjourned Meeting

on April 10th, 1929, it was unanimously voted: 'That a committee of five citizens, including one member of the Planning Board, one member of the Board of Park Commissioners, one member of the Board of Public Works, one member of the Board of Cemetery Committee be appointed by the Moderator to investigate and make recommendations for the purpose of improving for park uses that part of Meadowbrook Park north of the sewer viaduct; and that the sum of $300 be and hereby is appropriated for the use of said Committee, said sum to be raised by general tax.'

Under date of June 13th, 1929, the following persons were appointed by the Moderator to serve on this Committee:

Lester W. Collins, Planning Board

Frank W. Wunderlich, Chairman, Park Department

Walter F. Robinson, Public Works

Warren A. Peirce, Cemetery Committee

Edward L. Shinn, At Large

Mr. Shinn, being unable to serve, Mr. Harold L. Frost was appointed to serve in his place.

After several meetings and inspections of the area, the following conclusions and recommendations are submitted:

Description: The land available for this improvement contains approximately 268,800 square feet, or 6.17 acres. It lies closely adjacent to Lower Mystic Lake, being bounded on the West and North by the curve of Mystic Valley Parkway, on the East by land of the Town under control of the Board of Cemetery Commissioners, and on the South by private land

through which a large Metropolitan sewer has been recently run closely adjacent to the Park Area.

The land is roughly rectangular in shape with a maximum width of 360 feet and a maximum length of 780 feet, the principal portion being contained roughly in a rectangle 700 feet by 320 feet.

The whole area is practically level and is composed of boggy swamp land of rich loam to considerable depth. The grade is about the same as the normal high water level of the adjacent Lake, at times only the bogs showing and in dry seasons like the Summer of 1929, dry enough to walk entirely over the whole place. It is about 2½ feet below the surface of the Boulevard.

Improvements: The Committee recommends that the improvements be accomplished in several distinct steps to be spread over at least 4 years, as follows:

Tree Protection: There now exists a considerable number of well grown trees of several varieties including Willow, Elms, Birches and several varieties of Maples. Along the South boundary is a fine growth of mature willows which should be most carefully preserved. All preserved trees should be immediately surrounded by a stout fence of 4″ x 4″ uprights set firmly to project four feet above the finished grade and connected by 1″ board not less than 3 feet from the trees. We recommend that the Public Works Department be instructed to dump no rubbish of any kind within these fences, and that the authority of the Park Commissioners over these trees be fully recognized.

Filling: The Public Works Department is now dumping on this low land a considerable regular amount of refuse and an appreciable area is already covered above the tops of the bogs. We recommend that this dumping be continued until firm ground is

formed to within twelve inches of finished grade and no higher. In placing this refuse material, we recommend that the Public Works Department be instructed to dump in accordance with the wishes of the Park Department. We suggest that placement of this refuse be accomplished by a succession of waves parallel to the exterior boundaries of the land, about 15 feet in width for each strip; the strips to be continuous until each is completed, for reasons given below. We recommend that the Park Department arrange to obtain a suitable power shovel to operate on the firm ground of each newly formed strip excavating the rich loam of the swamp and placing it on the finished firm surface to form the final twelve inches of top dressing. This shovel will insure a large supply of the richest loam for this and any other Town purposes.

Trees Planted: We recommend that the Park Department be instructed to plant, at as early date as possible, Swamp Maple Trees on Town land, not nearer than twenty feet from the traveled way of the Boulevard, forty feet apart. These spacings to be maintained regardless of existing growth. To properly plant these trees, deposits of good loam should be provided at least three feet deep and five feet in diameter. The trees should be immediately protected by fences as described above. We recommend that a banking dam with one to four slopes to the stream be formed of pure loam along the Eastern Boundary to be at least three feet thick and that willows be planted along the top and stream side of this bank at three foot intervals both ways. The brook to be deepened as necessary at this time. We urge that all possible planting be done immediately in order to gain as much growth as possible before use as a park begins.

Playground Facilities: It appears unlikely that provision need be made for adult games on this field for

anything except possible tennis. The suggestion is made that arrangements be made for the following sports:

Ice Hockey
Field Hockey
Baseball
Tennis
Football
Junior and Kindergarten Apparatus

There is adequate room for all of these activities without interference and detail location of each can be left to the discretion of the Park Department as finished area becomes available.

Ice Hockey: Recommendation as to Ice Hockey is made at this time as it is believed that provisions for this can be made at once at slight expense. We recommend that the Park Department be instructed, as soon as the condition of the ground permits, to proceed to excavate below mean high water in the Lake to allow this area to flood for freezing. This will consist of very little more than removing the growing bogs and using them to bank the rectangle.

Sucker Brook: The East boundary is formed by Sucker Brook, not at present clearly defined. We recommend that the Cemetery and Park Commissions determine to their mutual satisfaction a definite line for the Eastern Boundary.

Upon determination of this line, we recommend that the Cemetery Commission shall remove all rubbish from the location of the brook and its new west bank above described, depositing same within the area to be filled.

Kimball Brook: The area is crossed from West to

East by a small clear water brook which enters opposite the end of Kimball Road, flowing, partly in an excavated channel, into Sucker Brook.

This stream will interfere with the most efficient use of the space and it is recommended that an open trench be excavated close to the Boulevard boundary and this water be carried into the larger brook at the lowest point possible. This will also furnish clear water for the Ice Hockey Rink which probably should be located at this Northern end of the area.

Total Costs: Estimate of costs are as follows:

Tree Protection (25 trees @ $2.00)		$ 50.00
Filling (Rubbish, no cost) (10,000 cu. yds. loam from swamp to surface @ $0.60)		6,000.00
Swamp Maple Trees planted (Cost of necessary loam 2 cu. yds. at each tree, 25 trees @ $6.00)		150.00
Cost of trees (25) and planting @ $3.00		75.00
Sucker Brook Bank		1,000.00
Willow Trees at Brook		25.00
Special Preparation for Playground Facilities:		
Ice Skating	$ 300.00	
Field Hockey	100.00	
Baseball	100.00	
Tennis (2)	2,000.00	
Football	100.00	
Junior App.	500.00	
Total	———	3,100.00

Rubbish Removal from Brook....	200.00	
Kimball Brook Diversion.....	150.00	
12 Benches	250.00	
Locker Building and Toilets....	2,500.00	
Water and Sewer.....	500.00	
Total $14,000.00		

Annual Expenditures: We recommend that annual expenditures be allocated as follows:

1930—To Tree Protection.....$	50.00	
Swamp Loam Handling (¼ of area)	1,500.00	
Swamp Maple Trees Planted	225.00	
Sucker Brook Bank.....	1,000.00	
Cleaning	200.00	
Willow Trees	25.00	
Ice Skating Area.....	300.00	
Brook Diversion	150.00	
		$3,450.00
1931—To Swamp Loam Handling (¼ area)	1,500.00	
Tennis Courts	2,000.00	
Junior Apparatus	500.00	
Water and Sewer.....	500.00	
		4,500.00
1932—To Loam Handling (¼ of area)	1,500.00	
Field Hockey	100.00	
Baseball	100.00	
Football	100.00	
Locker Building & Toilets	2,500.00	
		4,300.00
1933—To Loam Handling (¼ area)	1,500.00	
Benches	250.00	
		1,750.00
Total		$14,000.00

This report is respectfully submitted with the suggestion that the recommendations be carried out under the supervision of the Park Department.

F. W. WUNDERLICH, Chairman"

Mr. Collins emphasized the recommendation relative to dumping by the Public Works Department.

On motion of G. Bertram Washburn:

Voted: That the report be received and the committee discharged:

The Moderator, Curtis H. Waterman, expressed to the members of these various discharged committees the thanks and appreciation of the citizens and Town Meeting Members for their time and labor so generously given.

On motion of Arthur P. Wyman:

Voted: That the reports of the Selectmen and various Town Officers, as presented in the Town Report, together with the additions of the Table of Statistics of Assessors and Committees heretofore appointed, be accepted.

On motion of G. Bertram Washburn:

Voted: That the report of the Finance Committee be received.

On motion of G. Bertram Washburn:

Voted: That Article 3 be laid on the table.

On motion of G. Bertram Washburn:

Voted: That the remaining articles in the Warrant be now taken up, and that the recommendations of the

Finance Committtee under the various articles as presented in their printed report be considered as now before the meeting to be acted on without further motion, respectively and in the order in which they appear in said Warrant.

Article 4 taken up. (Town Outlays and Expenses.)

Voted (Unanimously): That sums be appropriated **to defray Town expenses for the year 1930,** to be expended as detailed under the direction of the respective department heads, as follows:

GENERAL GOVERNMENT

1. Finance Committee (Finance Committee)			
Salaries	$900.00		
(Chairman, $250; Secretary, $50; Clerk, $600)			
Expenses	600.00		
		$1,500.00	
Reserve Fund	15,000.00		
			$16,500.00
2. Board of Appeal (Board of Selectmen)			
Salaries and Expenses	$600.00		
3. Selectmen (Board of Selectmen)			
Salaries of the Board	$2,000.00		
(Chairman, $800; Others, $600 each)			
Other Salaries and Expenses	5,309.00		
(Clerk of Board, $2,000; Other Salaries, $1,534)			
Contingent Expenses	500.00		

On substitute motion of Hollis M. Gott:		
For publishing, printing and/or delivering of any or all by-laws of the Town	350.00	
		$8,159.00
4. Accountant (Board of Selectmen)		
Salary of Accountant	$3,500.00	
Other Salaries and Expenses	1,275.00	
		$4,775.00
5. Treasurer (Treasurer)		
Salary of Treasurer.....	$3,200.00	
Other Salaries and Expenses	930.00	
		$4,130.00
6. Collector (Collector of Taxes)		
Salary of Collector.....	$3,500.00	
Other Salaries and Expenses	8,400.00	
(Salaries, $5,700)		
		$11,900.00
7. Assessors (Board of Assessors)		
Salaries of the Board, ($1,200 each)	$3,600.00	
On substitute motion of Augustus J. Power 89 voting in favor and 88 in opposition:		
Other Salaries and Expenses	11,505.00	
(Salaries, $8,500; Expenses, $3.005)		
		$15,105.00

8. Legal (Board of Selectmen)

Salary of Town Counsel	$2,000.00	
Expenses:		
Legal expenses, including, among others, expenses relating to the prosecution, defense or settlement of actions or claims by, against or involving the interests of the Town or relating to matters for which there have been or may be special appropriations	38,350.00	
		$40,350.00

9. Town Clerk (Town Clerk)

Salary of Town Clerk	$3,500.00	
Other Salaries and Expenses (Salaries, $2,704)	3,474.00	
		$6,974.00

10. Board of Public Works, General Administration (Board of Public Works)

Salaries of the Board (Chairman, $800; Others, $600 each)	$2,000.00	
Other Salaries and Expenses (Salaries, $9,580)	11,580.00	
		$13,580.00

11. Engineering (Joint Board of Selectmen and Board of Public Works)

Salary of Town Engineer	$3,900.00	
Salary of Assistant Town Engineer	2,600.00	
Other Salaries and Expenses ..... (Special Plans for Use of Department, $800) (Plans for Sewer and Storm Drains System, $300)	10,340.00	
Reproducing Plans	3,500.00	
		$20,340.00

12. Elections and Town Meetings (Board of Selectmen)

Salaries and Expenses .. (Registrars, $600)	$7,265.00	

13. Planning Board (Planning Board)

Salaries and Expenses	$400.00	
Special Engineering; the additional sum of	200.00	
		$600.00

14. Board of Survey (Joint Board of Selectmen and Board of Public Works)

Salary of Clerk.....	$800.00	
Other Salaries and Expenses ..... (Salaries, $1,200)	1,500.00	
		$2,300.00

15. Robbins Memorial Town Hall (Board of Selectmen)

Salaries	$5,428.00	
Maintenance of Building. (Fuel and Lighting, $3,550; Repairs and Maintenance, $6,289)	11,039.00	
Maintenance of Grounds..	1,360.00	
		$17,827.00

PROTECTION OF PERSONS AND PROPERTY

16. Police Department (Board of Selectmen)

Salaries ..... (Chief, $3,200)	$96,425.75	
Expenses ..... (Expenses and Equipment, $4,475; Automobile Maintenance, $2,000; Maintenance of Building, $1,575)	7,850.00	
Expenses incurred outside the Commonwealth as described in General Laws, Chapter 40, Section 5, Paragraph 34..	200.00	
		$104,475.75

17. Fire Department (Board of Selectmen)

Salaries (Chief, $3,200)	$94,351.50	
Expenses (Expenses and Equipment, $8,245; Maintenance of Buildings and Grounds, $3,600)	11,845.00	
New apparatus	3,400.00	
Expenses Incurred Outside Commonwealth as Described in General Laws, Chapter 40, Section 5, Paragraph 34..	200.00	
		$109,796.50

Fire and Police Signal System—From May 1, 1930

Salaries (Salary of Superintendent, $1,667)	$2,200.00	
Maintenance of System..	2,572.00	
Additional Fire and Police Boxes	3,360.00	
		$8,132.00

Voted (Unanimously): That the laying out of a town way from Alton Street to Compton Street substantially in the location of the private way known as Belton Street, as more particularly described in Article 12 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 13 taken up. (Coleman Road)

Voted (Unanimously): That the laying out of a town way from Massachusetts Avenue to Moulton Road substantially in the location of the private way known as Coleman Road, as more particularly described in Article 13 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 14 taken up. (Compton Street)

Voted (Unanimously): That the laying out of a town way from Belton Street to Alton Street, substantially in the location of the private way known as Compton Street, as more particularly described in Article 14 of the Warrant, under the provisions of law authorizing

the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 15 taken up. (Dow Avenue)

Voted (Unanimously): That the laying out of a town way from Appleton Street to Rhinecliff Street substantially in the location of the private way known as Dow Avenue, as more particularly described in Article 15 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 16 taken up. (Exeter Street)

Voted (Unanimously): That the laying out of a town way from Rawson Road to Park Street, substantially in the location of the private way known as Exeter Street, as more particularly described in Article 16 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 17 taken up. (Fairview Avenue)

Voted (Unanimously): That the laying out of a town way from Mystic Street to Mystic Bank substantially in the location of the private way known as Fairview Avenue, as more particularly described in Article 17 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported

by the Joint Board of Selectmen and Board of Public Works, be not accepted.

Article 18 taken up. (Field Road)

Voted: That the laying out of a town way from Wildwood Avenue to Gloucester Street substantially in the location of the private way known as Field Road, as more particularly described in Article 18 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be not accepted.

Article 19 taken up. (Hamlet Street)

Voted (Unanimously): That the laying out of a town way from Newton Road to Franklin Street substantially in the location of the private way known as Hamlet Street, as more particularly described in Article 19 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 20 taken up. (Herbert Road)

Voted: That the laying out of a town way from Lake Street to Fairmont Street substantially in the location of the private way known as Herbert Road, as more particularly described in Article 20 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be not accepted.

Article 21 taken up. (Higgins Street)

Voted (Unanimously): That the laying out of a town way from Bowen Street to Robbins Road substantially in the location of the private way known as Higgins Street, as more particularly described in Article 21 of the Warrant, under the provisions of law authoriz-

ing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 22 taken up. (Inverness Road)

Voted (Unanimously): That the laying out of a town way from Aberdeen Road four hundred thirty (430) feet southerly substantially in the location of the private way known as Inverness Road, as more particularly described in Article 22 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 23 taken up. (Iroquois Road)

Voted (Unanimously): That the laying out of a town way from Bonad Road to High Haith Road substantially in the location of the private way known as Iroquois Road, as more particularly described in Article 23 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 24 taken up. (Jean Road)

Voted (Unanimously): That the laying out of a town way from Medford Street to Franklin Street substantially in the location of the private way known as Jean Road, as more particularly described in Article 24 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint

Board authorized to take land for the purpose of said way.

Article 25 taken up. (Lockeland Avenue)

Voted: That the laying out of a town way from Massachusetts Avenue to Gray Street substantially in the location of the private way known as Lockeland Avenue, as more particularly described in Article 25 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be not accepted.

Article 26 taken up. (Moulton Road)

Voted (Unanimously): That the laying out of a town way from Trent Street to Mt. Vernon Street substantially in the location of the private way known as Moulton Road, as more particularly described in Article 26 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 27 taken up. (Richardson Avenue)

Voted (Unanimously): That the laying out of a town way from Appleton Street to Massachusetts Avenue substantially in the location of the private way known as Richardson Avenue, as more particularly described in Article 27 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 28 taken up. (Trent Street)

Voted: That the laying out of a town way from

Lockeland Avenue to Highland Avenue substantially in the location of the private way known as Trent Street, as more particularly described in Article 28 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be not accepted.

Article 29 taken up. (Valentine Road)

On the substitute motion of Arthur P. Wyman:

Voted (Unanimously): That the laying out of a town way from Appleton Street to a point approximately two hundred (200) feet southwesterly substantially in the location of the private way known as Valentine Road, as more particularly described in Article 29 of the Warrant, under provisions of law authorizing the assessment of betterments as made and reported by the Joint Board of Selectmen and Board of Public Works be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 30 taken up. (Waldo Road)

Voted (Unanimously): That the laying out of a town way from Windsor Street to Amsden Street substantially in the location of the private way known as Waldo Road, as more particularly described in Article 30 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

Article 31 taken up. (Construction of Accepted ways)

Voted (Unanimously): That the sum of one hundred and twelve thousand five hundred fifty and 58/100

(112,550.58) dollars be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of seventy-five thousand nine hundred sixty-seven and 54/100 (75,967.54) dollars be raised by general tax, the sum of seven hundred fifty-four and 60/100 (754.60) dollars being the available unexpended balance of the 1928 street construction appropriation and the sum of thirty-five thousand eight hundred twenty-eight and 44/100 (35,828.44) dollars of the available unexpended balance of the 1929 street construction appropriation be taken from said street construction appropriations now available in the treasury; and further that the said sum of one hundred and twelve thousand five hundred fifty and 58/100 (112,550.58) dollars be expended under the direction of the Board of Public Works, substantially as follows, except that such amounts thereof not exceeding a total of one thousand (1000) dollars, as may be awarded as damages by the Joint Board of Selectmen and Board of Public Works shall be expended under the direction of the said Joint Board:

Aberdeen Road	(Article 11)	$	6,671.41
Belton Street	(Article 12)		4,897.35

Richardson Avenue	(Article 27)	$7,105.15
Valentine Road	(Article 29)	3,587.13
Waldo Road	(Article 30)	3,521.14
		$112,550.58

Meeting adjourned at 11:40 P. M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

ADJOURNED MEETING

Arlington, April 2, 1930.

Pursuant to the vote of adjournment on March 26, 1930, the Town Meeting Members met in the Town Hall on Wednesday April 2, 1930, notices having been sent by mail by the Town Clerk seven days before the meeting and posted at two places in each precinct. A notice was published in the local paper.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Albert K. Peirce and James E. Sweeney.

The Check Lists filed with the Town Clerk at the close of the meeting showed that two hundred and two attended the meeting.

The meeting was called to order at eight o'clock by the Town Clerk, E. Caroline Pierce.

Town Meeting Members not already sworn were sworn by the Town Clerk.

Moderator Curtis H. Waterman was unavoidably absent from this meeting. In accordance with the pro-

visions of the Limited Town Meeting Act, the Town Meeting Members proceeded to elect a Moderator Pro Tem by ballot. Arthur P. Wyman nominated Frederick W. Hill as Moderator Pro Tem.

There being no further nominations,

On motion of Arthur P. Wyman, it was

Voted: That the nominations be closed and the meeting proceed to ballot.

Messrs. J. Howard Hayes, Walton H. Sears, and Elliott R. Barker acted as tellers. Frederick W. Hill received ninety votes, William C. Drouet received one vote, and Chester E. Hoyt received one vote. The Town Clerk declared Frederick W. Hill elected Moderator Pro Tem, and he was sworn to the faithful performance of his duties.

On motion of Arthur P. Wyman:

Voted: That if the business calling this meeting is not disposed of on this date, the meeting adjourn to Wednesday evening, April 9, 1930, at eight o'clock.

On motion of G. Bertram Washburn:

Voted: That Article 32 be taken up.

Article 32 be taken up. (Acquisition of Easements.)

Voted (Unanimously): That the Joint Board of Selectmen and Board of Public Works be and hereby is authorized and empowered on behalf of the Town, to purchase or take by eminent domain or otherwise acquire, easements in lands adjoining the locations of ways, the laying out of which is accepted at this meeting consisting

of the right to have the lands of said locations protected by having the surface of such adjoining lands slope from the boundaries of said locations; that for this purpose the sum of two thousand (2,000) dollars be and hereby is appropriated, and that said sum be transferred from the amount unexpended of the appropriation for the acquisition of similar easements under Article 30 of the Warrant for the Annual Meeting of 1928, and further that said sum be expended under the direction of said Joint Board.

Article 33 taken up. (Appropriations—Committee on Additional School Accommodations.)

William C. Drouet offered a motion that this article be laid on the table. The motion was lost.

Voted: That the additional sum of $100 be and hereby is appropriated for the use of the Committee appointed under vote passed April 5, 1926, to investigate and consider the matter of additional school accommodations.

Article 34 taken up. (Land for School Purposes.)

Earl A. Ryder, of the Committee on Additional School Accommodations, offered a substitute motion which being placed before the meeting was lost.

Voted (Unanimously): That the Town do not acquire by purchase, eminent domain or otherwise, for school purposes, all or any portion or portions of certain parcels of land situated in Arlington and more particularly described in paragraphs A, B and C of Article 34 of the Warrant, and that no appropriation be made under said Article.

Article 35 taken up. (Committee—Plans for Elementary School, Pheasant Avenue.)

On substitute motion of Earl A. Ryder:

Voted: That a committee of five, including the Building Inspector, be appointed by the Moderator to secure plans and estimates for the construction of an elementary school building capable of enlargement on land owned by the Town on Pheasant Avenue, said committee to have the power to fill vacancies and to report to the Town not later than the annual meeting of 1932, and further that the sum of $500 be appropriated for the use of said committee, said sum to be raised by general tax.

Committee appointed:

Charles L. Shedd, 116 Jason Street,
Joseph L. Duffy, 190 Pleasant Street,
Edward L. Shinn, 74 Florence Avenue,
Carl H. Bunker, 81 Hillside Avenue,
William Gratto, 33 Russell Street.

Article 36 taken up. (Committee—Plans for Elementary School, Eastern Avenue.)

On substitute motion of Earl A. Ryder:

Voted: That a committee of five, including the Building Inspector, be appointed by the Moderator to secure plans and estimates for the construction of a fourteen room elementary school building capable of enlargement on land owned by the Town on Eastern Avenue, said committee to have the power to fill vacancies and to report to the Town not later than the annual meeting of 1931; and further that the sum of $1000 be appropriated for the use of said committee, said sum to be raised by general tax.

Committee appointed:

Jacob Bitzer, 22 Fessenden Road,
James J. Golden, Jr., 121 Webster Street,
Arthur W. Sampson, 21 Cliff Street,
Harold M. Estabrook, 12 Inverness Road,
William Gratto, 33 Russell Street.

Article 37 taken up. (Peirce School—Alterations, Grading, etc.)

Voted: That the additional sum of six thousand five hundred (6,500) dollars be and hereby is appropriated for alterations of the present Peirce School building, and for walks and drives upon, and the grading of the grounds of said school; and that said sum be raised by general tax and expended under the direction of the committee appointed under vote of the Town passed March 28, 1928, to procure plans and specifications for the construction of an eight room addition to the present Peirce School building and estimates of costs.

On motion of G. Bertram Washburn:

Voted: That Article 3 be taken from the table.

Elliott R. Barker, of the committee under vote of April 10, 1929 to secure plans and estimates for a new High School building, offered the report of the committee, and

On motion of Elliott R. Barker, it was
Voted: That the report be received.
On motion of G. Bertram Washburn:
Voted: That Article 3 be laid on the table.
Article 38 taken up. (High School Building.)

Mr. Barker with the consent of the meeting showed plans on the screen of a new High School Building.

The following substitute motion was offered by Mr. Barker:

That the sum of three hundred and twenty-five thousand (325,000) dollars be and hereby is appropriated for the construction of a building or buildings, including the cost of original equipment and furnishings of said building or buildings, to be used for High School purposes, upon land of the Town, bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly by land now or formerly of the Frost Insecticide Company, southwesterly by land now or formerly of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella, and southeasterly by said Gardella land, being the land described in Article 38 of the Warrant; that for this purpose the sum of sixty-five thousand (65,000) dollars be raised by general tax, and for the balance two hundred and sixty thousand (260,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of two hundred and sixty thousand (260,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen (15) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the committee appointed under vote of the Town passed April 10, 1929 under Article 43 of the warrant for the annual meeting of 1929, to procure plans and estimates for a new High School building, said committee to have full authority to construct said school building within the sum herein appropriated and power to fill any vacancy in said committee.

That it is the sense of the meeting that the project as recommended be carried out in full and that the Selectmen be authorized and directed to petition for legislation to authorize the borrowing of two hundred twenty-five (225,000) dollars outside the debt limit for school purposes.

On motion of Nelson B. Crosby:

Voted: That Article 38 be laid on the table.

Article 39 taken up. (Unpaid Bills—School Department.)

On substitute motion of Clarence Needham, Town Accountant:

Voted: That the sum of ninety-five and 66/100 (95.66) dollars be and hereby is appropriated for the payment of unpaid bills of the School Department for expenses incurred in travel outside the commonwealth in 1929 in securing information upon matters in which the Town is interested and which might tend to improve the service in such department; and that said sum be raised by general tax and expended under the direction of the School Committee.

At this time Elliott R. Barker served notice that at the Adjourned Town Meeting he should ask for a reconsideration of Article 38.

Article 40 taken up. (State-aided Vocational Education.)

A substitute motion was offered by M. Norcross Stratton and being placed before the meeting was lost.

Voted: That the Town do not vote to authorize the School Committee to establish and maintain State-aided

vocational education in accordance with the provisions of Chapter 74, General Laws and Acts mandatory thereto or dependent thereon.

Article 41 taken up. (Sidewalk on Summer Street Boulevard)

Voted: That the Town do not reconstruct with granolithic or other material, all or any portion of the sidewalk on the northerly side of Summer Street Boulevard from Overlook Road to Forest Street nor make an appropriation therefor.

Article 42 taken up. (Improvement of Playground —rear of High School)

Voted: That the sum of $10,000 be and hereby is appropriated for the improvement, development and use of the playground situated between the "High School Lot" and the land of the Boston and Maine Railroad, and that said sum be raised by general tax and expended under the supervision of the Board of Park Commissioners.

Article 43 taken up. (Sidewalk on Massachusetts Avenue—Academy Street, to Library)

Voted: That the Town do not reconstruct with granolithic or other material, all or any portion of the sidewalk on the southerly side of Massachusetts Avenue from Academy Street to the Library Driveway.

Article 44 taken up. Improvement of Meadow Brook Park)

Voted: That the sum of three thousand four hundred and fifty (3,450) dollars be and hereby is appropriated for the improvement of all or any portion of

Meadow Brook Park and particularly of the portion thereof which is north of the sewer viaduct; and that said sum be raised by general tax and expended under the direction of the Board of Park Commissioners.

Article 45 taken up. (Appropriation—Massachusetts Bay Tercentenary)

Voted: That the sum of forty-five hundred (4,500) dollars be and hereby is appropriated for the observance and celebration of the tercentenary of the founding of the Massachusetts Bay Colony, said sum to be raised by general tax and to be expended under the direction of the "Massachusetts Bay Tercentenary Committee" appointed by the Board of Selectmen.

Article 46 taken up. (National Convention of American Legion)

On substitute motion of G. Bertram Washburn:

Voted: That the sum of two thousand five hundred (2500) dollars be and hereby is appropriated for the purpose of providing proper facilities for public entertainment at the time of the national convention of The American Legion, to be held in Boston during the current year, and of paying expenses incidental to such entertainment; and that said sum be raised by general tax and expended under the direction of the Selectmen.

Article 47 taken up. (Repairs and Additions to Robbins Library Building)

Voted: That the sum of ninety thousand (90,000) dollars be and hereby is appropriated for repairs and/or additions without auditorium to the Robbins Library building including the cost of original equipment and furnishings, said appropriation to be raised by general

tax and to be expended under the direction of the committee appointed under vote of the Town passed April 10, 1929 to procure plans and estimates for repairs and additions to the Robbins Library building.

Article 48 taken up. (Cemetery Chapel)

Warren A. Peirce, Chairman of the Board of Cemetery Commissioners, addressed the meeting relative to the erection of a building for chapel, office, and storehouse purposes in Mount Pleasant Cemetery, offering a substitute motion.

Robert M. Boyd of Precinct 5 spoke endorsing the substitution and informed the meeting that it was the unanimous opinion of the members in his precinct that the building in Mount Pleasant Cemetery should be built at this time.

G. Bertram Washburn explained the attitude of the Finance Committee.

Thomas F. Good spoke strongly endorsing Mr. Peirce's substitution.

Carolyn B. Reed strongly endorsed the substitution, asking that a unanimous vote be given.

Voted (Unanimously): That the sum of twenty-six thousand five hundred (26,500.00) dollars is hereby appropriated for the purpose of constructing a building in Mount Pleasant Cemetery to be used as Office, Storehouse, and Chapel, and for any other purpose including the cost of equipment and furnishing. The same to be raised by general taxation said appropriation to be expended under direction of the Cemetery Commissioners.

Article 49 taken up. (Land for Park or Playground Purposes)

Voted (Unanimously): That the Board of Park Commissioners be and hereby is authorized and empowered, on behalf of the Town, to purchase or take in fee by eminent domain or otherwise acquire, for the purpose of a public park, two certain parcels of land within the Town, and the building or buildings thereon, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights or easements of way therein, within the area described in Article 49 of the Warrant, and bounded and described as follows:

Parcel 1.

Beginning at a point on the southerly side line of Summer Street, said point being 50 feet easterly of the intersection of the easterly property line of land now or formerly of Charles McKenna and said southerly side line of Summer Street, thence southerly through land now or formerly of Elsa V. Johnson, a distance of 352 feet, more or less, to the division line between land now or formerly of Josephine Whitaker and land now or formerly of Montanus K. and Lena C. Nash, thence westerly by said land now or formerly of Montanus K. and Lena C. Nash, a distance of 100 feet to an angle point, thence southerly by said land now or formerly of Montanus K. and Lena C. Nash, a distance of 17 feet to land now or formerly of Eva B. Blaisdell, Frank T. and Helen P. Bennett, thence westerly by said land now or formerly of Eva B. Blaisdell, Frank T. and Helen P. Bennett and land now or formerly of Kate M. Gratto and land now or formerly of James P. Parmenter, a distance of 230.5 feet to a granite post, thence southwesterly by said land now or formerly of James P. Parmenter, a distance of 111 feet to a granite post, thence continuing southwesterly by said land now or formerly of James P. Parmenter, a distance of 54.05 feet to the northerly side line of Russell Street, thence westerly on said northerly

side line of Russell Street extended, a distance of 42.3 feet to land now or formerly of the Boston & Lowell Railroad Company, thence northeasterly by said land now or formerly of the Boston & Lowell Railroad Company, a distance of 79.80 feet to land now or formerly of Maude L. Wood, thence southeasterly by said land now or formerly of Maude L. Wood, a distance of 10.97 feet to an angle point, thence northeasterly by land now or formerly of Maude L. Wood, a distance of 100 feet to an angle point, thence northwesterly by said land now or formerly of Maude L. Wood, a distance of 159.55 feet to an angle point, thence southwesterly by said land now or formerly of Maude L. Wood, a distance of 40 feet to land now or formerly of the Boston & Lowell Railroad Company, thence westerly a distance of 95.15 feet, northwesterly a distance of 61.58 feet, southwesterly a distance of 68.2 feet, southwesterly a distance of 71.33 feet and westerly a distance of 213 feet, and northwesterly a distance of 51.43 feet, all by land now or formerly of the Boston & Lowell Railroad Company to land now or formerly of John R. Foster, thence northeasterly by said land now or formerly of John R. Foster, a distance of 62.5 feet to land now or formerly of Heirs of Albert Winn, thence easterly by said land now or formerly of Heirs of Albert Winn, a distance of 35 feet to an angle point, thence northeasterly by said land now or formerly of Heirs of Albert Winn, a distance of 166 feet to a granite post, thence easterly by said land now or formerly of Heirs of Albert Winn, a distance of 244.48 feet to a granite post, thence continuing easterly by land now or formerly of Heirs of Albert Winn, a distance of 150.43 feet to a granite post, thence northeasterly by said land now or formerly of Heirs of Albert Winn, a distance of 235 feet, more or less, to a granite post at land now or formerly of Charles McKenna, thence southeasterly and easterly by said land now or formerly of Charles McKenna, a distance of 123.45 feet to a granite post, the last four described courses all being along the high

water line of Fowle's Pond, so called, thence northeasterly by said land now or formerly of Charles McKenna, a distance of 20.55 feet to an angle point, thence northerly by said land now or formerly of Charles McKenna, a distance of 38.91 feet to the southerly side line of Summer Street, thence easterly on said southerly side line of Summer Street, on a curve to the left with a radius of 272.04 feet, a distance of 8.84 feet to a stone bound at a point of tangency in said southerly side line of Summer Street, thence northeasterly on said southerly side line of Summer Street, a distance of 41.16 feet to the point of beginning, containing about 256,440 square feet.

Parcel 2.

Beginning at a point on the southerly side line of Summer Street at the division line between land now or formerly of Heirs of Albert Winn and land now or formerly of Charles McKenna, thence westerly on said southerly side line of Summer Street by various courses and curves, a distance of 755 feet, more or less, to land now or formerly of John R. Foster, thence southerly by said land now or formerly of John R. Foster on a stone wall as it now stands, a distance of 100 feet, more or less, to an angle point in said wall, thence continuing southwesterly on the stone wall, as it now stands, a distance of 90 feet, more or less, to land now or formerly of Elsa V. Johnson, thence easterly by said land now or formerly of Elsa V. Johnson, a distance of 35 feet to an angle point, thence northeasterly by said land now or formerly of Elsa V. Johnson, a distance of 166 feet to a granite post, thence easterly by said land now or formerly of Elsa V. Johnson, a distance of 244.48 feet to a granite post, thence continuing easterly a distance of 150.43 feet by said land now or formerly of Elsa V. Johnson to a granite post, thence northeasterly and easterly a distance of 235 feet, more or less, to a granite post at land now

or formerly of Charles McKenna, the last three described courses being along the high water line of Fowle's Pond, so called, thence northerly by said land now or formerly of Charles McKenna, a distance of 41.36 feet to the point of beginning, containing about 65,170 square feet. That for the purpose of such purchase, taking or acquisition, the sum of thirteen thousand (13,000) dollars be and hereby is appropriated, and that said sum be raised by general tax and expended under the direction of the Board of Park Commissioners.

Article 50 taken up. (Repair of Dam at Fowle's Pond)

On substitute motion of Walton H. Sears:

Voted: That the sum of six hundred (600) dollars be and hereby is appropriated for the temporary repair of the dam at Fowle's Pond, so called if and when the Town has acquired said dam; and that said sum be raised by general tax and expended under the direction of the Board of Park Commissioners.

Article 51 taken up. (Gift of Land to the Town by Arlington Gas Light Company)

Voted (Unanimously): That the Town accept a gift of a parcel of land containing 1.64 acres more or less bounded easterly by Grove Street, being the same land mentioned in Article 51 of the Warrant and in the offer of the Arlington Gas Light Company, for public park purposes; and authorize the Board of Park Commissioners to agree with said Company as to the provisions of the deed of said parcel; that the sum of $350 be and hereby is appropriated for the amount of expenses incurred in connection with the title, survey and plans of said parcel; that said sum be expended under the direction of the Board of Park Commissioners, and

further that the thanks of the Town be sent by the Town Clerk to said Company for its gift.

Article 52 taken up. (Cleaning Sucker Brook)

Voted: That the Town do not make an appropriation to clean Sucker Brook as called for in Article 52 of the Warrant.

Article 53 taken up. (Platform for Outdoor Use)

Voted: That the sum of four hundred (400) dollars be and hereby is appropriated for a platform and/or stand for outdoor use in connection with matters for which the Town has authority to make an appropriation; and that said sum be expended under the direction of the Board of Selectmen.

Article 54 taken up. (Painting of Parking Stalls)

Voted: That the sum of five hundred (500) dollars be and hereby is appropriated for painting Parking Stalls on Massachusetts Avenue through the business section of the Center from Central Street to Medford Street on the northerly side; from Pleasant Street to Avon Place on the southerly side; also from Winter Street to Marathon Street on the northerly side and from Lake Street to Melrose Street on the southerly side; and that said sum be expended under the direction of the Board of Selectmen.

Article 55 taken up. (Revising Boundaries of Voting Precincts)

Voted: That the Districting Board be and hereby is directed to review and, if need be, wholly or partly revise, the boundaries of the voting precincts of the Town in December 1930, and that the sum of $250 be and hereby is appropriated for the use of said Board.

Article 56 taken up. (Through Ways)

Voted (Unanimously): That the Town designates as a "through way," as provided in Section 9 of Chapter 89 of the General Laws as amended, each and every one separately of the following ways; Massachusetts Avenue from the Lexington town line to the Cambridge city line, Broadway from Massachusetts Avenue to the Somerville city line, Medford Street from Massachusetts Avenue to the Medford city line, Mystic Street from Massachusetts Avenue to the Winchester town line, and Pleasant Street from Massachusetts Avenue to the Belmont town line.

Article 57 taken up. (Renting of Boats or Bathing Suits)

Voted: That any and all persons be and hereby are prohibited from carrying on the business of renting boats or bathing suits, for use upon or in so much of the waters of any great pond as is situated within the Town, without first obtaining a license so to do from the Selectmen; and further that the fee for every such license shall be such sum not exceeding five dollars as the Selectmen shall determine.

Article 58 taken up. (Committee on Bathing Facilities)

Voted: That the Town do not appoint a committee to investigate the needs and possibilities of developing the bathing facilities at the Arlington Heights Reservoir and Spy Pond.

Article 59 taken up. (Leasing of Town's Buildings)

Voted: That the Selectmen be and hereby are authorized to let or lease for not more than five years, on such terms as they determine, all or any portion of the Menotomy Hall building, the building at the corner of

Park Avenue and Paul Revere Road and/or any other building or premises owned by the Town, except schoolhouses and except as otherwise provided by law.

Article 60 taken up. (Zoning By-Law—Mount Vernon Street)

Walton H. Sears, Chairman of the Planning Board, reported for the Planning Board on this article and on his motion, it was

Voted (Unanimously): That the Town's Zoning By-Law be and hereby is amended by altering the zoning map therein referred to so as to include in a General Residence District all of the area, on the Northwesterly side of Mount Vernon Street now included in the Single Residence District, bounded and described as follows: Southeasterly by Mt. Vernon Street; Southwesterly by Gray Street; Northwesterly by a line 175 feet from and parallel to Mount Vernon Street; and Northeasterly by Albermarle Street.

Article 61 taken up. (Zoning By-Law—Lake Street and Wilson Avenue)

Walton H. Sears, Chairman of the Planning Board, reported for the Planning Board on this article and made the following motion:

That the Town's Zoning By-Law be not amended by altering the Zoning Map therein referred to so as to include in a Business District the area described as follows: Beginning at the corner of Lake Street and Wilson Ave., and running easterly along side line of Lake Street to the land now or formerly owned by Jennie E. Lyons; then turning southerly along said land of Jennie E. Lyons to a point ninety-two and one-half (92.5) feet; then turning westerly by a line running parallel to the

southerly side line of Lake Street to the easterly side line of Wilson Avenue; then turning northerly along easterly side line of Wilson Avenue to the starting point.

John J. Lyons, Jr., offered a substitute motion which being placed before the meeting was not carried.

Voted: That the Town's Zoning By-Law be not amended by altering the Zoning Map therein referred to so as to include in a Business District the area described as follows: Beginning at the corner of Lake Street and Wilson Ave., and running easterly along side line of Lake Street to the land now or formerly owned by Jennie E. Lyons; then turning southerly along said land of Jennie E. Lyons to a point ninety-two and one-half (92.5) feet; then turning westerly by a line running parallel to the southerly side line of Lake Street to the easterly side line of Wilson Avenue; then turning northerly along easterly side line of Wilson Avenue to the starting point.

Article 62 taken up. (Repairs upon Massachusetts Avenue)

Voted: That the Town do not now make an appropriation for the relocation, alteration, widening and construction of, and specific repairs upon, all or any part of that portion of the way called Massachusetts Avenue more particularly described in Article 62 of the Warrant.

G. Bertram Washburn moved that Article 38 be taken from the table.

Frank A. Woodhead addressed the meeting, saying that since Mr. Nelson Crosby who had laid Article 38 on the table had left the meeting, he felt that it should not be taken up at this time.

On motion of G. Bertram Washburn:

Voted: That this meeting adjourn.

Meeting adjourned at 11:40 P.M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

ADJOURNED MEETING

Arlington, April 9, 1930.

Pursuant to the vote of adjournment on April 2, 1930, the Town Meeting Members met in the Town Hall on Wednesday, April 9, 1930, notices having been sent by mail by the Town Clerk seven days before the meeting and posted at two places in each precinct. A notice was published in the local paper.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Albert K. Peirce and James E. Sweeney.

The Check Lists filed with the Town Clerk at the close of the meeting showed that one hundred eighty-four attended the meeting.

The meeting was called to order at 8:05 o'clock by the Moderator, Curtis H. Waterman.

Town Meeting Members not already sworn were sworn by the Moderator.

On motion of Arthur P. Wyman:

Voted: That if the remaining articles in the War-

rant calling this meeting are not disposed of on this date, the meeting when it adjourns adjourn to Wednesday evening, April 16, 1930, at eight o'clock.

On motion of Arthur P. Wyman:

Voted: That at 8.27 P.M. the Annual Town Meeting be adjourned until 8:40 P.M.

On motion of G. Bertram Washburn:

Voted: That Article 38 be taken from the table. (High School Building)

On motion of Elliott R. Barker:

Voted: That his substitute motion as offered on Article 38 at the meeting held April 2, 1930 be withdrawn.

Mr. Barker offered the following substitute motion:

That the sum of $325,000 be and hereby is appropriated for the construction of a building, with separate heating plant and with no separate manual training or shop building, to be used for High School purposes, upon land of the Town, bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly by land now or formerly of the Frost Insecticide Company, southwesterly by land now or formerly of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella, and southeasterly by said Gardella land being the land described in Article 38 of the Warrant; that for this purpose the sum of sixty-five thousand (65,000) dollars be raised by general tax, and for the balance two hundred and sixty thousand (260,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of two hundred and

sixty thousand (260,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen (15) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the committee appointed under vote of the Town passed April 10, 1929 under Article 43 of the Warrant for the annual meeting of 1929, to procure plans and estimates for a new High School building, said committee to have full authority to construct said school building within the sum herein appropriated and power to fill any vacancy in said committee.

A general discussion of the plans as offered by the committee followed.

The hour of 8:27 having arrived, the meeting recessed in order to take up the business of the Warrant for the Special Town Meeting called for April 9, 1930 at 8:30 P.M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.
To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall, in said Town on Wednesday, the 9th day of April, 1930 at 8:30 o'clock, P.M., to act on the following Articles, viz:

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will accept the establishment of exterior lines of a way from Hawthorne Avenue southeasterly in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the southerly side line of Hawthorne Avenue and the westerly side line of Cedar Avenue, thence southerly on said westerly side line of Cedar Avenue, on a curve to the right with a radius of 50 feet, a distance of 47.18 feet to a point of compound curve in said westerly side line of Cedar Avenue, thence southwesterly on said westerly side line of Cedar Avenue, on a curve to the right with a radius

of 1046.5 feet, a distance of 107 feet, more or less, to a point, thence southeasterly diagonally across said Cedar Avenue, a distance of 57 feet, more or less, to the easterly side line of Cedar Avenue, thence northeasterly on said easterly side line of Cedar Avenue, on a curve to the left with a radius of 1096.5 feet, a distance of 84.08 feet to a point of reverse curve in said easterly side line of Cedar Avenue, thence northeasterly and easterly on said easterly side line of Cedar Avenue, on a curve to the right with a radius of 25 feet, a distance of 53.64 feet to the southerly side line of Hawthorne Avenue, thence northwesterly on said southerly side line of Hawthorne Avenue, a distance of 134.38 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan showing proposed Exterior Lines of Cedar Ave., Arlington, Mass., Scale 1″=40′, March 1, 1930, James M. Keane, Town Engineer."

Article 3. To see if the Town will accept the establishment of exterior lines of a way from Massachusetts Avenue to Brooks Avenue, in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the westerly side line of Massachusetts Avenue and the southerly side line of Elmhurst Road, thence northwesterly and westerly on said southerly side line of Elmhurst Road, on a curve to the left with a radius of 15 feet, a distance of 23.46 feet to a point of tangency in said southerly side line of Elmhurst Road, thence southwesterly on said

southerly side line of Elmhurst Road, a distance of 224.88 feet to an angle point in said southerly side line of Elmhurst Road, thence continuing southwesterly on said southerly side line of Elmhurst Road, a distance of 581.98 feet to the westerly side line of Brooks Avenue, thence northwesterly across said Elmhurst Road, on the westerly side line of Brooks Avenue extended, a distance of 41.96 feet to the northerly side line of Elmhurst Road, thence northeasterly on said northerly side line of Elmhurst Road, a distance of 527.98 feet to an angle point in said northerly side line of Elmhurst Road, thence continuing northeasterly on said northerly side line of Elmhurst Road, a distance of 225.01 feet to a point of curve in said northerly side line of Elmhurst Road, thence northerly on said northerly side line of Elmhurst Road, on a curve to the left, with a radius of 15 feet, a distance of 23.66 feet to the westerly side line of Massachusetts Avenue, thence southeasterly on said westerly side line of Massachusetts Avenue, a distance of 70 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan showing Proposed Exterior Lines of Elmhurst Road, Arlington, Mass., Scale 1″=40′, March 1, 1930, James M. Keane, Town Engineer."

Article 4. To see if the Town will accept the establishment of exterior lines of a way from Wollaston Avenue northeasterly in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at a point on the westerly side line of Inverness Road, said point being 196.16 feet southwesterly

of the point of curve at Kilsythe Road, thence continuing southwesterly to lots 413, 412, 411, 410, 409, 408 and 407, a distance of 231.04 feet to the northerly side line of Peck Avenue extended, thence southeasterly on said northerly side line of Peck Avenue extended, a distance of 23.12 feet to the westerly side line of Wollaston Avenue, thence northeasterly on said westerly side line of Wollaston Avenue, a distance of 163.96 feet to the easterly side line of Inverness Road at lot 415, thence westerly, northwesterly and northerly on said easterly side line of Inverness Road, on a curve to the right with a radius of 40 feet, a distance of 102.14 feet through lots 415 and 414 into First Street, so called, thence northeasterly through said First Street, so called, a distance of 87.18 feet to a point on the easterly side line of Inverness Road, thence northwesterly across said Inverness Road, a distance of 41.92 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Inverness Road, Arlington, Mass., Scale: 1″=40′, Jan. 28, 1930, James M. Keane, Town Engineer."

Article 5. To see if the Town will accept the establishment of exterior lines of a way from Upland Road southeasterly in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the southerly side line of Upland Road and the easterly side line of Langley Road, thence westerly and southwesterly on said easterly side line of Langley Road, on a curve to

the left with a radius of 20 feet, a distance of 31.68 feet to a point of tangency in said easterly side line of Langley Road, thence southerly on said easterly side line of Langley Road, a distance of 79.76 feet to a point, thence westerly across said Langley Road, a distance of 20 feet to an angle point, thence continuing westerly across said Langley Road, a distance of 20 feet to the westerly side line of Langley Road, thence northerly on said westerly side line of Langley Road, a distance of 80.27 feet to a point of curve in said westerly side line of Langley Road, thence northwesterly and westerly on said westerly side line of Langley Road, on a curve to the left with a radius of 20 feet, a distance of 31.15 feet to the southerly side line of Upland Road, thence easterly on said southerly side line of Upland Road, a distance of 80.02 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Langley Road, Arlington, Mass., Scale 1″=40′, Feb. 28, 1930, James M. Keane, Town Engineer."

Article 6. To see if the Town will accept the establishment of exterior lines of a way from Dow Avenue southeasterly in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the southerly side line of Dow Avenue and the easterly side line of Wachusett Avenue, thence southwesterly on said easterly side line of Wachusett Avenue, on a curve to the left with a radius of 25 feet, a distance of 25.98 feet to

a point of tangency in said easterly side line of Wachusett Avenue, thence southerly on said easterly side line of Wachusett Avenue, a distance of 36.38 feet to a point of curve in said easterly side line of Wachusett Avenue, thence continuing southerly on said easterly side line of Wachusett Avenue, on a curve to the left with a radius of 2950.08 feet, a distance of 167.06 feet to a point, thence westerly a distance of 25 feet to the center line of Wachusett Avenue, thence northerly on said center line of Wachusett Avenue, a distance of 35.3 feet to a point, thence southwesterly through said Wachusett Avenue, a distance of 28 feet to the westerly side line of Wachusett Avenue, thence northerly on said westerly side line of Wachusett Avenue, on a curve to the right with a radius of 3000.08 feet, a distance of 149.36 feet to a point of reverse curve on said westerly side line of Wachusett Avenue, thence northerly and northwesterly on said westerly side line of Wachusett Avenue, on a curve to the left with a radius of 12.65 feet, a distance of 26.59 feet to the southerly side line of Dow Avenue, thence northeasterly on said southerly side line of Dow Avenue, a distance of 93.91 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Wachusett Avenue, Arlington, Mass., Scale 1″=40′, March 1, 1930, James M. Keane, Town Engineer."

Article 7. To see if the Town will accept the establishment of exterior lines of a way from Amsden Street to Teel Street, in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at a stone bound on the easterly side line of Waldo Road at its intersection with the southerly side line of Amsden Street extended, thence southeasterly on said easterly side line of Waldo Road, a distance of 22.54 feet to a point of curve in said easterly side line of Waldo Road, thence continuing southeasterly on said easterly side line of Waldo Road, on a curve to the left with a radius of 1083.81 feet, a distance of 221.69 feet to a point of compound curve in said easterly side line of Waldo Road, thence southeasterly and easterly on said easterly side line of Waldo Road, on a curve to the left with a radius of 15 feet, a distance of 23.56 feet to the northerly side line of Teel Street, thence southwesterly on said northerly side line of Teel Street, a distance of 75 feet to the westerly side line of Waldo Road, thence northeasterly and northerly on said westerly side line of Waldo Road, on a curve to the left with a radius of 15 feet, a distance of 23.56 feet to a point of tangency in said westerly side line of Waldo Road, thence northwesterly on said westerly side line of Waldo Road, a distance of 31.92 feet to a point of curve in said westerly side line of Waldo Road, thence continuing northeasterly on said westerly side line of Waldo Road, on a curve to the right with a radius of 1128.81 feet, a distance of 230.89 feet to a point of reverse curve in said westerly side line of Waldo Road, thence westerly on said westerly side line of Waldo Road, on a curve to the left with a radius of 11.59 feet, a distance of 20.38 feet to the southerly side line of Amsden Street, thence northeasterly on said southerly side line of Amsden Street extended, a distance of 59.8 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Waldo Road, Arlington, Mass., Scale 1″=40′, Jan. 28, 1930, James M. Keane, Town Engineer."

Article 8. To see if the Town will accept the establishment of exterior lines of a way from Medford

Street to Mystic Street, in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the westerly side line of Mystic Street and the northerly side line of Warren Street Extension, thence southerly and southeasterly on said northerly side line of Warren Street Extension, on a curve to the left with a radius of 36.41 feet, a distance of 43.81 feet to a point of tangency in said northerly side line of Warren Street Extension, thence continuing southeasterly on said northerly side line of Warren Street Extension, a distance of 51.26 feet to a point of curve in said northerly side line of Warren Street Extension, thence continuing southeasterly on said northerly side line of Warren Street Extension, on a curve to the right with a radius of 164.34 feet, a distance of 179.67 feet to a point of tangency in said northerly side line of Warren Street Extension, thence continuing southeasterly on said northerly side line of Warren Street Extension, a distance of 62.4 feet to a point of curve in said northerly side line of Warren Street Extension, thence continuing southeasterly on said northerly side line of Warren Street Extension, on a curve to the left with a radius of 712.99 feet, a distance of 119.72 feet to a stone bound at land of the Town of Arlington, thence southwesterly by said land of the Town of Arlington, a distance of 55 feet, more or less, to an angle point, thence continuing southwesterly by said land of Town of Arlington, a distance of 7 feet, more or less, to the southerly side line of Warren Street Extension, thence northwesterly on said southerly side line of Warren

Street Extension, a distance of 38 feet, more or less, to a point of curve in said southerly side line of Warren Street Extension, thence continuing northwesterly on said southerly side line of Warren Street Extension, on a curve to the right with a radius of 762.99 feet, a distance of 128.11 feet to a point of tangency in said southerly side line of Warren Street Extension, thence continuing northwesterly on said southerly side line of Warren Street Extension, a distance of 36.35 feet to a point of curve in said southerly side line of Warren Street Extension, thence continuing northwesterly on said southerly side line of Warren Street Extension, on a curve to the left with a radius of 126.71 feet, a distance of 163.05 feet to a point of compound curve on said southerly side line of Warren Street Extension, thence westerly and southwesterly on said southerly side line of Warren Street Extension, on a curve to the left with a radius of 24.07 feet, a distance of 38.69 feet to the easterly side line of Mystic Street, thence northwesterly on said easterly side line of Mystic Street, on a curve to the left with a radius of 422.04 feet, a distance of 58.01 feet to a point of tangency in said easterly side line of Mystic Street, thence continuing northwesterly on said easterly side line of Mystic Street, a distance of 70.10 feet to the point of beginning; also another parcel of land bounded and described as follows: beginning at the point of intersection of the northerly side line of Medford Street with the westerly property line of Mt. Pleasant Cemetery and Warren Street Extension, thence northwesterly on the easterly side line of Warren Street Extension, on a curve to the right with a radius of 30.17 feet, a distance of 41.64 feet to a point of tangency in said easterly side line of Warren Street Extension, thence northwesterly on said easterly side line of Warren Street Extension, a distance of 152 feet, more or less, to land of the Town of Arlington, thence southwesterly by said land of the Town of Arlington, a distance of 35 feet, more or less, to an angle point, thence southerly by said land of the Town

of Arlington, a distance of 76 feet, more or less, to the westerly side line of Warren Street Extension, thence southeasterly on said westerly side line of Warren Street Extension, a distance of 56 feet, more or less, to a point of curve in said westerly side line of Warren Street Extension, thence southerly and southwesterly on said westerly side line of Warren Street Extension, on a curve to the right with a radius of 30 feet, a distance of 34 feet, more or less, to a point, thence southeasterly a distance of 7 feet, more or less, to the northerly side line of Medford Street, thence easterly on said northerly side line of Medford Street, a distance of 95.71 feet, to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Warren Street Ext. Scale: 1″=40′ March 1, 1930, James M. Keane, Town Engineer."

Article 9. To see if the Town will accept the establishment of exterior lines of a way from the present end of acceptance of Wollaston Avenue southwesterly in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at a stone bound at the point of intersection of the westerly side line of West Street and the southerly side line of Wollaston Avenue, thence southwesterly on said southerly side line of Wollaston Avenue, a distance of 187.4 feet to a point on said southerly side line of Wollaston Avenue, thence northeasterly diagonally across Wollaston Avenue a distance of 92.41 feet to the northerly side line of Wollaston Avenue, thence con-

tinuing northeasterly on said northerly side line of Wollaston Avenue, a distance of 104.4 feet to a stone bound on said northerly side line of Wollaston Avenue, thence southeasterly by present accepted end of Wollaston Avenue, a distance of 60.95 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Wollaston Avenue, Arlington, Mass., Scale 1″=40′, March 1, 1930, James M. Keane, Town Engineer."

Article 10. To see if the Town will accept the establishment of building lines along the easterly and westerly sides of the way known as Mystic Street from Garden and Russell Streets to the Mystic Valley Parkway and Summer Street substantially parallel with and distant seven (7) feet from the easterly side of said way, and substantially parallel with and distant eight (8) feet from the westerly side of said way, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor, including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Proposed Building Line on the Easterly Side Of Mystic Street—

Beginning at a point on the northerly side line of Garden Street, thence northwesterly on a curve to the right with a radius of 36 feet, a distance of 20 feet, more or less, to a point of tangency, thence N. 13°-55′ W., a distance of 250.7 feet, more or less, to an angle point, thence N. 18°-10′ W., a distance of 360.73 feet to a point of curve, thence northerly on a curve to

the right with a radius of 47 feet, more or less, a distance of 51 feet, more or less, to Mystic Valley Parkway.

Proposed Building Line On The Westerly Side Of Mystic Street—

Beginning at a point on the westerly side line of Mystic Street at land of Mary A. Payne, thence northwesterly on a curve to the left with a radius of 160 feet, more or less, a distance of 35 feet, more or less, to a point of tangency, thence N. 13°-55′ W., a distance of 379.7 feet to an angle point, thence N. 18°-10′ W., a distance of 261.22 feet to a point of curve, thence northwesterly on a curve to the left with a radius of 35 feet, a distance of 50.83 feet to the southerly side line of Summer Street, as shown by red lines on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Proposed Building Lines on Mystic Street, Arlington, Mass., Scale 1″=40′, Feb. 25, 1930, James M. Keane, Town Engineer."

Article 11. To see if the Town will accept the alteration of the ways known as Franklin Street and Lewis Avenue under the provisions of law authorizing the assessment of betterments, or otherwise, from a point on said Franklin Street distant forty-seven and forty-three one hundredths (47.43) feet southerly from its junction with said Lewis Avenue to a point on said Lewis Avenue distant fifty-one and forty-seven one hundredths (51.47) feet northwesterly from its junction with said Franklin Street in said Town, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation for said alteration and the construction of said ways; determine in what manner the money shall be raised; or take any action relating thereto.

Said portions of said ways as so altered are bounded and described as follows:

Beginning at a stone bound on the southerly side line of Lewis Avenue, 51.47 feet westerly from the present intersection of the westerly side line of Franklin Street and said southerly side line of Lewis Avenue, thence southeasterly on said southerly side line of Lewis Avenue, a distance of 25.36 feet to a point of curve in said southerly side line of Lewis Avenue, thence southerly on said southerly side line of Lewis Avenue, on a curve to the right with a radius of 25 feet, a distance of 31.65 feet to the westerly side line of Franklin Street, thence southerly on said westerly side line of Franklin Street, a distance of 19.69 feet to a stone bound at the present westerly side line of Franklin Street, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Alteration Franklin St. and Lewis Ave., Arlington, Mass., Scale 1″=20′, Jan. 16, 1930, James M. Keane, Town Engineer."

Article 12. To see if the Town will accept the laying out of the Foot way from Menotomy Road to School Street substantially in the location of the private way known as Menotomy Way, as made and reported by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments, or otherwise; establish said way; make an appropriation for said laying out and construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at a point on the westerly side line of Menotomy Road, said point being 624.84 feet from a stone bound at the point of intersection of the southerly side line of Massachusetts Avenue and said westerly side line of Menotomy Road, thence northwesterly on the northerly side line of Menotomy Way a distance of 238.5 feet to

the easterly side line of School Street, thence southwesterly on said easterly side line of School Street, a distance of 6 feet to the southerly side line of Menotomy Way, thence southeasterly on said southerly side line of Menotomy Way a distance of 238.5 feet to the westerly side line of Menotomy Road, thence northeasterly on said westerly side line of Menotomy Road, a distance of 6 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Board of Survey Plan and Profile of Menotomy Way, Arlington, Mass., Scales Hor. 1″=20′, Vert. 1″=3′, Feb. 25, 1930, James M. Keane, Town Engineer."

Article 13. To see if the Town will construct an outlet storm drain from Brooks Avenue to Alewife Brook; make an appropriation for the purpose; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 14. To see if the Town will make any alterations in the basement, or otherwise, in the Robbins Memorial Town Hall Building, by constructing a vault for the storage of plans of the Engineering Department; make an appropriation therefor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 15. To see if the Town will provide for the appointment of a committee by the Board of Selectmen, to investigate and study the school system of the Town; define the powers and duties of such committee; make an appropriation for the purpose; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Finance Committee)

Article 16. To see if the Town will reserve and/or use for the purpose of a public playground or recreation

centre or as an approach or way to the existing public playground in the rear of the High School building, any portion or portions of the Town's land situated between said existing public playground and Massachusetts Avenue; determine by whom the powers conferred by section 14 of chapter 45 of the General Laws shall be exercised; make an appropriation of money for the grading and/or improvement of any such portion or portions or for all or any of the other purposes aforesaid; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Park Commissioners)

Article 17. To see if the town will petition the General Court for the modification, amendment and/or repeal of all or any portion or portions of chapter 282 of the Acts of 1896, being "An Act Relative to the Construction of a System of Sewerage for the Town of Arlington" as amended by chapter 129 of the Acts of 1904, and/or for legislation relating to assessments for the construction of sewers or other work in connection therewith; the commitment, apportionment and collection of such assessments; the payment of interest on such assessments or apportionments; the area to be assessed and the lien for such assessments; or take any action in any way relating to said Acts, to sewers, assessments and/or anything hereinbefore mentioned.

(Inserted at the request of the Board of Public Works)

Article 18. To see if the Town will vote to endorse Senate Bill No. 476 now pending in the United States Senate, and House Bill No. 2562 now pending in the House of Representatives, both known as the 50-50 bill; viz; to give to the Veterans of the Spanish-American War who have attained the age of fifty (50) years, a pension of fifty (50) dollars per month; or take any action relating thereto.

(Inserted at the request of 100 registered voters)

Article 19. To see if the Town will change the name of that portion of Trent Street, between Highland Avenue and Coleman Road to Wildwood Avenue; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this third day of March, in the year of our Lord one thousand nine hundred and thirty.

LUKE A. MANNING
ARTHUR P. WYMAN
HOLLIS M. GOTT
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., March 31, 1930.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at

least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY
Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, April 9, 1930.

Pursuant to the foregoing Warrant the Town Meeting Members met in the Town Hall, Arlington, April 9, 1930 and were called to order at 8:30 o'clock in the evening by the Moderator, Curtis H. Waterman, Warrants having been sent by mail by the Town Clerk seven days before the day of meeting. Notice of the Special Meeting was published in the local paper.

One hundred and eighty-four members attended the meeting.

The Clerk read the Call and the Constable's Return of the Warrant, the reading of the rest of the Warrant being waived by the unanimous consent of the meeting.

On motion of Arthur P. Wyman:

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of on this date, the meeting adjourn to Wednesday evening, April 16, 1930, at 8:30 o'clock.

On motion of Arthur P. Wyman:

Voted: That at 8:37 P.M. the Special Meeting be recessed until the business of the annual meeting is com-

pleted; and that in no event shall the recess of the special meeting extend beyond the time at which the annual meeting adjourns.

On motion of G. Bertram Washburn:

Voted: That Article 1 be taken up.

Article 1 taken up. (Reports of Committees)

On motion of G. Bertram Washburn:

Voted: That the report of the Finance Committee be received.

On motion of G. Bertram Washburn:

Voted: That Article 1 be laid on the table.

On motion of G. Bertram Washburn:

Voted: That the remaining articles in the Warrant be now taken up and that the recommendations of the Finance Committee under the various articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion respectively and in the order in which they appear in said Warrant.

The hour of 8:37 having arrived the meeting recessed in order to take up the business of the Adjourned Town Meeting.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

ADJOURNED MEETING

Arlington, April 9, 1930.

Pursuant to the vote of recess the Adjourned Annual Meeting was called to order at 8:37 o'clock in the evening by the Moderator, Curtis H. Waterman.

Article 38 taken up. (High School Building)

Further discussion by several Town Meeting Members on this article followed.

William C. Drouet offered a substitute motion, and on a rising vote, Messrs. Hortter, Bixby, and Fitch acting as tellers, the motion was lost.

On motion of Frank A. Woodhead:

Voted: To refer this matter to the School Building Committee with instructions to study the manner of an addition to the present High School Building and to report at a special town meeting and that the sum of One Thousand Dollars be appropriated for use of this Committee.

Voted: That we do not make at this meeting any appropriation for the construction of a building upon the land described in Article 38 of the Warrant.

On motion of G. Bertram Washburn:

Voted: That Article 3 be taken from the table.

On motion of William A. Muller:

Voted: That the following report be received.

Report Of The Committee To Procure Plans And Estimates For Repairs And Additions To The Robbins Library Building

To Town Meeting Members:—

At the Adjourned Town Meeting, April 10, 1929, under Article 53 of the Warrant calling the Annual Town Meeting of 1929, it was Voted:

"That a committee of five, including one member of the Board of Trustees of the Robbins Library and the Building Inspector, be appointed by the Moderator to procure plans and estimates for repairs and additions to the Robbins Library Building or make other recommendations, such committee to have the power to fill vacancies, and to report to the Town not later than the annual meeting of 1930; that the sum of $500 be and hereby is appropriated for the use of the Committee; said sum to be raised by general tax."

On June 20, 1929, the following were appointed by the Moderator to serve on this committee:

WILLIAM A. MULLER, Chairman
WILLIAM GRATTO
EDITH M. FOX
HENRY C. GUERNSEY
ANGUS P. MacDONALD

The first duty of your committee was to select an architect for the proposed work. During the last few years, it has been the custom in Arlington to select architects for public buildings by so-called competition. The committee therefore first sought information from the best known sources as to the desirability of the selection of an architect by this method. The American Institute

of Architects, under an article entitled "Functions of the Architect," make the following statement:

"Except for certain forms of public and semi-public work 'competition' is not considered by the American Institute of Architects the best means of making such a selection. The custom of asking for preliminary sketches before making a selection and therefore before serious study of the problem can take place, is deplored and condemned. An architect should be selected with the same careful consideration of his work and reputation as an attorney or physician. When this is done, those who build reap the benefit by actually receiving full value for the funds they expend and the public at large is benefited in more beautiful and more useful buildings."

Your committee communicated with Mr. Frank C. Baldwin, the Secretary of the American Institute of Architects at Washington, requesting additional information as to the forms of public work which should be open to competition in making the selection of an architect. Your committee was referred by the Secretary's office to Mr. Arthur Wallace Rice of 177 State Street, Boston, who is the Chairman of the Committee on Competitions for the American Institute of Architects. Mr. Rice kindly conferred with the chairman of your committee, and then wrote the following letter:

"Confirming my conversation with you today in reference to your letter of November 13th to Mr. Frank C. Baldwin, Secretary of the American Institute of Architects, I am taking the liberty of writing you a few lines in regard to the selection of an architect for a building.

The Institute feels that the direct selection of an architect is almost always preferable to a competition. In certain cases of Federal or State buildings of magnitude, or some classes of monumental work, on account of Legislative or legal reasons, a competition may be

necessary. In such cases where a competition is advisable, it should be carefully safeguarded to protect the interests of the owner, and the three conditions acceptable to the Institute are:

First: That there shall be a professional adviser.

Second: That there should be a jury of at least three members, one of which is a practicing architect.

Third: That the program should contain a contract for architectural services in accordance with good practice.

I have personally been on the Standing Committee on Competitions of the American Institute of Architects for some ten years and am glad to say that from my observation there are fewer and fewer competitions each year, even for large projects and the competition for the smaller class of work is rapidly dying out.

In my own Town of Milton, Massachusetts, we have in the last few years built several schools, a small public library and various other town buildings and monuments, and in no case has a competition been held but a direct selection has been made by the committee appointed by the Moderator of the town, and I know of no case where dissatisfaction among the architects has occurred and I feel sure that the best interests of the Town have been properly protected.

If there is any further information that I can give you, I should be only too glad to do so."

The above, therefore, seem to clearly set forth the position of the American Institute of Architects as to

the selection of an architect for such work as we contemplated.

Your committee then wrote to Mr. Edward H. Prichard, the Secretary of the Boston Society of Architects. We advised him that we were interested in securing plans for an addition to our Public Library, that recently architects for new buildings in Arlington had been secured by the so-called competitive method, and requested the position of the Boston Society of Architects in the method of selecting an architect. Our communication to Mr. Prichard was referred to the President, Mr. Robert P. Bellows, and Mr. Bellows wrote us the following letter:

"Your letter of November 13th to Mr. Prichard concerning an addition to the Arlington Public Library has been referred to me for reply.

In work of this nature I can see no advantage in holding a competition unless you feel obligated to choose several architects of equal standing and are unable to make a choice otherwise.

The best thing to do in your case, I feel strongly, as you do, is to select an architect of high standing outright. I do not know who was the architect of your present fine Library. There are certain advantages in continuing with the same architect if he has given satisfaction in the past work and is still available."

Your committee, having secured the opinion of the American Institute of Architects and the Boston Society of Architects in this matter, then turned to Mr. Charles A. Coolidge of Coolidge, Shepley, Bulfinch & Abbott, undoubtedly the outstanding firm of architects in this Commonwealth. Mr. Coolidge was very kind, and gave the committee the benefit of his advice in the following letter:

"In answer to the question which you asked me the other day as to my opinion in regard to architectural competitions, I wish to say that if you wish to have the best men go into a competition it will be necessary to conduct it with an architectural adviser who will draw the terms of competition and advise the committee during the competition. It will also be necessary for you to appoint three judges to decide on the architect who has submitted the best plans and aid you in the selection of the architect of the building. All these things are expensive as all these people should be reimbursed for their services. It seems to me, therefore, that it would be very much better for you and your committee to decide on the architect yourselves. To aid you in making up your minds as to whom you wish to employ, it is permissible to see the architects you have in mind and also to ask them to show you photographs of their work and go to see the work which they have done which is available, but **not** to ask them—and they would not be allowed according to rules of the American Institute of Architects—to make you any drawings for your contemplated building until you had decided which architect you wish to employ.

I am going away for ten days and on my return if there are any further questions in regard to the matter which you wish to ask me, I shall be at your service."

Your committee therefore felt warranted in coming to the conclusion that the method of selecting an architect for buildings in Arlington by competition was undesirable, and the committee consulted with the following firms of architects before making their selection:—

Howard B. S. Prescott, 12 Pearl St., Boston
Derby, Barnes & Champney, 3 Joy St., Boston
William Chapman, 15 Ashburton Pl., Boston
Ralph Harrington Doane, 60 Batterymarch St., Boston
Gay & Proctor, 248 Boylston St., Boston

and after careful consideration of all that was learned from these various gentlemen, your committee determined on December 6, 1929, on the selection of Messrs. Gay & Proctor as architects.

Mrs. Spofford, our Librarian, as well as the Trustees of the Library, had given the matter of an addition to the library building a great deal of study during the past two years, and the needs of the Library were well crystallized in their minds. At first it had seemed best to make the proposed addition in the direction of the Town Hall. Later, however, plans were changed and the addition made to extend west and south towards the Robbins homestead. Before making a definite conclusion, sketches of the proposed changes were sent to the Misses Robbins in Switzerland, and later your committee received the following communication from them:

"We like the plans very much and think Mr. Proctor has been most successful in keeping the general style and outline of the main building. As for extending the library in the direction of our house, that is quite all right. We hope that you will succeed in getting your appropriation for the work and be able to complete the addition as quickly as possible."

Plans were then completed by Messrs. Gay & Proctor in order that they could be submitted to the contractors and estimates secured for the completion of the proposed children's room, adequate work rooms, hall with a seating capacity of 250, and necessary repairs and improvements on the present building. Figures submitted by the contractors gave the estimated cost at $136,635. The Joint Board of the Trustees and the Building Committee, together with the Librarian, then appeared before the Finance Committee, showed the plans for the proposed addition, and requested an appropriation of $135,000. The Finance Committee, as you know, recommended an appro-

priation of $90,000, which recommendation has been adopted by the Town, and this amount will be sufficient to carry out all the plans contemplated by the Building Committee and the Trustees with the exception of the Hall Building. The new reading room will be so constructed that the hall may be added at the minimum expense when the Town is willing to make the necessary appropriation, and a new heating plant will be installed which will be sufficient to care for the new reading room and the proposed hall when completed.

Respectfully submitted,

WILLIAM A. MULLER
ANGUS P. MacDONALD
HENRY C. GUERNSEY
WILLIAM GRATTO
Building Committee

The Moderator declaring that all business in the Warrant calling this meeting having been disposed of, the meeting was adjourned at 9:50 P.M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

SPECIAL MEETING

Arlington, April 9, 1930.

Pursuant to the vote of recess the Special Town Meeting was called to order at 9:52 o'clock in the evening by the Moderator, Curtis H. Waterman.

Article 2 taken up. (Exterior Lines from Hawthorne Avenue)

Voted (Unanimously): That the establishment of

exterior lines of a way from Hawthorne Avenue as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 2 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of three hundred (300) dollars be and hereby is appropriated for the purpose, including damages; and that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 3 taken up. (Exterior Lines—Massachusetts Avenue to Brooks Avenue)

Voted (Unanimously): That the establishment of exterior lines of a way from Massachusetts Avenue to Brooks Avenue as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 3 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose that the sum of three thousand (3,000) dollars be and hereby is appropriated for the purpose, including land damages and that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 4 taken up. (Exterior Lines from Wollaston Avenue)

Voted (Unanimously): That the establishment of exterior lines of a way from Wollaston Avenue northeasterly as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 4 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of seven hundred (700) dollars be and hereby is appropriated for the purpose, including land damages; and that said

sum be raised by general tax and expended under the direction of said Joint Board.

Article 5 taken up. (Exterior Lines from Upland Road)

On substitute motion of Arthur P. Wyman:

Voted: That the establishment of exterior lines of a way from Upland Road southeasterly as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 5 of the Warrant, be not accepted.

Article 6 taken up. (Exterior Lines from Dow Avenue)

Voted (Unanimously): That the establishment of exterior lines of a way from Dow Avenue southeasterly as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 6 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of six hundred (600) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 7 taken up. (Exterior Lines from Amsden Street to Teel Street)

Voted (Unanimously): That the establishment of exterior lines of a way from Amsden Street to Teel Street as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 7 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take

land for the purpose; that the sum of five hundred (500) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 8 taken up. (Exterior Lines from Medford Street to Mystic Street)

A substitute motion was offered by John J. Sullivan which being placed before the meeting was lost, forty-three voting in favor and eighty-two in opposition, Messrs. Hortter, Bixby, and Fitch acting as tellers.

The total number, 125, having voted on this question, at the request of Thomas F. Good the number of Town Meeting Members present was counted. The result showed that at this time there were 153 members present, more than a majority of the total membership.

The recommendation of the Finance Committee being placed before the meeting, it was

Voted: That the establishment of exterior lines of a way from Medford Street to Mystic Street as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 8 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of five thousand (5,000) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 9 taken up. (Exterior Lines from accepted end of Wollaston Avenue)

Voted (Unanimously): That the establishment of

exterior lines of a way from the present end of acceptance of Wollaston Avenue southeasterly as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 9 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of three hundred (300) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be raised by general tax, and expended under the direction of said Joint Board.

Article 10 taken up. (Building Lines—Mystic Street)

On substitution motion of G. Bertram Washburn:

Voted (Unanimously): That the establishment of building lines along the easterly and westerly sides of the way known as Mystic Street respectively beginning at Garden Street and on "land of Mary A. Payne" adjacent to Russell Street and extending to the Mystic Valley Parkway and Summer Street substantially parallel with and distant seven (7) feet from the easterly side of said way, and substantially parallel with and distant eight (8) feet from the westerly side of said way, as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 10 of the Warrant, be accepted; that said building lines be established, and that, as provided in said establishment, steps, windows, porticoes and other usual projections appurtenant to the front wall of a building may be erected and maintained between said building lines and said way, and buildings or parts of buildings, structures, embankments, steps, walls, fences and gates existing at the time of establishing of said building lines between said building lines and said way may be permitted to remain and to be maintained; and that said Joint Board be authorized to make any necessary takings

for the purpose; that the sum of one thousand (1,000) dollars be and hereby is appropriated therefor and that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 11 taken up. (Alteration of Ways—Franklin Street and Lewis Avenue)

Voted (Unanimously): That the alteration of the ways known as Franklin Street and Lewis Avenue from a point on said Franklin Street, distant forty-seven and forty-three one hundredths (47.43) feet southerly from its junction with said Lewis Avenue to a point on said Lewis Avenue distant fifty-one and forty-seven one hundredths (51.47) feet northwesterly from its junction with said Franklin Street in said Town and more particularly described in Article 11 of the Warrant, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way as so altered established and said Joint Board authorized to take land for the purpose; that the sum of four hundred and seventy-five (475) dollars be and hereby is appropriated for the alteration and construction of said ways including land damages and the cost of any pavement and sidewalks laid at the time of such alteration and construction, all under the provisions of law authorizing the assessment of betterments; that said sum be raised by general tax and expended under the direction of the said Joint Board.

Article 12 taken up. (Menotomy Way)

Voted (Unanimously): That the laying out of a foot way from Menotomy Road to School Street, substantially in the location of the private way known as Menotomy Way, as more particularly described in Article 12 of the Warrant, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board

authorized to take land for the purpose of said way; that the sum of one thousand seven hundred and fifteen (1,715) dollars be and hereby is appropriated for the original construction of said way including land damages and the cost of pavement and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that said sum be raised by general tax and expended under the direction of said Joint Board.

Article 13 taken up. (Storm Drain—Brooks Avenue to Alewife Brook)

Voted: That the Town do not vote under this Article 13, to construct an outlet storm drain from Brooks Avenue to Alewife Brook as action relating thereto has been taken under Article 9 of the Warrant for the Annual Meeting.

Articles 14 taken up. (Alterations—Basement of Robbins Memorial Town Hall)

Voted: That the Town do not vote under this Article 14, to make alterations in the basement in the Robbins Memorial Town Hall as action relating thereto has been taken under Article 4 of the Warrant for the Annual Meeting.

Article 15 taken up. (Committee for Study of School System)

William C. Drouet offered a substitute motion which being put before the meeting was lost.

The recommendation of the Finance Committee being taken up, it was

Voted: That a committee of three be appointed by

the Board of Selectmen to carefully investigate the school system of Arlington with particular reference to the maintenance and operation of school buildings and grounds, to ascertain wherein, if possible, reductions in costs of operation and maintenance may be made; said committee to report to the Town not later than the Annual Meeting in 1931 and any vacancy therein to be filled by said Board; and further that the sum of $500 be and hereby is appropriated for the use of the committee, said sum to be raised by general tax.

Article 16 taken up. (Right of Way—Rear of High School)

On the substitute motion of Edward W. Higgins, it was

Voted (Unanimously): That the Town does hereby reserve, dedicate and set apart as appurtenant to the public playground or recreation centre in the rear of the High School building, a right of way over a portion of the Town's other land bounded and described as follows: Beginning at a point on the northeasterly side of the parcel marked "Right of Way" on the plan hereinafter mentioned, said point being distant ninety-three (93) feet more or less northwesterly from the southeasterly side line of Schouler Court as shown on said plan, thence running northerly and northeasterly on a curve to the right with a radius of sixty-seven and 23/100 (67/23) feet, to a point of tangency; thence continuing northeasterly two hundred seventeen (217) feet more or less to said public playground; thence running southeasterly by said playground twenty-five (25) feet; thence running southwesterly two hundred seventeen (217) feet more or less to a point of curve; thence running southerly on a curve to the left with a radius of forty-two and 23/100 (42.23) feet, fifty-two (52) feet more or less to a point of tangency; thence running southeasterly seventy-seven (77)

feet more or less to the northeasterly corner of Schouler Court as shown on said plan; and thence running northwesterly by the northeasterly end of Schouler Court and said parcel marked "Right of Way" ninety-three (93) feet more or less to the point of beginning, all as shown in blue on a plan on file in the office of the Town Engineer, Arlington, Massachusetts, numbered 3277 and marked "Land purchased by Town of Arlington, under vote of March 3, 1914, Scale 1″=40′, May 25, 1914, H. S. Adams, C. E."

Article 17 taken up. (Assessments—Account of Sewerage System)

Voted: That the Board of Selectmen be and hereby is instructed and empowered on behalf of the Town to petition the General Court for the modification, amendment and/or repeal of all or any portion or portions of Chapter 282 of the Acts of 1896, being "An Act Relative to the Construction of a System of Sewerage for the Town of Arlington" as amended by Chapter 129 of the Acts of 1904, and/or for legislation relating to assessments for the construction of sewers or other work in connection therewith; the commitment, apportionment and collection of such assessments; the payment of interest on such assessments or apportionments; the area to be assessed and the lien for such assessments.

Article 18 taken up. (National Legislation—Spanish War Pensions)

By permission of the meeting one of the Spanish War Veterans spoke relative to the article in the warrant.

Carolyn B. Reed offered a substitute motion which being put before the meeting was lost.

The recommendation of the Finance Committee being taken up, it was

Voted: That the Town do not vote to endorse Senate Bill No. 476 now pending in the United States Senate and House Bill No. 2562 now pending in the House of Representatives.

Article 19 taken up. (Change of street names)

Voted: That the name of that portion of the way known as Trent Street located between Highland Avenue and Coleman Road be and hereby is changed to Wildwood Avenue.

On motion of G. Bertram Washburn:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the Moderator declared Article 1 disposed of.

The Moderator declaring that all business in the Warrant calling this meeting having been disposed of, the meeting was adjourned at 11:30 P.M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, s.s.
To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall, in said Town on Monday, the 26th day of May, 1930, at 8 o'clock P.M., to act on the following Articles, viz:—

Article 1 To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will appropriate the additional sum of four hundred (400) dollars or any other sum for mosquito control work and/or for the eradication of mosquitoes by the Board of Health; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Health)

Article 3. To see if the Town will appropriate the additional sum of nine hundred (900) dollars or any other sum for other salaries and expenses of the Board of Survey; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Joint Board)

Article 4. To see if the Town will appropriate the additional sum of six hundred and fifty (650) dollars or any other sum for the improvement, development, use and/or maintenance of the playground situated between the "High School Lot" and the land of the Boston and Maine Railroad, including the sum of five hundred and fifty (550) dollars for completion of the water system and one hundred (100) dollars for maintenance; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

(Inserted at the request of the Park Commissioners)

Article 5. To see if the Town will authorize the sale, conveyance or other disposition of a certain parcel of land situated on Summer Street or take any action relating to said parcel or the Town's interest therein. Said parcel is bounded and described as follows:

Beginning at the point of intersection of the northeasterly side line of Summer Street and the division line between lot #129 and lot #5, thence N. 63°—36′—37.8″E.

a distance of 47.63 feet to the westerly side line of Orient Avenue, thence S. 26°—23′—22.2″ E., on said westerly side line of Orient Avenue, a distance of 21.27 feet to a point of curve in said westerly side line of Orient Avenue, thence southerly and southwesterly on said westerly side line of Orient Avenue, on a curve to the right, with a radius of 17 feet, a distance of 45.06 feet to a point of tangency in the northeasterly side line of Summer Street, thence N. 54°—30′—22″ W., a distance of 33.2 feet to the point of beginning, containing about 1200 square feet, as shown on a plan on file in the office of the Town Engineer, Arlington, Mass., entitled "Acceptance Plan and Profile of Summer Street Extension, Arlington, Mass., Showing Land Taken, As Authorized by Vote of Town Meeting, Sept. 18, 1914, Scales Hor 1″=40′, Vert. 1″=6′, Nov. 30, 1914, Geo. E. Ahern, Town Engineer."

Article 6. To see if the Town will change the names of the following public ways or any portions thereof in the following manner:

Albermarle Street, to Gloucester Street; Park Avenue Extension, to Park Avenue; Park Street, to McCormack Street; Wyman Terrace, to Durgin Road; Spring Street, to Eastern Avenue; Lakehill Avenue, to Cameron Road; Bacon Street, to Kent Street; Mill Lane to Clinton Street; Milton Street, to Butterfield Street; Newcomb Street, to Squire Road; Newman Way, to Sprague Road; Newton Road, to Yorktown Road; or take any action relating to all or any of the foregoing.

Article 7. To see if the Town will acquire by purchase, eminent domain, or otherwise, for park purposes, all or any portion of the land within the Town bounded and described as follows:

Beginning at the point of intersection of the northerly side line of Broadway and the westerly side line of

River Street, thence running northwesterly on said northerly side line of Broadway 149.71 feet to the division line between lots #194 and 195 on the plan hereinafter mentioned, thence running northeasterly on said division line 86.51 feet to the southerly side line of Warren Street, thence running southeasterly on said southerly side line of Warren Street 139.68 feet to the westerly side line of River Street, thence running southwesterly on said westerly side line of River Street 40.35 feet to the point of beginning, being lots #193 and 194, containing together 9031 square feet, as shown on a plan recorded at Middlesex South District Registry of Deeds in Book #233, page 34;

make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Planning Board)

Article 8. To see if the Town will accept the establishment of exterior lines of a way from the southerly side line of Upland Road to a point southerly substantially four hundred ten (410) feet in the location shown upon the plan hereinafter mentioned, as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation therefor including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said lines as so established are more particularly described as follows:

Beginning at the point of intersection of the southerly side line of Upland Road and the easterly side line of Langley Road, thence westerly and southwesterly on said easterly side line of Langley Road, on a curve to the left with a radius of 15 feet, a distance of 21.78 feet to a point of tangency in said easterly side line of Langley

Road, thence southerly on said easterly side line of Langley Road, a distance of 11.25 feet to a point of curve in said easterly side line of Langley Road, thence continuing southerly and southeasterly on said easterly side line of Langley Road, on a curve to the left with a radius of 553.52 feet, a distance of 179.34 feet to a point of tangency in said easterly side line of Langley Road, thence southeasterly on said easterly side line of Langley Road, a distance of 18.36 feet to a point of curve in said easterly side line of Langley Road, thence easterly on said easterly side line of Langley Road, on a curve to the left with a radius of 17.89 feet, a distance of 24.43 feet to the northerly side line of College Avenue, thence southerly on said easterly side line of Langley Road, across said College Avenue a distance of 40 feet, more or less, to a point of curve in said easterly side line of Langley Road, thence southwesterly and southerly on said easterly side line of Langley Road, on a curve to the left with a radius of 20 feet, a distance of 31.68 feet to a point of tangency in said easterly side line of Langley Road, thence southerly on said easterly side line of Langley Road, a distance of 114.50 feet to a point, thence westerly across said Langley Road, a distance of 40 feet to the westerly side line of Langley Road, thence northerly on said westerly side line of Langley Road, a distance of 114.26 feet to a point of curve in said westerly side line of Langley Road, thence northwesterly and westerly on said westerly side line of Langley Road, on a curve to the left, with a radius of 20 feet, a distance of 31.15 feet to the southerly side line of College Avenue, thence northerly on said westerly side line of Langley Road, across said College Avenue, a distance of 40 feet, more or less, to a point of curve in said westerly side line of Langley Road, thence northeasterly and northerly on said westerly side line of Langley Road, on a curve to the left, with a radius of 20 feet, a distance of 35.52 feet to a point of reverse curve in said westerly side line of Langley Road, thence continuing northerly on said westerly side line of Langley Road, on a curve to

the right, with a radius of 593.52 feet, a distance of 192.3 feet to a point of reverse curve, thence northwesterly and westerly on said westerly side line of Langley Road, on a curve to the left with a radius of 17.56 feet, a distance of 29.67 feet to the southerly side line of Langley Road, thence easterly on said southerly side line of Langley Road, a distance of 73.37 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Langley Road, Arlington, Mass., Scale: 1″=40′, May 5, 1930, J. M. Keane, Town Engineer,"

all as shown on a plan marked "Plan Showing Proposed Exterior Lines of Langley Road, Arlington, Mass., Scale: 1″=40′, May 5, 1930, J. M. Keane, Town Engineer" and filed in the office of the Town Clerk of said Arlington.

Article 9. To see if the Town will construct a building or buildings and/or an addition to the present "High School Building", to be used for High School and/or other purposes, upon the land of the Town bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly by land now or formerly of the Frost Insecticide Company, southwesterly by land now or formerly of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella, and southeasterly by said Gardella land; as described as "Scheme A" in the printed report of the Committee appointed under vote of the Town passed April 10, 1929, under article 43 of the Warrant for the annual meeting of 1929, to procure plans and estimates for a new High School building, or in any other manner; make an appropriation for such construction, including the cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action in any way relating to such building, buildings and/or addition or to any of the foregoing.

(Inserted at the request of the Committee to Secure Plans and Estimates for a new High School Building)

Article 10. To see if the Town will construct a building or buildings and/or an addition to the present "High School Building", to be used for High School and/or other purposes, upon the land of the Town bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly by land now or formerly of the Frost Insecticide Company, southwesterly by land now or formerly of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella, and southeasterly by said Gardella land; as described as "Scheme B" in the printed report of the Committee appointed under vote of the Town passed April 10, 1929, under Article 43 of the Warrant for the annual meeting of 1929, to procure plans and estimates for a new High School building, or in any other manner; make an appropriation for such construction, including the cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action in any way relating to such building, buildings, and/or addition or to any of the foregoing.

(Inserted at the request of the Committee to Secure Plans and Estimates for a new High School Building)

Article 11. To see if the Town will construct a building or buildings and/or an addition to the present "High School Building," to be used for High School and/or other purposes, upon the land of the Town bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly by land now or formerly of the Frost Insecticide Company, southwesterly by land now or formerly of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella, and southeasterly by said Gardella land; as described as "Scheme C" in the printed report of the Committee appointed under vote of the Town passed April 10, 1929, under Article 43 of the Warrant for the annual meeting of 1929, to procure plans and estimates

for a new High School building, or in any other manner; make an appropriation for such construction, including the cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action in any way relating to such building, buildings and/or addition or to any o f the foregoing.

(Inserted at the request of the Committee to Secure Plans and Estimates for a new High School Building)

Article 12. To see if the Town will appoint a Committee to investigate and study the Public Library accommodations at the Heights, with a view to making suggestions for more adequate quarters, such Committee to report with its recommendations not later than the next Annual Town Meeting; make an appropriation for the purpose; or take any action relating thereto.

(Inserted at the request of more than one hundred (100) registered voters)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, an d also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this twelfth day of May, in the year of our Lord one thousand nine hundred and thirty.

ARTHUR P. WYMAN
HOLLIS M. GOTT
WILLIAM O. HAUSER
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., May 19, 1930.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY,
Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, May 26, 1930.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town by a Constable of said Town, notices having been sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Arlington, and posted at two places in each precinct, the Town Meeting Members met in the Robbins Memorial Town Hall in said Town on Monday, May 26, 1930, at eight o'clock in the evening. The Warrant calling the meeting was the notice sent by mail by the Town Clerk.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Albert K. Peirce and James E. Sweeney. The lists contained the names of two hundred and seventy Town Meeting Members.

The Check Lists filed with the Town Clerk at the close of the meeting showed that one hundred and eighty-eight members attended the meeting.

The Town Meeting Members who had not already been sworn were sworn by the Moderator.

The meeting was called to order at eight ten o'clock P.M. by the Moderator, Curtis H. Waterman.

The Town Meeting Members were sworn by the Moderator.

Copies of the Warrant having been supplied to the Town Meeting Members, the Town Clerk read only the Call and the Constable's Return of the Warrant, the meeting voting on G. Bertram Washburn's motion to dispense with the reading of the remainder of the Warrant.

On motion of Arthur P. Wyman:

Voted: That if all the business of the meeting as set forth in the Warrant is not disposed of on this date, the meeting adjourn to Tuesday, June 3, 1930, at eight o'clock.

On motion of Arthur P. Wyman:

Voted: That Article 1 be taken up.

Elliott R. Barker called the attention of the meeting to the report of the Committee on additional high school

accommodations, which had been sent to each Town Meeting Member, adding that it constituted their report.

On motion of G. Bertram Washburn:

Voted: That the report be received.

On motion of G. Bertram Washburn:

Voted: That the report of the Finance Committee be received as in its printed form.

On motion of G. Bertram Washburn:

Voted: That Article 1 be laid on the table.

On motion of G. Bertram Washburn:

Voted: That the remaining articles in the Warrant be now taken up and that the recommendations of the Finance Committee under the various articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion respectively and in the order in which they appear in said Warrant.

Article 2 taken up. (Mosquito Control Work)

Voted: That the additional sum of $400 be and hereby is appropriated for mosquito control work and/or for the eradication of mosquitoes by the Board of Health; said sum to be raised by general tax and expended under the direction of said Board.

Article 3 taken up. (Other Salaries and Expenses; Board of Survey)

Voted: That the additional sum of $700 be and

hereby is appropriated for other salaries and expenses of the Board of Survey; said sum to be raised by general tax and expended under the direction of the Joint Board of Selectmen and Board of Public Works.

Article 4 taken up. (Water System and Maintenance; High School Playground)

Voted: That the additional sum of $650 be and hereby is appropriated for the improvement, development, use and/or maintenance of the playground situated between the "High School Lot" and the land of the Boston and Maine Railroad; said sum to be raised by general tax and expended under the direction of the Board of Park Commissioners substantially as follows:

For completion of the water system	$550.00
For maintenance	100.00
	$650.00

Article 5 taken up. (Sale of Land; Summer Street)

Voted (Unanimously): That the Selectmen be and hereby are authorized and empowered in the name and on behalf of the Town, to sell and convey all the right, title and interest of the Town in and to a certain parcel of land situated on Summer Street bounded and described as particularly appears in Article 5 of the Warrant, and to execute, acknowledge and deliver any proper documents, all for the minimum amount of $100 and upon such other terms as the Selectmen shall consider proper.

Article 6 taken up. (Changing Names of Public Ways)

Mr. Wyman explained briefly the purpose of this Article, saying that there was much confusion on account of the similarity in names of streets. This confusion

could cause a very serious situation many times and particularly in relation to the Fire Department.

Considerable opposition to this change of names was expressed by various citizens in different parts of the town.

Mr. William B. Barry, World War Veteran, suggested that if any changes in the names of streets were to be made the streets should be named in memory of World War Veterans who lost their lives in the Service.

On motion, as recommended by the Finance Committee, it was voted.

Voted: That the Town do not now change the names of the public ways, or any portions thereof, as particularly described in Article 6 of the Warrant.

Mr. Richard L. Powers, a Member of the Board of Park Commissioners addressed the meeting as follows:

Mr. Moderator: If I might intrude for a moment. For several years there has been a considerable discussion about a name for the playground which has been under construction in back of the High School. The Park Commission have unanimously voted to name the park after one of our illustrious citizens, a man who has probably made his fortune in this town, but who also has done remarkably fine work for the town and still continues to do so. So at this time I would like to make a motion that the playground back of the High School be called the Warren A. Peirce Playground.

Mr. G. Bertram Washburn seconded the motion.

Moderator, Curtis H. Waterman, acknowledged that although he was in doubt as to the foregoing motion

being in accordance with parliamentary procedure, it seemed perfectly clear that everybody was in favor of it.

The motion being placed before the meeting it was a unanimous vote.

Article 7 taken up. (Acquisition of Land for Park Purposes)

Mr. Walton H. Sears, a Member of the Planning Board, offered a substitute motion and explained the same. The motion being put before the meeting was lost and re-motion as recommended by the Finance Commitee it was

Voted: That the Town do not now acquire by purchase, eminent domain, or otherwise, for park purposes, all or any portion of the land within the Town bounded and described as particularly appears in Article 7 of the Warrant.

Article 8 taken up. (Exterior Lines; Langley Road)

Voted (Unanimously): That the establishment of exterior lines of a way from the southerly side line of Upland Road to a point southerly substantially four hundred ten (410) feet in the location as shown on a plan marked "Plan Showing Proposed Exterior Lines of Langley Road, Arlington, Mass., Scale 1″=40′, May 5, 1930, J. M. Keane, Town Engineer," as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 8 of the Warrant, be and hereby is accepted, said lines established and said Joint Board authorized to take land for the purpose; that the sum of seven hundred and fifty (750) dollars be and hereby is appropriated for the purpose, including land damages; and that said sum be raised by

general tax and expended under the direction of said Joint Board.

Article 9 taken up. (High School Building. "Scheme A")

Voted: That the Town do not now vote under Article 9 of the Warrant to construct a building or an addition to the present "High School Building."

Article 10 taken up. (High School Building. "Scheme B")

Voted: That the Town do not now vote under Article 10 of the Warrant to construct a building or an addition to the present "High School Building."

Article 11 taken up. (High School Building. "Scheme C")

Voted (Unanimously): That the sum of three hundred eighty-nine thousand one hundred and ninety-four (389,194) dollars be and hereby is appropriated for the construction of a building including the cost of original equipment and furnishings of said building, to be used for High School purposes; upon the land of the Town bounded southwesterly by Massachusetts Avenue and more particularly described in Article 11 of the Warrant ,substantially as described as "Scheme C" in the printed report of the Committee appointed under vote of the Town passed April 10, 1929, under Article 43 of the Warrant for the annual meeting of 1929, to procure plans and estimates for a new High School building; that for this purpose the sum of one hundred twenty-nine thousand one hundred and ninety-four (129,194) dollars be raised by general tax, and for the balance two hundred and sixty thousand (260,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of two hundred and sixty thousand

(260,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen (15) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the said Committee, which said committee shall have full authority to construct such school building within the sum herein appropriated and power to fill any vacancy in its membership.

Article 12 taken up. (Committee on Library Accommodations at Heights)

Voted: That a Committee of three be appointed by the Moderator to investigate and study the Public Library accommodations at the Heights, with a view to making suggestions for more adequate quarters; such Committee to have power to fill vacancies and to report with its recommendations not later than the Annual Town Meeting of 1931.

On motion of G. Bertram Washburn:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the Moderator declared Article 1 disposed of.

All business in the Warrant calling this meeting having been disposed of the meeting was declared adjourned at 9:10 o'clock P.M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.
To the Constables of the Town of Arlington in said County:

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet at the polling places designated for the several precincts on Thursday the nineteenth day of June, 1930, at two o'clock in the afternoon to determine by ballot the question involved in a certain vote passed at the Special Representative Town Meeting held on the twenty-sixth day of May, 1930, said vote being substantially as follows:

"That the sum of three hundred eighty-nine thousand one hundred and ninety-four (389,194) dollars be and hereby is appropriated for the construction of a building including the cost of original equipment and furnishings of said building, to be used for High School purposes, upon the land of the Town bounded southwesterly by Massachusetts Avenue and more particularly described in Article 11 of the Warrant, substantially as described as "Scheme C" in the printed report of the Committee appointed under vote of the Town passed April 10, 1929, under Article 43 of the Warrant for the annual meeting of 1929, to procure plans and estimates for a new High School building; that for this purpose the sum of one hundred twenty-nine thousand, one hundred and ninety-four (129,194) dollars be raised by general tax, and for the balance two hundred and sixty thousand (260,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of two hundred and sixty thousand (260,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Sec-

tion 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen (15) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the said Committee, which said committee shall have full authority to construct such school building within the sum herein appropriated and power to fill any vacancy in its membership."

For this purpose, the polls will be opened at two o'clock P.M., and remain open until eight o'clock P.M., at each of the polling places designated, viz: Precinct One, in the Crosby School Building, Winter Street; Precinct Two, in the Hardy School Building, Lake Street; Precincts Three and Five, in the Old Town Hall, Massachusetts Avenue; Precincts Four and Six, in the Robbins Memorial Town Hall; Precinct Seven, in the Locke School Building, Park Avenue, Heights.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands at said Arlington, this ninth day of June in the year of our Lord, one thousand nine hundred and thirty.

ARTHUR P. WYMAN,
HOLLIS M. GOTT,
WILLIAM O. HAUSER,
Selectmen of the Town of Arlington, Mass.

CONSTABLE'S RETURN

Arlington, Mass., June 16, 1930.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY,
Constable, Town of Arlington, Mass.

REFERENDUM

Arlington, June 19, 1930.

Pursuant to the Petition for Referendum filed with the Board of Selectmen a Warrant of the Selectmen was served according to law upon the Inhabitants of the Town by a Constable of said Town and posted at two places in each Precinct.

In pursuance of the Warrant the legal voters of the Town of Arlington met in their respective voting places in said Town on Thursday, The 19th Day of June, in the year of our Lord one thousand nine hundred and thirty at two o'clock in the afternoon.

The following places were designated as the voting places for the various precincts; Precinct 1. Crosby

School Building, Winter Street; Precinct 2. Hardy School Building, Lake Street; Precincts 3 and 5 Old Town Hall Building; Precincts 4 and 6 Robbins Memorial Town Hall; Precinct 7. Locke School Building, Park Avenue.

The following Election Officers served:

Precinct 1—Herbert B. Kellogg, John S. Kelley, Percy S. Morine, Chester E. Smith, Marion D. Barnard, Alice L. Hamall, Harriette E. Denvir, Ruth M. Kelley, Clair L. Pavey, Joseph V. Traverse, Arthur O. Davidson.

Precinct 2—Walter J. Buckley, Robert K. Wallace, John F. Easton, Daniel F. Coughlin, Mary F. Lyons, Anne P. O'Neil, Florence M. Orton, Gertrude M. Thompson, Henry MacKenzie.

Precinct 3—David T. Dale, Emma G. Hesseltine, James E. Neville, Paul C. Griffin, Robert P. Cusack, William E. Robinson, Edward D. McCarthy, Harry W. Marden, John F. Sexton, John Blight, William J. McCarthy, Paul K. Lincoln, George A. Lincoln, Mabel A. Lincoln.

Precinct 4—William J. Cunnane, Lilyan B. Forbes, Alice G. Priest, J. F. H. Ochs, Robert P. Cook, Roger W. Homer.

Precinct 5—Maurice L. Hatch, John G. Kelly, Thomas J. Donnelly, Mary M. Donohue, Emily G. Alden, Albert K. Pierce, Frederick J. Barry, Chester R. Whitman, Ruth Turner.

Precinct 6—Cecil B. Cowdry, Roger S. Dunbar, Rose C. Hurley, Florrie A. Kelly, Conrad W. Mellin, John R. Hendrick, Augustine D. Doyle, Hortense M. Dunn, Katherine M. Kerr, John M. Dunn.

Precinct 7—F. R. Battis, C. J. Meade, Ernest Cavicchi, Fred B. Fallon, Sarah R. Vaughn, Mary E.

Tinkham, James F. Colgan, Laura M. Barry, Edith M. Cameron.

The polls were declared open in each precinct at two o'clock in the afternoon and remained open until eight o'clock in the evening at which time after due notice they were declared closed.

The ballots were counted by the election officers in each precinct, th e tally sheets and total tally sheets prepared by the Town Clerk being used.

The ballots cast, after being counted, were enclosed in envelopes, sealed, signed by the election officers, and encased in wooden boxes, which were locked and sealed and the same were delivered to the Registrars of Voters in the Town Clerk's Office.

The Town Clerk and Registrars of Voters upon receipt of the returns from the several precincts forthwith canvassed the same and announced the result.

Vote on Article 11 of the Warrant calling the Special Town Meeting May 26, 1930:

Precinct	1	2	3	4	5	6	7	Total
Yes	29	40	40	99	56	140	71	475
No.	201	306	317	139	229	448	239	1879
Blanks	1	2	—	—	—	2	1	6

All ballots, used and unused, tally sheets, total tally sheets, copy of Precinct Records of Election and all other records pertaining to the Referendum, properly signed and sealed, were delivered to the Town Clerk to be preserved by her during the time required by law.

A true record of the Referendum, Attest:

E. CAROLINE PIERCE,
Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.
To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall, in said Town on Tuesday, the 15th day of July, 1930, at eight o'clock P.M., to act on the following Articles, viz:

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will construct a building or buildings and/or an addition to the present "High School Building," to be used for High School and/or other purposes, upon the land of the Town bounded southwesterly by Massachusetts Avenue, northwesterly by Schouler Court and land of owners unknown, northeasterly by the playground, southeasterly by land now or formerly of the Frost Insecticide Company, southwesterly by land now or formerly of Mildred Keezer, of Hattie L. Davis, and of Joseph Gardella, and southeasterly by said Gardella land, or upon any other land; make an appropriation for such construction, including the cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action in any way relating to such building, buildings, addition, and/or equipment and furnishings, or to any of the foregoing.

Article 3. To see if the Town will make an additional appropriation of two thousand (2,000) dollars or any other sum for Elections and Town Meetings; determine

in what manner the money shall be raised and expended; or take any action relating thereto.

Article 4. To see if the Town will discontinue a town way from Appleton Street to Rhinecliff Street substantially in the location of the private way known as Dow Avenue, as more particularly described in Article 15 of the Warrant for the Annual Town Meeting of 1930.

Said way as laid out is bounded and described as follows:

"Beginning at the point of intersection of the southerly side line of Appleton Street and the southerly side line of Dow Avenue, thence southwesterly on said southerly side line of Dow Avenue, on a curve to the left with a radius of 166.34 feet, a distance of 59.36 feet to a point of tangency in said southerly side line of Dow Avenue, thence continuing southwesterly on said southerly side line of Dow Avenue, a distance of 698.45 feet to a stone bound at an angle point on said southerly side line of Dow Avenue, thence continuing southwesterly on said southerly side line of Dow Avenue, a distance of 406.05 feet to a stone bound at a point of curve in said southerly side line of Dow Avenue, thence southerly on said southerly side line of Dow Avenue, on a curve to the left with a radius of 64.94 feet, a distance of 71.7 feet to a stone bound at the easterly side line of Rhinecliff Street, thence northwesterly on said easterly side line of Rhinecliff Street, a distance of 40 feet to a point in said easterly side line of Rhinecliff Street, thence northerly on said easterly side line of Rhinecliff Street, a distance of 94.03 feet to a stone bound at the northerly side line of Dow Avenue, thence easterly on said northerly side line of Dow Avenue, on a curve to the left with a radius of 20 feet, a distance of 40.75 feet to a stone bound at a point of tangency in said northerly side line of Dow Avenue, thence northeasterly on said northerly side line of

Dow Avenue, a distance of 381.14 feet to an angle point in said northerly side line of Dow Avenue, thence continuing northeasterly on said northerly side line of Dow Avenue, a distance of 416.42 feet to a stone bound at a point of curve in said northerly side line of Dow Avenue, thence northerly and northwesterly on said northerly side line of Dow Avenue, on a curve to the left with a radius of 20 feet, a distance of 29.48 feet to the southerly side line of Valentine Road, thence northeasterly on said southerly side line of Valentine Road, a distance of 187.34 feet to the westerly side line of Appleton Street, thence southeasterly on said westerly side line of Appleton Street, a distance of 10.58 feet to an angle point at the intersection of said westerly side line of Appleton Street and the southerly side line of Appleton Street, thence northeasterly on said southerly side line of Appleton Street a distance of 143.99 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan & Profile of Dow Avenue, Arlington, Mass., Hor. Scale 40′=1″., Ver. Scale 6′=1″, Nov. 1929, Fred A. Joyce, Surveyor, Belmont."

To make an appropriation therefor including damages, determine in what manner the money shall be raised and expended; or take any action relating thereto.
(Inserted at the request of more than one hundred (100) registered voters)

Article 5. To see if the Town will discontinue the exterior lines of a way from Dow Avenue southeasterly as made and reported by the Joint Board of Selectmen and Board of Public Works, and more particularly described in Article 6 of the Warrant for the Special Town Meeting of April 9, 1930.

Said lines, so established, are more particularly described as follows:

"Beginning at the point of intersection of the southerly side line of Dow Avenue and the easterly side line of

Wachusett Avenue, thence southwesterly on said easterly side line of Wachusett Avenue, on a curve to the left with a radius of 25 feet, a distance of 25.98 feet to a point of tangency in said easterly side line of Wachusett Avenue, thence southerly on said easterly side line of Wachusett Avenue, a distance of 36.38 feet to a point of curve in said easterly side line of Wachusett Avenue, thence continuing southerly on said easterly side line of Wachusett Avenue, on a curve to the left, with a radius of 2950.08 feet, a distance of 167.06 feet to a point, thence westerly a distance of 25 feet to the center line of Wachusett Avenue, thence northerly on said center line of Wachusett Avenue, a distance of 35.3 feet to a point, thence southwesterly through said Wachusett Avenue, a distance of 28 feet to the westerly side line of Wachusett Avenue, thence northerly on said westerly side line of Wachusett Avenue, on a curve to the right with a radius of 3000.08 feet, a distance of 149.36 feet to a point of reverse curve on said westerly side line of Wachusett Avenue, thence northerly and northwesterly on said westerly side line of Wachusett Avenue, on a curve to the left with a radius of 12.65 feet, a distance of 26.59 feet to the southerly side line of Dow Avenue, thence northeasterly on said southerly side line of Dow Avenue, a distance of 93.91 feet to the point of beginning, as shown on a plan on file at the office of the Town Clerk, Arlington, Mass., entitled "Plan Showing Proposed Exterior Lines of Wachusett Avenue, Arlington, Mass., Scale 1″=40′, March 1, 1930, James M. Keane, Town Engineer."

To make an appropriation therefor, including damages; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of more than one hundred (100) registered voters)

Article 6. To see if the Town will acquire by purchase, eminent domain or otherwise, for park purposes,

all or any portion or portions of the land within the Town and/or any building or buildings thereon, any interests or easements therein and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights or easements therein bounded and described as follows: northerly by land now or formerly of Charles H. McKenna 137.12 feet, easterly by land now or formerly of Elsa V. Johnson, described in the vote passed on April 2, 1930 under Article 49 of the Warrant for the annual meeting 20.55 feet, and southeasterly and southerly by said land now or formerly of Elsa V. Johnson 123.45 feet; make an appropriation therefor; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

(Inserted at the request of the Park Commissioners)

Article 7. To see if the Town will authorize the Board of Park Commissioners, on behalf of the Town, to purchase or take in fee by eminent domain or otherwise acquire, for the purpose of a public park, the land, rights or easements, described in the vote of the Town passed on April 2, 1930 under Article 49 of the Warrant for the Annual Meeting of 1930, subject to or with any reservations of any rights or easements of way or connected with any sewer or drain purposes; and authorize said Board to expend for said purpose the sum of thirteen thousand (13,000) dollars appropriated by said vote. Said land described in said vote is bounded northerly by Summer Street; easterly by land now or formerly of Elsa V. Johnson; southerly in part by land now or formerly of Nash, of Blaisdell, of Bennett, of Gratto, of Parmenter, of Boston & Lowell Railroad Company, and of Maude L. Wood; and westerly by land now or formerly of John R. Foster and includes a portion of the so called "Fowles Pond Property."

(Inserted at the request of the Park Commissioners)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this thirtieth day of June, in the year of our Lord one thousand nine hundred and thirty.

ARTHUR P. WYMAN
HOLLIS M. GOTT
WILLIAM O. HAUSER
Selectmen of the Town of Arlington

CONSTABLE'S RETURN

Arlington, Mass., July 7, 1930.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places

and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY
Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, July 15, 1930.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a constable of the said Town, and sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Tuesday, July 15, 1930, at eight o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Albert K. Peirce and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that 179 members attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator called the meeting to order at 8:10 o'clock P.M.

The Moderator asked if there were any Town Meeting Members present who had not already been sworn. As no one stood to be sworn the meeting proceeded.

The Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by the unanimous consent of the meeting.

On motion of Arthur P. Wyman:

Voted: That if all the business of the meeting as set forth in Warrant is not disposed of on this date the meeting adjourn to Wednesday, July 23, 1930 at 8 o'clock P.M.

On motion of Arthur P. Wyman:

Voted: That Article 1 be taken up.

Article 1 taken up. (Reports of Committees)

On motion of G. Bertram Washburn:

Voted: That the report of the Finance Committee as it appears in the printed form be now received.

On motion of G. Bertram Washburn:

Voted: That Article 1 be laid on the table.

On motion of G. Bertram Washburn:

Voted: That the remaining articles in the Warrant be now taken up and that the recommendations of the Finance Committee under the various articles as presented in their printed report be considered as now before the meeting to be voted upon without further motion respectively and in the order in which they appear in said Warrant.

Article 2 taken up. (High School Building)

Nelson B. Crosby offered the following substitute motion:

That the sum of two hundred and twenty-five thousand (225,000) dollars be and hereby is appropriated for the construction of a 21 class-room unit addition to the building known as the Senior High School building, including the cost of original equipment and furnishings of said addition to be used for High School purposes; upon land of the town, bounded southwesterly by Massachusetts Avenue, and more particularly described in Article 2 of the Warrant; that for this purpose seventeen thousand (17,000) dollars be raised by general tax, and for the balance two hundred and eight thousand (208,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of two hundred and eight thousand (208,000) dollars and to issue bonds or notes of the town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen (15) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the Board of Selectmen, said Board of Selectmen to have full authority to construct such addition within the sum herein appropriated, substantially in accordance with the plans presented at this meeting, and filed in the office of the Board of Selectmen, under date of July 15, 1930.

With permission of the Moderator, Jacob Bitzer showed on the screen pictures of addition to High School Building in accordance with substitute motion as offered by Nelson B. Crosby. Mr. Bitzer informed the Town Meeting Members that these plans had been drawn by George Ernest Robinson, Architect of the fire stations recently built in Arlington. That Mr. Robinson had made no charge for these plans on account of patronage previously received from the Town for fire stations.

A lengthy discussion followed relative to a High School Building.

It was voted by the meeting to entertain a substitute motion by rising vote 104 voting in favor and 65 in opposition. Lilyan B. Forbes, Chester R. Whitman and Clinton W. Schwamb acted as tellers during the entire meeting.

On the adoption of the substitute motion as made by Nelson B. Crosby by rising vote, 107 voted in favor and 57 in opposition. The vote was lost, a two-thirds vote being necessary. A recount being requested, a second rising vote was taken the result being 107 in favor and 58 in opposition.

The Moderator declared the substitute motion as made by Nelson B. Crosby lost.

A motion was made by J. Howard Hayes:

That the meeting should vote on the recommendations of the Finance Committee.

William A. Muller offered a substitute motion. The motion being the same as that offered by the Finance Committee with the exception of the last clause—"providing that the appropriation be spent under the direction of the Board of Selectmen." The motion being put before the meeting was lost.

The motion as set forth in the recommendation of the Finance Committee was put before meeting by rising vote—77 voting in favor and 74 in opposition. Lacking the necessary two-thirds the Moderator declared the motion lost.

G. Bertram Washburn then offered a substitute mo-

tion and by rising vote, 142 voting in favor and 7 in opposition.

Voted: That the sum of two hundred and seventy-seven thousand (277,000) dollars be and hereby is appropriated for the construction of a building capable of additions including the cost of original equipment and furnishings of said building to be used for High School purposes upon land of the Town bounded southwesterly by Massachusetts Avenue and more particularly described in Article 2 of the Warrant for this meeting; that for this purpose the sum of seventeen thousand (17,000) dollars be raised by general tax, and for the balance two hundred and sixty thousand (260,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of two hundred and sixty thousand (260,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than fifteen (15) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the Board of Selectmen, which said Board shall have full authority to construct such school building within the sum herein appropriated and to employ such technical advice as they may deem necessary.

Article 3 taken up. (Additional Appropriation—Elections and Town Meetings)

Voted (Unanimously): That the additional sum of two thousand (2,000) dollars be and hereby is appropriated for Elections and Town Meetings; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Article 4 taken up. (Discontinuance of Town Way; Dow Avenue)

J. Howard Hayes offered the following substitute motion for Ethel Ware Mead:

That a portion of the town way from Appleton Street to Rhinecliff Street known as Dow Avenue heretofore laid out and accepted and more particularly described in Article 15 of the Warrant for the Annual Town Meeting of 1930, be and hereby is discontinued within the following bounded or described area, to wit:—

Beginning at the point of intersection of the Southerly side line of Appleton Street and the Southerly side line of Dow Avenue; thence Southwesterly on said side line of Dow Avenue on a curve to the left with a radius of one hundred sixty-six and 34/100 (166.34) feet a distance of fifty-nine and 36/100 (59.36) feet to a point of tangency on said Southerly side line of Dow Avenue; thence continuing Southwesterly on said Southerly side line of Dow Avenue a distance of one hundred seventy-four and 60/100 (174.60) feet to land now or formerly of Eleanor M. Smith; thence turning and running Northeasterly by Dow Avenue on a curve to the right with a radius of thirty-five and 4/10 (35.4) feet a distance of fifteen (15) feet to a point of tangency; thence by Dow Avenue a distance of fifty-six (56) feet to a point of curve; thence by Dow Avenue on a curve to the right with a radius of seventy-five and 85/100 (75.85) feet a distance of forty-eight (48) feet to a point of tangency; thence Easterly by Appleton Street one hundred twenty (120) feet to the point of beginning.

It was then voted by the meeting to entertain a substitute motion; by rising vote 57 voting in favor and 56 in opposition.

Some doubt being expressed as to whether there was a quorum of Town Meeting Members present the Moderator requested the Tellers to make a count. The result showed 140 members present. The quorum being 136 members.

Paul M. White, Town Counsel, gave the meeting his opinion as to the legality of taking action on this substitute motion, stating that if the vote to discontinue that part of Dow Avenue is passed, it would not be legal.

On adoption of recommendation as amended by Mrs. Mead, it was voted—by rising vote, 59 voting in favor and 58 in opposition.

That a portion of the town way from Appleton Street to Rhinecliff Street known as Dow Avenue heretofore laid out and accepted and more particularly described in Article 15 of the Warrant for the Annual Town Meeting of 1930, be and hereby is discontinued within the following bounded or described area, to wit:—

Beginning at the point of intersection of the Southerly side line of Appleton Street and the Southerly side line of Dow Avenue; thence Southwesterly on said side line of Dow Avenue on a curve to the left with a radius of one hundred sixty-six and 34/100 (166.34) feet a distance of fifty-nine and 36/100 (59.36) feet to a point of tangency on said Southerly side line of Dow Avenue; thence continuing Southwesterly on said Southerly side line of Dow Avenue a distance of one hundred seventy-four and 60/100 (174.60) feet to land now or formerly of Eleanor M. Smith; thence turning and running Northeasterly by Dow Avenue on a curve to the right with a radius of thirty-five and 4/10 (35.4) feet a distance of fifteen (15) feet to a point of tangency; thence by Dow Avenue a distance of fifty-six (56) feet to a point of curve; thence by Dow Avenue on a curve to the right

with a radius of seventy-five and 85/100 (75.85) feet a distance of forty-eight (48) feet to a point of tangency; thence Easterly by Appleton Street one hundred twenty (120) feet to a point of beginning.

A motion to adjourn failed to carry.

Arthur P. Wyman made a motion that the vote be reconsidered.

The Moderator ruled this out of order since Mr. Wyman did not vote in favor of the prevailing view.

Article 5 taken up. (Exterior Lines—Dow Avenue)

J. Howard Hayes read the following substitute motion for Mrs. Mead:

That the exterior lines of a way from Dow Avenue Southeasterly as made and reported by the Joint Board of Selectmen and Board of Public Works and more particularly described in Article 6 of the Warrant for the Special Town Meeting of April 9, 1930 and under Article 5 of this Warrant, be and hereby are discontinued.

By request the members were counted and only 116 being present on motion of M. Francis Mead the meeting adjourned at 12:10 A.M. July 16, 1930.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

ADJOURNED MEETING

Arlington, July 23, 1930.

Pursuant to the vote of adjournment on July 15, 1930, the Town Meeting Members met in the Town Hall on Wednesday Evening, July 23, 1930, notices having been sent by mail by the Town Clerk seven days before the meeting and posted at two places in each precinct. A notice was published in the local paper.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Albert K. Peirce and James E. Sweeney.

The Check Lists filed with the Town Clerk at the close of the meeting showed that one hundred seventy-six attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to impartially and correctly report the proceedings of the Meeting to the best of his ability.

The meeting was called to order at 8:00 o'clock by the Moderator, Curtis H. Waterman.

On Motion of Arthur P. Wyman:

Voted: That if the remaining Articles in the Warrant calling this meeting are not disposed of on this date, the meeting when it adjourns, adjourn to Wednesday Evening, July 30, 1930 at eight o'clock.

Article 5 taken up. (Discontinuance of Exterior Lines)

Arthur P. Wyman, Chairman of the Joint Board of Selectmen and Board of Public Works, explained on a plan exhibited, the lines referred to in this Article.

Mr. Wyman's explanation was supplemented by that of Town Engineer James M. Keane.

In his explanation Mr. Wyman referred to the illegality of the Action taken on Article 4 which related to the Discontinuance of Dow Avenue taken at the previous Meeting.

Frederick A. Hortter asked for an explanation of Mr. Wyman's reference.

Town Counsel, Paul M. White, gave his reasons for considering the Action on Article 4 illegal.

Arthur P. Wyman then explained the changes by means of a plan in the Mead Property by reason of the Action at the Meeting held July 15, 1930.

Philip A. Hendrick, Counsel for Mr. and Mrs. Mead, explained the intent of the Substitute Motions, as made by Mrs. Mead on Articles 4 and 5 and his reasons why they were legal.

The Meeting then voted on the adoption of the Substitute Motion and the motion was lost.

On the adoption of the recommendation of the Finance Committee it was

Voted: That the Town do not discontinue the exterior lines of a way from Dow Avenue southeasterly shown upon a plan entitled "Plan Showing Proposed Exterior Lines of Wachusett Avenue, Arlington, Mass., Scale 1″=40′, March 1, 1930, James M. Keane, Town Engineer," a copy of which is on file in the office of the Town Engineer and more particularly described in Article 6 of the Warrant for the Special Town Meeting of April 9, 1930.

Article 6 taken up. (Land for Park Purposes)

Voted (Unanimously): That the Board of Park Commissioners be and hereby is authorized and empowered, on behalf of the Town, to purchase or take in fee by eminent domain or otherwise acquire, for the purpose of a public park, a certain parcel of land within the Town, and the building or buildings thereon, and any rights or easements of way or otherwise as appurtenant thereto and subject to or with reservations of any rights or easements of way or connected with any sewer or drain purposes or other rights or easements therein bounded and described as follows: northerly by land now or formerly of Charles H. McKenna one hundred thirty-seven and 12/100 (137.12) feet, easterly by land now or formerly of Elsa V. Johnson described in the vote passed on April 2, 1930 under Article 49 of the Warrant for the annual meeting twenty and 55/100 (20.55) feet, and southeasterly and southerly by said land now or formerly of Elsa V. Johnson one hundred twenty-three and 45/100 (123.45) feet, being shown upon a plan marked "Plan of Land Owned by Elsa V. Johnson, Arlington, Mass., Scale 40′=1″, January 21, 1920, L. G. Brackett & Co., Engineers"; that for the purpose of such purchase, taking or acquisition the sum of one hundred (100) dollars be and hereby is appropriated, and that said sum be raised by general tax and expended under the direction of the Board of Park Commissioners.

Article 7 taken up. (Land for Park Purposes)

Voted (Unanimously): That the Board of Park Commissioners be and hereby is authorized, on behalf of the Town, to purchase or take in fee by eminent domain or otherwise acquire, for the purpose of a public park, the land, rights or easements, described in the vote of the Town passed on April 2, 1930 under Article 49 of the Warrant for the Annual Meeting of 1930, subject to

or with any reservations of any rights or easements of way or connected with any sewer or drain purposes; and further, that said Board be and hereby is authorized to expend for said purpose the sum of thirteen thousand (13,000) dollars appropriated by said vote, which said sum is hereby reappropriated for the purpose. Said land described in said vote is bounded as set forth in Article 7 of the Warrant for this meeting.

On Motion of G. Bertram Washburn:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1, the Moderator declared Article 1 disposed of.

The Moderator declaring that all business in the Warrant calling this Meeting having been disposed of the Meeting on motion of Frederick A. Hortter was adjourned at 9:05 P.M.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.
To any of the Constables of the Town of Arlington,

Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in their respective voting places, viz:— Precinct 1, Crosby School; Precinct 2, Hardy School; Precincts 3 and 5, Old

Town Hall; Precincts 4 and 6, Robbins Town Hall; Precincts 7, Locke School, Tuesday, the sixteenth day of September, 1930, at 2 o'clock P.M., for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices: Governor for this Commonwealth; Lieutenant Governor for this Commonwealth; Secretary of the Commonwealth for this Commonwealth; Treasurer and Receiver-General for this Commonwealth; Auditor of the Commonwealth for this Commonwealth; Attorney General for this Commonwealth; Senator in Congress for this Commonwealth; Representative in Congress for the 8th Congressional District; Councillor for the 6th Councillor District; Senator for the 6th Senatorial District; 2 Representatives In General Court for the 28th Representative District; District Attorney for the Northern District; Register of Probate and Insolvency for Middlesex County; County Commissioner for Middlesex County; Associate County Commissioners (2) for Middlesex County; County Treasurer for Middlesex County.

And for the Election of the following officers: District Member of State Committee for each political party for the 6th Senatorial District; 30 Members of the Republican Town Committee; 10 Members of the Democratic Town Committee; 28 Delegates to State Conventions of the Republican Party; 10 Delegates to State Conventions of the Democratic Party.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from 2 P.M. to 8 P.M.

And you are directed to serve this Warrant by posting attested copies thereof seven days at least before the time of said meetings as directed by vote of the town.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this second day of September, A. D. 1930.

ARTHUR P. WYMAN,
HOLLIS M. GOTT,
WILLIAM O. HAUSER,
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Sept. 8, 1930.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY,
Constable, Town of Arlington, Mass.

Arlington, September 16, 1930.

In pursuance of the foregoing Warrant the legal voters of the Town of Arlington met in their respective voting places in said Arlington on Tuesday, the sixteenth day of September, 1930.

Polling places had been designated as follows: Precinct 1, at the Crosby Schoolhouse, Winter Street; Precinct 2, at the Hardy Schoolhouse, Lake Street; Precincts 3 and 5, Old Town Hall; Precincts 4 and 6, Robbins Memorial Town Hall; Precinct 7, Locke Schoolhouse, Park Avenue.

The following election officers, having been duly appointed, served as follows:

Precinct 1—Herbert B. Kellogg, Warden, 34 Cleveland Street; Percy S. Morine, Clerk, 63 Cleveland Street; John S. Kelley, 27 Cleveland Street; Chester E. Smith, 57 Cleveland Street; Amy Watkins, 27 Cleveland Street; Alice L. Carpenter, 57 Cleveland Street, Harriette E. Denvir, 78 Cleveland Street; Ruth M. Kelley, 30 Cleveland Street, Claire L. Pavey, 30 Cleveland Street; Joseph V. Traverse, 42 Cleveland Street; Arthur O. Davidson, 60 Winter Street.

Precinct 2—Walter J. Buckley, Warden, 166 Brooks Avenue; Robert K. Wallace, Clerk, 55 Randolph Street; Clifford A. Schiring, 68 Milton Street; A. Gordon Wier, 15 Alfred Road; Lloyd V. Marsters, 50 Adams Street; Daniel F. Coughlin, 154 Brooks Avenue; Judson F. Easton, 62 Melrose Street; Elizabeth Cain, 39 Orvis Road; Dorothy O'Neil, 19 Alfred Road; Laura M. Barry, 37 Orvis Road; Gertrude M. Thompson, 24 Orvis Road, Harry MacKenzie, 165 Brooks Avenue.

Precinct 3—David T. Dale, Warden, 280 Broadway; Mabel Frances Evans, Clerk, 260 Broadway; Edward D. McCarthy, 15 Dartmouth Street; Ralph Stevens, 35 Sherborn Street; William E. Robinson, 5 Webster Street; Frank O'Neil, 111 Medford Street; Harry W. Marden, 11 Wyman Street; Anna E. Duffy, 93 Medford Street; Mary M. Dale, 280 Broadway; Robert P. Cusack, 66 Webster Street.

Precinct 4—Roger W. Homer, Warden, 25 Addison Street; Robert P. Cook, Clerk, 21 Addison Street; Edward J. Dineen, 15 Avon Place; Curtis B. Forbes, 108 Jason Street; Therese N. Turner, 130 Jason Street; Edith F. Marsh, 61 Norfolk Road; Joseph F. H. Ochs, 16 Swan Place; Anna F. Power, 10 Whittemore Street; Alice G. Priest, 26 Whittemore Street; Lilyan B. Forbes, 108 Jason Street; William H. Moore, 116 Jason Street.

Precinct 5—Maurice L. Hatch, Warden, 20 Draper Avenue; John G. Kelly, Clerk, 8 Farrington Street; Francis Donnelly, 63 Brattle Street; Mary M. Donahue, 923 Massachusetts Avenue; Fred J. Barry, 169 Mystic Street; Ruth C. Turner, 24 Draper Avenue; Mildred S. Hatch, 20 Draper Avenue; George W. Fleming, 140 Summer Street; Chester R. Whitman, 59 Ronald Road.

Precinct 6—John M. Dunn, Warden, 56 Appleton Street; Augustine D. Doyle, Clerk, 14 Temple Street; T. Gordon Smith, 3B Harvard Street; John R. Hendrick, 106 Wildwood Avenue; Roger S. Dunbar, 56 Jason Street; Eliza G. Kirsch, 48 Walnut Street; Madeline F. Kelley, 83 Highland Avenue; Helen F. Doyle, 14 Temple Street; Bertha M. Cowdrey, 23 Howard Street; Conrad W. Mellin, 29 Fessenden Road; Rose E. Hurley, 26 Highland Avenue; Katherine M. Kerr, 12 Harvard Street; Annie T. Toner, 26 Highland Avenue; Howard Edgar Rowsell, 10 Revere Street; Hortense Dunn, 56 Appleton Street.

Precinct 7—Floyd R. Battis, Warden, 12 West Street; Ernest Cavicchi, Clerk, 1257 Massachusetts Avenue; Carlton J. Meade, 137 Florence Avenue; Frederick B. Fallon, 52 Bow Street; Martin J. Ryan, 200 Park Avenue; C. Frederick Evans, 109 Claremont Avenue; Edward A. Curley, 1271 Massachusetts Avenue; Edith M. Cameron, 10 West Street; Adrian H. Robinson, 91 Westminster Avenue; James F. Colgan, 17 Bow Street; Mary

F. Currier, 82 Claremont Avenue; Helen C. Greeley, 40 Tanager Street.

All laws governing primary elections were observed. The polls were declared open in all precincts at two o'clock P.M. and remained open until eight o'clock P.M., at which time, after due notice, they were declared closed.

The ballots were counted by the election officers in each voting place, the tally sheets and total tally sheets prepared by the Town Clerk being used.

The ballots cast, after being counted, were enclosed in envelopes, sealed and signed by the election officers, and delivered to the Town Clerk in the Town Clerk's office.

The Town Clerk and Clarence Needham, having been duly appointed to act as deputy, canvassed the returns as made by the election officers. The result was as follows:

The returns of the Primary were filled out on the blanks furnished for the purpose by the Secretary of the Commonwealth, signed by the Selectmen and Town Clerk and filed in the office of the Secretary of the Commonwealth.

A True Record of the Primary, Attest:

E. CAROLINE PIERCE,
Town Clerk.

RECOUNT

Arlington, September 23, 1930.

A recount of the votes cast on September 16, 1930, for the office of Senator from the Sixth Middlesex District, having been duly petitioned for, was held on this

date, in the Hearing Room, Robbins Memorial Town Hall, by the Registrars of Voters.

Notices of the time of the recount had been sent to the candidates by registered mail.

Four checkers, two Republicans and two Democrats assisted in the recount.

The meeting was called to order at 1:10 P.M. by Eben F. Dewing, Chairman of the Board.

The petitions were read, the seals broken, and the boxes opened.

Judge John G. Brackett represented Charles C. Warren.

As Mr. Peters had not arrived and as no return receipt for notification sent him by registered mail had been returned, the meeting waited. Mr. Peters accompanied by David I. Leary, counsel, came at 1:20 P.M. Mr. Dewing submitted the petition to Mr. Peters. Mr. Peters left the meeting and Mr. Leary represented him.

Messrs. Bitzer and Harris were not present and were not represented by counsel.

The following are the names of persons assisting in the recount:

Republican: Marion F. Carmo, Mabel F. Evans.

Democratic: Laura M. Barry, John R. Hendrick.

The result of the recount which closed on this date at 4 P.M. was as follows:

Senator

	Jacob Bitzer	James G. Harris	Lewis H. Peters	Charles C. Warren	Blanks	Total
Precinct 1	74	5	35	122	17	253
Precinct 2	92	5	52	192	27	368
Precinct 3	76	13	27	132	17	265
Precinct 4	105	8	12	200	8	333
Precinct 5	113	5	53	124	13	308
Precinct 6	264	9	32	351	34	690
Precinct 7	270	11	23	237	11	552
	994	56	234	1358	127	2769
The vote as recorded September 16, 1930, was	995	55	234	1356	129	2769

In accordance with law the ballots were returned to the Town Clerk.

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk.

Arlington, September 23, 1930.

The result of the recount was filed according to law in the office of the Secretary of the Commonwealth.

Attest:

E. CAROLINE PIERCE,
Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts Middlesex, ss.
To the Constables of the Town of Arlington, in said County:

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified as the Constitution requires, to meet in their respective voting places in said Town: Precinct 1 at the Crosby School, Precinct 2 at the Hardy School, Precincts 3 and 5 at the Old Town Hall, Precincts 4 and 6 at Robbins Memorial Town Hall, Precinct 7 at the Locke School, Tuesday, the fourth day of November, next, it being the Tuesday next after the first Monday in said month, at 6 A.M. to act on the following articles, viz:

Article 1. To bring in their votes for a Governor; a Lieutenant-Governor; a Secretary; a Treasurer; an Auditor; an Attorney-General of the Commonwealth; a Senator in Congress for this Commonwealth; a Representative in Congress for the eighth Congressional District; a Councillor for the sixth Councillor District; a Senator for the sixth Senatorial District; two Representatives in the General Court for the twenty-eighth Representative District; a District Attorney for Middlesex County; a Register of Probate and Insolvency for Middlesex County; a County Commissioner for Middlesex County; two Associate County Commissioners in Middlesex County; a County Treasurer for Middlesex County.

Article 2. To vote "Yes" or "No" on the acceptance of the following "Proposed Amendment to the Constitution."

Question No. 1

Article XXI of the articles of amendment is hereby annulled and the following is adopted in place thereof:

Article XXI. In the year nineteen hundred and thirty-five and every tenth year thereafter a census of the inhabitants of each city and town shall be taken and a special enumeration shall be made of the legal voters therein. Said special enumeration shall also specify the number of legal voters residing in each precinct of each town containing twelve thousand or more inhabitants according to said census and in each ward of each city. Each special enumeration shall be the basis for determining the representative districts for the ten-year period beginning with the first Wednesday in the fourth January following said special enumeration; provided, that such districts as established in the year nineteen hundred and twenty-six shall continue in effect until the first Wednesday in January in the year nineteen hundred and thirty-nine.

The House of Representatives shall consist of two hundred and forty members, which shall be apportioned by the General Court, at its first regular session after the return of each special enumeration, to the several counties of the Commonwealth, equally, as nearly as may be according to their relative numbers of legal voters, as ascertained by said special enumeration; and the town of Cohasset, in the county of Norfolk, shall, for this purpose, as well as in the formation of districts as hereinafter provided, be considered a part of the county of Plymouth; and it shall be the duty of the secretary of the Commonwealth to certify, as soon as may be after it is determined by the General Court, the number of Representatives to which each county shall be entitled, to the board authorized to divide such county into representative districts. The County Commission-

ers or other body acting as such or, in lieu thereof, such board of special commissioners in each county as may for that purpose be provided by law, shall, within thirty days after such certification by the secretary of the Commonwealth or within such other period as the General Court may by law provide, assemble at a shire town of their respective counties, and proceed, as soon as may be, to divide the same into representative districts of contiguous territory and assign Representatives thereto, so that each Representative in such county will represent an equal number of legal voters, as nearly as may be; and such districts shall be so formed that no town containing less than twelve thousand inhabitants according to said census, no precinct of any other town and no ward of a city shall be divided therefor, nor shall any district be made with shall be entitled to elect more than three Representatives. The General Court may by law limit the time within which judicial proceedings may be instituted calling in question any such apportionment, division or assignment. Every Representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen, and shall cease to represent such district when he shall cease to be an inhabitant of the Commonwealth. The districts in each county shall be numbered by the board creating the same, and a description of each, with the numbers thereof and the number of legal voters therein, shall be returned by the board, to the secretary of the Commonwealth, the county treasurer of such county, and to the clerk of every city or town in such county, to be filed and kept in their respective offices. The manner of calling and conducting the elections for the choice of Representatives, and of ascertaining their election, shall be prescribed by law.

Article XXII of the articles of amendment is hereby annulled and the following is adopted in place thereof:

Article XXII. Each special enumeration of legal voters required in the preceding article of amendment shall likewise be the basis for determining the senatorial districts and also the councillor districts for the ten-year period beginning with the first Wednesday in the fourth January following such enumeration; provided, that such districts as established in the year nineteen hundred and twenty-six shall continue in effect until the first Wednesday in January in the year nineteen hundred and thirty-nine. The Senate shall consist of forty members. The General Court shall, at its first regular session after the return of each special enumeration, divide the Commonwealth into forty districts of contiguous territory, each district to contain, as nearly as may be, an equal number of legal voters, according to said special enumeration; provided, however, that no town or ward of a city shall be divided therefor; and such districts shall be formed, as nearly as may be, without uniting two counties, or parts of two or more counties, into one district. The General Court may by law limit the time within which judicial proceedings may be instituted calling in question such division. Each district shall elect one Senator, who shall have been an inhabitant of this Commonwealth five years at least immediately preceding his election, and at the time of his election shall be an inhabitant of the district for which he is chosen; and he shall cease to represent such senatorial district when he shall cease to be an inhabitant of the Commonwealth."

To vote "Yes" or "No" on the following "Laws Proposed by Initiative Petition."

Question No. 2

"An Act to repeal section two A of chapter one hundred and thirty-eight of the General Laws, inserted by chapter three hundred and seventy of the acts of nineteen hundred and twenty-three."

Question No. 3

"An Act to amend chapter one hundred and thirty-one of the General Laws."

Article 3. To vote "Yes" or "No" on the acceptance of Chapter 383, Acts of 1929, entitled "An Act relative to transportation facilities in the Metropolitan District."

All the above to be voted for on one ballot. The polls will be open from 6 A.M. until 8 P.M. You are directed to serve this warrant by posting attested copies thereof in, at least, five conspicuous places in each precinct, seven days, at least, before the time of said meeting, as directed by vote of the Town. You are further directed to leave an attested copy of this warrant at every dwelling house in the Town.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day of Election.

Given under our hands this twentieth day of October, A.D., 1930.

ARTHUR P. WYMAN,
HOLLIS M. GOTT,
WILLIAM O. HAUSER,
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Oct. 27, 1930.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein

named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) CHARLES E. CARROLL,
Constable, Town of Arlington, Mass.

Arlington, Mass., Nov. 4, 1930.

In pursuance of the foregoing Warrant the legal voters of the Town of Arlington met in their respective voting places on Tuesday, the fourth day of November, nineteen hundred and thirty, at six o'clock in the forenoon.

The polling places were designated as follows: Precinct 1, Crosby Schoolhouse, Winter Street; Precinct 2, Hardy Schoolhouse, Lake Street; Precincts 3 and 5, Old Town Hall; Precincts 4 and 6, Robbins Memorial Town Hall; Precinct 7, Locke Schoolhouse, Park Avenue.

The following election officers served:

The ballots cast in all precincts were delivered to the Town Clerk in sealed packages, as were the unused ballots. The voting lists used at the entrances of the polling places and at the ballot boxes, with tally sheets and copy of precinct record of election, were also returned, all properly sealed in conformity with the laws governing elections.

Attest:

E. CAROLINE PIERCE,
Town Clerk.

Arlington, Mass., November 14, 1930.

Pursuant to law the Assistant Town Clerk, Helen C. Whittemore, of Lexington and the Town Clerk of Arlington met in the office of the Town Clerk of Arlington on Friday, the fourteenth day of November, in the year of our Lord, one thousand nine hundred and thirty, at 12 o'clock noon, for the purpose of canvassing the votes cast on the fourth day of November for two representatives to the General Court of the Commonwealth, to represent the Twenty-eighth Middlesex District.

The canvass showed the following result of the votes cast in Arlington and Lexington.

In Arlington, Albert H. Burnham had five thousand six hundred thirty-seven (5637).

In Lexington, Albert H. Burnham had two thousand eighty-seven (2087).

In Arlington and Lexington, Albert H. Burnham had seven thousand seven hundred twenty-four (7724).

In Arlington, Michael J. Cavanaugh had four thousand one hundred ninety-seven (4197).

In Lexington, Michael J. Cavanaugh had six hundred and eighty-eight (688).

In Arlington and Lexington, Michael J. Cavanaugh had four thousand eight hundred and eighty-five (4885).

In Arlington, Nelson B. Crosby had six thousand one hundred and forty (6140).

In Lexington, Nelson B. Crosby had one thousand five hundred and eighty-one (1581).

In Arlington and Lexington, Nelson B. Crosby had seven thousand seven hundred and twenty-one (7721).

In Arlington, Paul C. Griffin had three thousand seven hundred and thirty-five (3735).

In Lexington, Paul C. Griffin had five hundred ninety-four (594).

In Arlington and Lexington, Paul C. Griffin had four thousand three hundred and twenty-nine (4329).

The canvass showed that Albert H. Burnham and Nelson B. Crosby had a majority of the votes cast in both towns.

Certificates of votes cast for representatives in each town were exchanged by the Clerks respectively.

Certificates showing the results of the election were signed by the Clerks, one of the certificates was sent to the Secretary of the Commonwealth, one was delivered to the Town Clerk of Lexington, to be delivered to Mr. Albert H. Burnham of Lexington, and one was delivered to Edwin C. Jacobs, Constable of the Town of Arlington, to be delivered to Nelson B. Crosby of Arlington.

Attest:

E. CAROLINE PIERCE,
Town Clerk.

REPORT OF THE TOWN CLERK'S DEPARTMENT

Arlington, Mass., December 31, 1930.

The report of this department for year ending December 31, 1930, is herewith submitted.

For reports of Town Meetings, Cemetery Commissioners, and Registrars of Voters, all of which come under the work of this department, reference is made to those headings.

CHARLES A. HARDY,
Town Treasurer.

REPORT OF
FINANCE COMMITTEE OF TWENTY-ONE

The Finance Committee of Twenty-one submits the following report in two parts:

1. Final report of the 1929-30 committee.
2. Partial report of the 1930-31 committee.

1. The committee of 1929-30 began the customary consideration of the 1930 departmental budgets early in January, and of all articles of the Warrant for the 1930 Annual Town Meeting—and made definite recommendations on all matters that come within the scope of its activities as specified in the Town By-laws and State regulations.

The work of the Finance Committee of 1929-30 was handled by the customary sub-committees on

1. Schools and Libraries.
2. Departments of Selectmen.
3. Public Works and Parks.
4. Joint Board and New Streets.

During the year 1929-30 fourteen meetings were held with a maximum attendance of twenty members, a minimum attendance of thirteen members and an average attendance of sixteen and five-sevenths members.

ARTHUR C. McCARTHY, Secretary,
CHAS. M. SAWYER, Vice Chairman,
G. BERTRAM WASHBURN, Chairman.

2. The committee of 1930-31 has held to date fourteen meetings, giving consideration to all matters (except zoning) in the warrants for special and regular Town Meetings, and transferred various amounts from the $15,000 reserve fund as provided in the Town By-laws and State regulations.

The following elections were made by the committee to fill vacancies caused by the resignations of appointed members:

D. Herbert Buttrick for Charles M. Sawyer

William C. Scannell for Carl S. Nelson

The following transfers were made from the reserve fund in 1930:

May 16, 1930—$390.00—Engineering Department—new auto.

June 19, 1930—$275.00—Police Department—spot light.

July 1, 1930—$150.00—Police Department—pedestrian light.

July 8, 1930—$150.00—Repair Account—Menotomy Hall.

September 16, 1930—$101.60—Assessors Department—Printing True List.

November 7, 1930—$49.30—Repairs to Fowles Dam.

November 7, 1930—$1,000.00—School Department—Vocational Education.

November 7, 1930—$150.00—School Department—Light and power.

November 7, 1930—$100.00—Treasurer—Postage.

November 7, 1930—$50.00—Repairs of Town Building Account.

December 22, 1930—$350.00—Board of Health—Communicable Diseases.

December 22, 1930—$1,500.00—Board of Public Works—Sanitary Division.

December 22, 1930—$2,476.28—Robbins Memorial Town Hall—Repairs and Maintenance Account.

January 2, 1931—$350.00—Traffic Lights Maintenance and Repairs.

January 2, 1931—$72.00—State and Military Aid Account.

January 2, 1931—$599.19—School Department—Vocational Training.

January 6, 1931—$50.00—Fire and Police Signal System—Maintenance Account.

January 6, 1931—$55.00—Police Department—Maintenance and Expense Account.

January 6, 1931—$1,000.00—Welfare Department.

Total Transfers—$8,868.37.

The work of the Finance Committee was handled by the following sub-committees:
Schools and Libraries

Ernest W. Davis, Chairman
Donald M. Hollister
Henry J. Welch
Walter T. Chamberlain
G. Leslie Vianello

Public Works and Parks

Edward A. Morton, Chairman
Thomas F. Good
Angus P. Macdonald
D. Herbert Buttrick
Walter S. Cooledge

Department of Selectmen and Incidentals

James F. Younie, Chairman
Arthur O. Davidson
John J. Sullivan
Harold J. Rogers
Nils G. Anderson

Joint Board and All Other Departments

Arthur C. McCarthy, Chairman
Clarence E. Biathrow
William E. Barry
Harold M. Estabrook

Special Committee on Sale of Town Land

Angus P. Macdonald, Chairman
Harold M. Estabrook
Arthur O. Davidson

Special Committee for Investigation of Salaries

James F. Younie, Chairman
Harold J. Rogers
Clarence E. Biathrow

G. BERTRAM WASHBURN, Chairman.
ERNEST W. DAVIS, Vice Chairman,
WALTER CHAMBERLAIN, Secretary,

TOWN ACCOUNTANT'S REPORT

Arlington, Mass., January 31, 1931.

To the Honorable Board of Selectmen:

Gentlemen: I hand you herewith a report of the financial transactions of the Town of Arlington for the fiscal year ending December 31, 1930, as set forth in the following schedules:

Balance Sheet.
Unexpended Balances of Appropriation Accounts.
Debt Statement.
Public Trust Funds (Cash and Securities).
Statement of Appropriations.
Receipts and Expenditures.

Respectfully submitted,

CLARENCE NEEDHAM,
Town Accountant.

REPORT OF THE BOARD OF SELECTMEN

At the Annual March meeting Mr. William O. Hauser was elected Selectman for a term of three years. The Board organized with Mr. Arthur P. Wyman, Chairman, and Mr. John A. Easton, Clerk of the Board.

The regular meetings of the Board are held Monday evenings. Routine matters are considered, hearings are given on petitions as required by law and audiences given to individuals, committees and delegations by appointment. Due to many important matters which confronted the Board this year additional meetings have been held on other evenings of the week.

Building permits granted this year exceeded those of last year by forty-three thousand, two hundred eighty-two (43,282) dollars. This is very gratifying when you consider that building has fallen off all over the country due to general depression. Compared as follows:

Building permits this year aggregate.....$2,172,627.00
Building permits granted in 1929..... 2,129,345.00

ROBBINS MEMORIAL HALL

The Town Hall has been maintained in its usual good condition of repair. Each year a sufficient amount of money is appropriated in the budget to repaint such portions of the halls, stairways and offices as may need attention, also to repair and retouch the scenery used on the stage.

The Hall is in constant use by the various organizations of the Town and for social and other gatherings.

MENOTOMY HALL

This building known as the Old Town Hall is used by the Boy Scouts, Girl Scouts and classes of school children under supervision of instructors.

The two stores on the ground floor are rented to S. K. Ames Company and Rush and Hamlin, at a satisfactory rental.

PUBLIC WELFARE DEPARTMENT

This department has functioned as a separate unit since June 1, 1929, and it can be seen by the following report that work of Public Welfare is one of our most important departments. The report of the Agent follows:

To the Honorable Board of Selectmen
Arlington, Mass.
Gentlemen:

The present unemployment situation has brought numerous and recent reactions into the families who are maintaining a "decent" standard of living on marginal or sub-marginal incomes. Although Arlington is not an industrial center, many problems which in periods of normal business condition would have remained quiescent, have become a very pressing consideration to the Welfare activities of a town of the size and type of this community. Self respecting families have been forced through economic pressure from loss of a home in which they have invested a small amount of equity with the prospect of ultimate ownership, to abandon all idea of independence, when the wage earner has ceased to bring in the weekly allowance for any extended period. Another problem presents itself when the head of the family has an unstable record of drink or gambling habit, and when pressure of unemployment unsettles him emotionally, he eventually follows the line

of least resistance, and deserts his wife and children. Several of this type of case have been brought to us for adjustment during the past year. We believe that economic risks are increased unless relief is used merely as a tool of corrective social construction, and with this end in view, we endeavor to rebuild the family structure, and avoid as far as possible the ordinary relief system and substitute a remedial program. The majority of the recipients of aid in this Town are found to be exceptionally self-respecting and cooperative, and anxious to adopt any plan which may prove to be effective and which will remove the cause and need for relief.

The Mothers' Aid cases constitute a very happy and hopeful group; and the children of these mothers, who have been relieved of economic anxiety, are developing normally, and are growing into good citizenship. Within the past year four Mothers' Aid families have been discharged as being economically independent. In two families, girls who had reached the age of sixteen obtained suitable employment with good wages, and added to the earnings of the mother, and older brother or sister, enabled the families to graduate from Town and State support. In both families this step was taken with great pride and satisfaction. Another Mothers' Aid case was discharged because the husband who had been a semi-invalid for years, had regained his health, and the family its independence. In another instance the mother, who was a trained nurse before marriage, but was handicapped by illness, received treatment, which enabled her to resume her profession. At the present time she is receiving a very small amount of supplementary relief. Another case has been discharged by the death of the mother from T. B. This has been transferred to Public Welfare Aid.

5 Mothers' Aid cases have been added to the list.

8 Mothers' Aid cases are receiving continued relief at the present time.

37 new families have been added to the Public Welfare list during the past year.

77 families aided have Arlington settlement.

18 familes aided have other City or Town settlement.

21 families aided have no settlement in the Commonwealth.

49 families have been discharged as being economically independent.

96 cases have received medical and hospital treatment.

As far as possible every remedial agent has been employed to bring the people into a normal existence.

Expenditure for Mothers' Aid and Poor Relief for 1930	$35,888.05
Reimbursement for Aid rendered	12,546.46
Net cost of Relief	$24,341.59

We wish to thank the different agencies of the Town for their assistance and hearty and wise cooperation in the work—The Welfare Council—Visiting Nursing Association—The Schools—The Hospital—The Lend-a-Hand groups—The Church Societies—The Pastors of the Parishes — The Elks — The Rotary Club — The Kiwanis Club—The Legion—The Police—and the various individuals who have helped to make the Town and the people a happier and more harmonious community. Every step toward a higher expression of life, and a richer and more comprehensive use of life's opportunities is an objective which is worthy of the effort of a united Town government. The ultimate achievement of worthy citizenship is the goal of our Public

Welfare work. In addition we consider that every taxpayer in the Town shares in the responsibility of the support of the dependent, and we endeavor to protect his interest in every respect by conserving the Town appropriation and giving the most thoughtful consideration to all questions of out-of-town settlements and financial responsibilities. We estimate that the budget has been reduced several thousands of dollars through this system of thorough investigation.

Respectfully submitted,

Board of Public Welfare,

MARION L. SMITH, Agent.

POLICE DEPARTMENT

The department at present consists of one Acting Chief, seven Sergeants, twenty-nine Patrolmen and eight Reserve Officers.

Sergeant John Duffy, who was a member of the Police Department for thirty-nine years, nineteen years as a Sergeant, passed away July 14, 1930. Sergeant Duffy was held in high esteem by all those who knew him and was a great loss to this department.

On September 1, 1930, due to ill health, Chief Thomas O. D. Urquhart was retired from active duty after more than twenty-five years of service. The Board of Selectmen sent Chief Urquhart a letter expressing their appreciation of the fine service he had rendered to the Town of Arlington. In addition the citizens also expressed their appreciation to Chief Urquhart by presenting him with a purse of gold. The Board appointed Sergeant Edwin C. Jacobs Acting Chief as of August 1, 1930, until further notice.

Last year through boulevard signs were installed on the main arteries of the Town and stop signs at the entrances of all intersecting streets. At the last Annual Town Meeting these signs were made legal. It is now the duty of the Police Department to see that these signs are observed.

Considering the unrest that has prevailed all over the country the past year, law and order have been maintained and the Town has been free from violent and outstanding criminal acts, and Chief Thomas O. D. Urquhart, Acting Chief Edwin C. Jacobs and the men under them are to be commended for the fine record of the past year.

FIRE DEPARTMENT

The department consists of a Chief, a Deputy Chief, seven Captains, six Lieutenants, thirty Privates and one department surgeon.

Considering the rapid increase in our population and valuation the last few years the quota of our men in this department has not kept pace with our growth. For this reason it is hoped the shortage will be provided for in 1931 by the vote of the Town Meeting.

The annual inspection of cellars in dwelling houses continued this year as in the past and the citizens have certainly been splendid in their cooperation.

There was one conflagration, the burning of the ice house at the foot of Linwood Street on the shore of Spy Pond. It required the aid of the surrounding Towns and Cities, in all a total of twenty-four pieces of apparatus responded.

A Special Service Truck was put into operation July 1, 1930, equipped with flood lights and emergency

tools which has proved very valuable to the department as well as for all emergency calls.

There were two exhibition drills given this year to the public at the Highland Fire House. The first invitation was sent out by the Board of Selectmen and the second by Chief Tierney and we are pleased to say they were very well attended. These exhibitions were staged to give the public some idea how the department functions.

The Fire Underwriters rate this department as one of the best in the country. The Chief and his men are to be congratulated.

GENERAL MATTERS

On June 24, 1929, we appointed a committee to have charge of Arlington's activities in connection with the "Massachusetts Bay Tercentenary," a State-wide and year-long celebration.

The following committee planned and carried out the various events: Charles A. Hardy, Chairman, Frank A. Woodhead, Vice-Chairman, Miss Ednah A. Warren, Secretary, Charles H. Higgins, Treasurer, Mrs. Helen Gage Bailey, John G. Brackett, Gerard Ladd, Luke A. Manning, Denis A. McCarthy, Mrs. Lilliam W. Sawyer, Mrs. Mary L. Waterman.

Arlington was among the first of over 250 communities to respond to the call for organization purposes and in recognition of the helpful part Arlington took in the general rounding out of the program for the State, our local chairman was elected a Director of the Tercentenary Conference of city and town committees, to help plan and coordinate the activities of the various Communities. He also officially represented Arlington at the celebrations in our neighboring cities and towns.

In addition to the principal activities listed below, the Committee wrote and distributed 10,000 copies of a short history of Arlington, showing its progress during 300 years. The Committee also repainted the large signs at the entrances to the Town, had the Revolutionary tablets cleaned and re-lettered and placed fifteen markers at historical spots. The Robbins Memorial Town Hall and the Middlesex Sportsman's Association Club House were beautifully decorated during Old Home Week. The churches, schools, the press, the Chamber of Commerce, the patriotic and other organizations, and the citizens generally, gave splendid cooperation to our committee and made Arlington's part an outstanding one in this momentous year of historical events. The schools and many of the churches and societies held Tercentenary meetings, with special events or speakers.

The Committee's various activities leading up to the final and principal event in June, were as follows:

January 1, 1930—The church bells ushered in the New Year.

March 4—"Charter Day" Banquet in Town Hall. Judge Murray gave the historical address.

April 19—Special exercises in the forenoon. Military Ball and Concert in the evening, sponsored by Post 39, American Legion.

June 1-8—Old Home Week.

June 1—Civic and Patriotic Meeting in the Town Hall. John Jackson Walsh gave a historical address.

June 3—Old Home Day Dinner at Middlesex Sportsman's Association. Prof. Arthur W. Peirce, principal speaker.

June 4—Sports at Spy Pond Playground in the afternoon and reception to former residents. Band concert in the evening.

June 5—Public rehearsal in Town Hall of the original production "Pageant of Music in America."

June 6 and 7—Three free performances of the above.

This Pageant was given by our Committee, under the direction of Miss Grace Gordon Pierce and Mrs. Dorothy Clements Evans and has been widely commented upon as being one of the most original and interesting events in the State celebration. Over 300 people in costume took part and 4000 of our citizens witnessed the performances. Copies of the program, which was quite valuable as a historical document, were sent to the principal libraries in New England. Our Committee, which has been in touch with the celebrations of other communities states that Arlington stands out most prominently with a Tercentenary year program and this has been made possible by the harmonious and enthusiastic work of our Arlington Committee loyally supported by the citizens, all cooperating to bring about a Tercentenary celebration program fully representative of the spirit of this very auspicious historical year of 1930.

At the call of the Board an Emergency Committee was organized November 20, 1930, for the relief of the Unemployed of Arlington.

All organized groups of residents were invited to send representatives who constituted a General Committee. This Committee elected as Chairman and Executive Committee: Lester W. Collins, Chairman, Miss Edith Winn, Vice Chairman and Secretary, Miss Grace Parker, Charles A. Hardy, and Charles H. Higgins.

Registration of the Unemployed was begun immediately and through the co-operation of the various organizations and individuals a considerable number of short time jobs were found for the neediest cases.

Various Town Departments aided by arranging work in such a way that the maximum of relief was obtained. Further provisions were made for relief of the Unemployed in a special Town Meeting held in January, 1931.

Thirteen petitions were received for minor variations of the Zoning By-law and hearings were given. The Board granted seven and six were denied.

Twenty-seven hearings were given on petitions for filling stations, garages and automobile repair shops, and were disposed of as follows: Sixteen granted, nine denied and two were withdrawn.

A bus license was granted to the Lovell Bus Lines, Inc., to operate buses on the Watertown route from the Arlington-Lexington line through Lowell Street, Bow Street, Summer Street Boulevard, Mill Street, Massachusetts Avenue and Pleasant Street to the Arlington-Belmont Town line.

At the last Annual Town Meeting the Board was instructed to appoint a committee to investigate the School System. A committee of three was appointed to report at the next annual Town Meeting.

This year the National Census was taken. In 1920 the population of this Town was 18,646, in 1930 it had a population of 36,089, or an increase of about 94%. We are now the second largest Town in the Commonwealth.

By a referendum a Special Town Meeting was held in July. At the meeting an appropriation of two hundred seventy-seven thousand (277,000) dollars was voted for a new high school to be expended under the direction of the Board of Selectmen. This school is now under construction and consists of eleven class rooms, ad-

ministration rooms, large auditorium with seating capacity of about fourteen hundred. It will be built so it can be used temporarily as a gymnasium or for any other purpose which might be deemed necessary. This building is only a part of a program planned in such a way that any number of class rooms can be added to it at any time.

Our Limited Form of Town Government has been in force eight full years. This is the first year a referendum has been petitioned for. Considering the way the Town has grown, it speaks very well for this form of government.

The Districting Board after considerable study voted to redistrict the Town into fourteen precincts instead of seven as heretofore. This is the first time any change of this kind has been made.

At the last annual Town Meeting an appropriation of twenty-five hundred dollars was made to be used by the American Legion, Post 39, in connection with the Annual Convention of the American Legion which was held in Boston this year.

It is with great pleasure we state that the Board has received many complimentary letters from the Legion Post of Birmingham, Alabama and the Post from Winston-Salem, North Carolina, who were guests Convention Week of the Arlington Post. We wish to take this opportunity to thank the Arlington Post in behalf of the citizens of the Town, for the splendid manner in which they conducted the affairs in this auspicious occasion.

There were many other matters given due consideration. In addition much time was devoted to legislative hearings at the State House, many conferences were

attended, sponsored by the various Mayors and Selectmen of the surrounding Towns and Cities, all of which were of vital importance to the Town of Arlington.

The Board appointed several committees this year, and we wish to express our appreciation for their splendid work and to thank the various Boards and Departments for their cooperation.

WILLIAM O. HAUSER,
ARTHUR P. WYMAN,
HOLLIS M. GOTT,
Selectmen of the Town of Arlington.

REPORT OF ANIMAL INSPECTOR

To the Board of Selectmen,
Arlington, Massachusetts.

Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1930.

Number of premises visited to inspect cattle, etc.	15
Number of cattle inspected	24
Number of goats inspected	4
Number of pigs reported	151
Number of dogs quarantined for biting people	81
Number of dogs quarantined for contact with rabid dog	5
Number of cats quarantined for contact with rabid dog	1
Total number of dogs and cats quarantined	87
Number of known rabies cases	7
Number of Heads sent to Laboratory by me	4
Number of positive reports	4
Number of cases found by other veterinarians	3
Total number of calls made on dogs and cats	199
Number of people bitten by rabid dogs	3

The inspection of premises where cattle, sheep and swine are kept and the number of animals examined does not vary from year to year, but the inspection work among dogs is making rapid strides, increasing practically 50 percent over last year, as shown by the fact that there were 87 quarantine cases this year as compared with 50 in 1929, and 199 calls were made as compared with 132 calls in 1929.

The town has been fortunate in having only 7 cases of rabies this year as compared with 10 cases in 1929, but

3 people were bitten by rabid dogs, the same number as in 1929.

Reports show that there were over 1200 cases of rabies in the State of Massachusetts in 1930, which is quite a substantial increase over any previous year and the rabies question is getting to be a serious one.

The State Law requires that a physician who attends a case of dog bite or scratch shall notify the local Board of Health immediately and it is their duty to notify the local Inspector of Animals in order that he may immediately quarantine the dog for a period of 14 days for observation as to whether or not he is going to develop rabies during that period.

I am sorry to say that some bites are not reported soon enough to allow me to find the dog before he is lost, given away or killed without having his head examined.

It is dangerous business allowing a dog that has bitten some one to be given away or be killed without previous quarantine, especially when we are averaging 100 cases a month of rabies in this State.

It looks to me as though the physician who fails to report a dog bite case soon enough to allow for the proper quarantining of that dog is criminally liable, if the party bitten dies of rabies later on, without having had the protection afforded by the Pasteur Treatment for that particular bite.

I wish to thank the Police Department and the Board of Health for their hearty co-operation at all times.

Respectfully submitted

CHESTER L. BLAKELY, M.D.V.
Inspector of Animals

REPORT OF BOARD OF APPEAL

January 1, 1931.

To the Honorable Board of Selectmen.
Gentlemen:

The Board of Appeal respectfully submits its second annual report.

During the year ending December 31, 1930, three appeals from the decision of the Inspector of Buildings have been made to the Board.

The Board upheld the decision of the Inspector of Buildings in one case, and in the second reversed his decision.

The decision on the third appeal has not been made up to the date of this report.

Respectfully submitted,

FREDERIC F. LOW,
ALTON F. TUPPER,
THOMAS J. DONNELLY,
Board of Appeal.

REPORT OF INSPECTOR OF BUILDINGS

January 16, 1931.

To the Honorable Board of Selectmen
Arlington, Mass.
Gentlemen:

I herewith submit my report of the inspection of buildings, plumbing and gas for the year ending December 31, 1930.

Five hundred and fifty-eight building permits have been issued, compiled as follows:

Dwellings, one family	214	$1,191,250
Dwellings, two family	37	268,500
Dwellings, complete one family	1	2,500
Garages	154	74,315
Garage—8 car	1	4,500
Garage—enlarge	1	500
Garage—relocate	1	60
Garage—alter and add	1	150
Enlarge 1 car garage into 2 car	1	235
Additions and Alterations	62	53,685
Addition to Robbins Library	1	90,000
High School	1	245,000
Church	1	80,000
Warehouse	1	40,132
Apartment House (6 apts.)	1	33,000
Chapel	1	26,000
Office and Show room	1	8,000
Stores (5)	1	15,000
Service Station	1	7,000

Dining car	1	6,000
Restaurant	1	3,500
Clubhouse	2	1,500
Fruit stand	4	1,200
Shed	1	400
Greenhouse	1	300
Summer house	1	200
Storage building	1	200
Tool shed	1	60
Hen house	2	360
Marque	1	1,600
Sun porch	5	4,100
Porch	20	4,980
Porch roof	4	655
House roof	1	500
Dormer	4	975
Foundations	5	1,950
Relocate one family dwelling	4	3,000
Demolish one family	2	150
Demolish two family	2	350
Demolish buildings	13	820
	558	$2,172,627

581 plumbing and 823 gas permits were issued for the year.

Fees collected for 1930

558 Building permits	$1,990.00
581 Plumbing permits	1,259.75
823 Gas permits @ .50	411.50
1962	$3,661.25

There has been an increase in number of permits issued for residential buildings during the year. One family dwellings showing an increase of eleven while the two family buildings have dropped off slightly.

There were issued seventy-seven less permits for separate garages this past year, apparently caused by the popularity of the type of construction as part of the house. However, the new rules governing garage construction under dwellings are very liable to increase the separate type of structure in the future.

But one block of stores was built this year which is three less than last.

Permits were issued for a High School, the Mt. Pleasant Chapel, St. James Church, an addition to the Robbins Library, also two outdoor and two indoor golf courses of the miniature type were constructed.

During the year, three Instantaneous Water Heaters have been approved for use in this Town: Ruud, Hoffman, Humphrey.

These are the only ones that can be installed under the Law.

I wish to call to the attention of the Board at this time the advantage which would accrue to the Town by the installation of a physical testing laboratory. A number of municipalities have such installations which are proving to be of great advantage to the public and the department. The initial cost of same being returned in a few years from fees from tests made and thereafter a reduced fee covers the maintenance cost. The benefits of such a laboratory are strikingly brought to our attention through the use of test apparatus at works of the Arlington Gas Light Company who have kindly loaned us, without cost, their facilities for testing of any plumbing or gas appliances which we may wish to try out before approval for use.

That the new Building Code covers most conditions which arise is shown by the fact that during the year

there have been but three appeals taken from the decision made in this Department from the Code. The Appeal Board sustained the decision of the Department in one case, in one other case the decision of this Department was set aside and a variance allowed. The last case is still pending.

At this time I wish to thank the Honorable Board of Selectmen and other Town Officials for their kindly cooperation and consideration, and the Arlington Gas Light Company for use of test laboratory.

Respectfully submitted,

WILLIAM GRATTO,
Inspector of Buildings.

REPORT OF THE FIRE DEPARTMENT—1930

Arlington, Mass., January 1, 1931

Honorable Board of Selectmen,
Arlington, Massachusetts.

Gentlemen:

I have the honor to present my eighth annual report as Chief of the Fire Department for the year ending December 31, 1930.

The manual force is composed of forty-four men, including Chief, Deputy Chief, six Captains, six Lieutenants, thirty privates and a Department Surgeon.

Three pumping engines, two ladder trucks, one combination (hose and chemical) and a special service truck are in active service. A combination (purchased in 1911) in reserve.

The Department responded to 149 bell alarms, 354 still alarms (telephone calls) and 72 out-of-town calls, a total of 575 alarms for the year, 83 more than last year, and the largest in the history of the Department.

Two false alarms were received, one pulled from the street, the other a false telephone call for which an alarm was transmitted. Last year we had seven false alarms and the year before, fourteen.

The total value of property endangered, the insurance thereon, the losses sustained and the insurance paid, follows:

	Value	Insurance	Loss	Insurance Paid
Buildings	$940,100.00	$799,600.00	$81,484.40	$81,484.40
Contents	92,512.98	102,912.98	18,032.81	17,692.81
Total	1,032,612.98	902,512.98	99,517.21	99,177.21

APPROPRIATION

Appropriation (including $3400 for Special Service Truck)	$109,796.50
Expended	108,511.38
Unexpended balance	1,285.12

CREDITS

Fees for 68 blasting permits	$68.00	
Fees for 7 fireworks permits	3.50	
Fees for 3 inflammable fluid permits	3.00	
Sale of junk and old hose	18.60	
		$93.10

Many times during the past few years the Department has been called on for assistance in emergencies other than its regular duties and the responses being made with fire fighting apparatus, special equipment for this service was necessarily limited, also the piece of apparatus was not available for fire protection during emergency period.

The tendency to call firemen for special duty has increased to such an extent that a piece of apparatus was specially designed and equipped to handle such emergencies. This piece, a two-ton Federal Truck was placed in service June 28, 1930, responds to all alarms.

It is equipped with a Kohler Lighting Plant (2000 watts capacity) and at present carries 1-500 watt stationary flood light; 1-500 watt portable flood light; 1000 feet electric cable and two extra 500-watt bulbs. Other equipment carried: Foam generator and 500 lbs. powder

for gasoline and oil fires; 1-2½ gallon soda and acid extinguisher; 1-CO2 extinguisher; 2 all service masks; 1 hose mask for use in manholes; 2 pairs service waders, used in shutting valves on ammonia refrigerators; 4 rubber covers for covering furniture, stock, etc.; 1 Woolen blanket; 1 inhalator and 6 torridaire pads for resuscitation; 1 stretcher; 1 First Aid kit, tourniquet and assortment of splints; 1 electric saw (10″ blade); 1 bar cutter (will cut ¾″ steel bars); 1 cross-cut saw; 1 hand saw; 1 pair wire cutters and rubber gloves; 1 life gun for shooting life line; 1 life belt; 1 safety belt; 3 jacks (1-15 ton, 2-10 ton); 1 trolley pick-up; 2 door and window openers; 2 cellar pipes; 4 axes; 2 shovels; 1-1½″ auger; ropes of assorted sizes; 3 stop signs and flares for establishing fire lines; 1 dozen chimney fusees for chimney fires; hydrant wrenches; large sizes of pipe and monkey wrenches; 2 sledge hammers; hose ropes; spanners; ladder hooks; plaster hooks; adapters of various sizes; nozzles; 6-case hooks; gas shut-off; electric fuses; sprinkler heads.

Sunday, April 6th, the Department experienced two of the worst fires in its history. The first, a woods fire, began at 11.05 A. M. and before the recall at 3.07 P.M. had swept the area from Winchester Road and Hutchinson Road to the Winchester line near Forest Street. Only by the hardest work was it possible to save the home of F. A. Peirce after several old buildings on this estate were destroyed. Somerville, Medford, and Winchester Departments assisted at this fire, while Belmont, Lexington and another company from Somerville responded to seven other fires in Arlington.

The second fire occurred at 7.03 P.M. in the ice plant of the Metropolitan Ice Co., Linwood Street. Flying brands set fire to thirty-four other buildings, and for a time it was feared that a large section of the town would be destroyed.

The second alarm at 7.05 brought apparatus from Somerville, Cambridge, Medford, Winchester, Lexington, and Belmont. From this time until 7.30, the alarms came in rapid succession calling more apparatus from the above places and additions from Malden, Everett, Waltham, Woburn. In all twenty-four pieces responded with one hundred twenty-six men and nine Chiefs.

The damage to the ice houses, including 7000 tons of ice and machinery, was adjusted for $61,000 and $11,628.35 for the thirty-four exposures, a total loss of $72,628.35.

This fire demonstrated beyond question the value of our Mutual Aid System. It required thirty pieces of apparatus and one hundred and sixty-nine men to control it, of which Arlington furnished six pieces and forty-three men. It also made clear the fact that no community can support a conflagration sized department.

CALLS TO LEXINGTON AND BILLERICA

Sunday, April 27th, Engine 2 helped Lexington, 2.05-7.25 P.M.

Sunday, April 27, Engine 1 helped Billerica, 2.30-9.01 P.M.

Engine 6 of Somerville covered Headquarters.

CALL TO NASHUA, N. H.

Sunday, May 4th, the City of Nashua, N. H., called for help. The Chief and eight men with Engine 1 left at 7.20 P.M. arriving there at 8.15 P.M. and worked on the fire until 6.30 next morning. Engine 1 pumped continually for seven hours, stretched 950 feet of hose and consumed 87 gallons of gasoline, furnished by the city. arrived home 8.08 A.M., 60.9 miles round trip. Engine 6

of Somerville covered Headquarters until Engine 1 returned.

FIRE PREVENTION

The story of fire prevention for this year can best be told in figures. Only three inside fire losses in the 758 places under the regular semi-monthly inspection.

An upholstery shop, damage to building and contents, $1299.77; a paint shop, damage $110 and a short circuit in a light fixture $8.79. Four on the outside of buildings, three awnings, total damage $291, and a $25 loss for bulkhead of school building caused by firecracker. An unavoidable explosion at the Gas Plant caused a loss of $1324. This record is a splendid tribute to the high type of men and women engaged in business in Arlington. 16,194 inspections were made in 758 miscellaneous occupancies.

The firemen donated their "off time" for the seventh annual inspection of dwellings which began September 29th.

Cellars of 6495 houses were thoroughly inspected and the householders are to be congratulated for their efforts in the elimination of all hazards commonly found in cellars. Of all fires in dwellings, only nine started in the cellar.

Outside of the ice house fire and exposures the loss for the year was only $26,938.82.

Following is some data compiled as result of the inspection:

1930		1929
6495	Total number of houses	6247
3411	Single houses	3196
2930	Two Apartment	2898
154	Of more than two apartments	153

HOUSES UNDER CONSTRUCTION

70	Single houses	107
11	Two apartments	11
81	Total number	118
154	Vacant apartments	168
588	Combustible roofs	608
3857	Garages on lot with house	3529
434	Oil burners	325
581	Mechanical refrigeration	
9901	Total families	9619

NUMBER OF HOUSES EACH YEAR

1914—3918; 1925—4640; 1926—5170; 1927—5561; 1928—5924; 1929—6247.

Mercantile inspections, 16,194; house inspections, 6495; total, 22,689.

Fire drills were given in all public and private schools, and the results showed that the pupils had received thorough training by the teachers.

Four hundred and forty-seven extinguishers were recharged in schools and other public buildings, garages, etc.

Automatic fire plugs were installed on 285 gas meters, a total of 4426 meters now protected in this manner.

Four hundred ten permits were issued for the burning of rubbish, etc. These permits may be obtained at any of the stations.

Dr. Kingman responded to 71 alarms, gave 33 treatments at his office, 22 calls at their homes, 33 first aid treatments at fires, 6 examinations.

The drill tower was in constant use for the training of our own men, and twenty-six firemen from surrounding cities and towns received the thirty-day course of instruction.

Two exhibition drills were given and it is planned to have more of them next year to which the public will be invited.

RECOMMENDATIONS

I recommend that six men be appointed next year. December 1st two more men were detailed to Park Circle Station making a crew of eight on a two platoon instead of six men on day-off-in-three. In both cases the maximum strength is four, but during meal hours on the day-in-three, only three men were available for the nine hours allotted for meals.

On account of the location of this station, the men were always allowed 1½ hours for meals and each meal in two sections, breakfast from 6.30-9.30 A.M., dinner from 10.45 A.M.-1.45 P.M., supper from 4.45-7.45 P.M. In the operation of the two platoon system, the men do not leave the station until relieved by the other platoon.

The reason for this arrangement is because of the life hazard occasioned by the occupancy of several large buildings on the hill top. The Sanatorium and five other buildings connected with it are occupied by persons mentally afflicted and in many cases locked in their rooms, two convalescent homes, school for mentally deficient children and a boarding school. These buildings are old type frame construction and in case of fire this company would be concerned with saving life rather than property.

This change was made for the winter months when the hazards are greater and because men could not be detailed to the station during vacation period.

Because of the elevation of this section and its remoteness from the other stations and the unusual life hazard, I considered the change imperative.

There are at present forty-two men in the Department, eight at Park Circle (1 piece) twelve at the Highland (2 pieces) and twenty-two at Headquarters (4 pieces), one man at desk at all times.

Maximum and minimum strength of the day-in-three schedule and meal hours; Headquarters; 22 men; 7 off each day except every third day when there are 8. On those days there are 14 men for 4 pieces of apparatus but during meal hours only 10 men are available. The Highland Station has 4 men to a piece except meal hours when there are three, not a sufficient number to man a ladder truck or pumper.

Semi-monthly inspections must be made and with vacations and sickness, it is difficult to give service.

I earnestly recommend that Hose 1 be replaced this coming year. It was purchased in 1913 at a cost of $6500 and was a triple combination (hose body, 40 gallon chemical tank and a pump of 600 gallons capacity). About three years ago, the pump was removed as useless, the chemical tank has had many repairs and at the present is leaking to the extent that it does not warrant an outlay of money to repair.

Six times this year it was disabled enroute to fires and had to be towed to the station. On such occasions we not only lose the use of the piece but the services of the men assigned to it.

I recommend that $136,155.75 be appropriated for the ensuing year, this sum to cover the appointment of six men and the purchase of a 750 gallon pumping unit to replace Hose 1.

To the Honorable Board of Selectmen for its unfailing support; the Board of Public Works for the many corrections and additions to the water service, the Police Department for effectual assistance on traffic and at fires, the officers and men of the Fire Department who have never failed in their duty, and for their cordial cooperation on all occasions, I wish to extend sincere thanks.

DANIEL B. TIERNEY,
Chief of Fire Department.

FIRE AND POLICE SIGNAL SYSTEM

January 1, 1931.

Honorable Board of Selectmen,
Arlington, Massachusetts.

Gentlemen:

I have the honor to present my first report as Superintendent of the Fire and Police Signal System, covering the period from May 1, 1930.

The Assistant to the former Superintendent was retained at a salary of $2500, an increase of $100.

Four fire alarm boxes were installed at these locations; Box 38 in front of the Robbins Memorial Town Hall, which is a Master Box with two auxiliary boxes (remote controls) located on both floors of the Town Hall, from either of which this box may be operated, and when sprinklers are installed, the opening of a sprinkler head will also operate the box; Box 321 installed on Venner and Hillsdale Roads; Box 293 installed on Falmouth Road and Crosby Street; Box 463 installed on Washington Street and Ronald Road. Box 38, formerly located on Academy Street, changed to Box 382. Box 382, formerly located on Parmenter School, changed to Box 383.

There were two open circuits on the fire alarm system, one at Lowell Street when a truck knocked over a pedestal, and the other in the elevator shaft at Symmes Hospital.

A set of 515 batteries was installed replacing those in use for five years (the life of a battery).

Telephone communication over the fire alarm wires was established with the Somerville Department on September 21st. Through Somerville we may also connect with the Boston Department. This method of talking direct to other departments is invaluable during emergencies when it is difficult or impossible to connect with the local telephone exchange. Credit is due the late Reuben W. LeBaron who arranged for it when our new Headquarters was erected and as a result of his vision our share in the cost of the hook-up was only twelve dollars.

Fire alarm tappers were installed in the residences of Captain McEwen and Dr. Kingman, in the traffic tower and two in the Water Works Shops.

RECONSTRUCTED LINES

Replaced 300 feet six cond. lead underground from Walnut Street to the Highland Station. Replaced 2445 feet of two cond. fibrex on Lake Street by four conductor. 1637 feet of open wiring on Jason Street by four cond. fibrex, also 780 feet on Bartlett Avenue and 1280 feet on Webster Street. Replaced 325 feet twisted pair on Mystic Street by two cond. fibrex. Replaced 3000 feet of No. 9 open wire on Forest Street.

POLICE SYSTEM

Two new police boxes were installed, Box 131, Orvis Road and Randolph Street; Box 211, Mount Pleasant Cemetery, near the Chapel.

The following boxes moved to new locations: Box 14 from Herbert Road and Milton Street to Thorndike Street, near Herbert Rd. Box 16 from Lake Street, opposite Alfred Road, to Lake Street at the Belmont Line.

Box 122 from Pleasant Street and Gould Road to Pleasant and Lake Streets; Box 123 from Gray Street, near Bartlett Avenue, to Gray Street and Churchill Avenue.

A recall light was installed on Mass. Ave., near Schouler Ct., and one on Mass. Ave. at Brattle Street.

Telephone service established between the Police Station and the Traffic Tower, and writing pads placed in all police boxes.

Emergency gong in the Tax Collector's office connected with the Police Station.

Eighty-five lamps replaced in traffic signals.

Appropriation for eight months	$8,132.00
By transfer from the reserve fund	50.00
	$8,182.00
Expended	8,180.13
Unexpended balance	$ 1.87
Appropriation from Jan. 1 to May 1 $2,290.04	
Appropriation for 12 months	$10,442.04

I recommend an appropriation of $9,981.00 for the coming year, this sum to cover the cost of an additional man from May 1st.

DANIEL B. TIERNEY,
Supt. F. and P. Signal System.

REPORT OF THE LICENSING COMMISSION

January 26, 1931

To the Honorable Board of Selectmen
Arlington, Massachusetts.

Gentlemen:

The Licensing Commission hereby respectfully submits its seventh annual report.

They met on March 7, 1930 and organized with Chief Daniel B. Tierney as Chairman and John A. Easton, Clerk.

The regular meetings of the Commission were held on the first and third Fridays of each month.

Three hundred thirty-five (335) hearings were given and licenses were granted on all applications.

This Commission derived its powers from and was appointed by the late Fire Marshal George C. Neal.

A new Chapter 148 of the General Laws was inserted by Chapter 399 of the Acts of 1930, and the powers of delegation were taken from the Fire Marshal, therefore, this Commision is now dissolved.

DANIEL B. TIERNEY,
WILLIAM GRATTO,
Licensing Commission.

John A. Easton, Clerk.

REPORT OF THE GYPSY AND BROWN TAIL MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Dear Sirs:

I herewith submit my report as Superintendent of Moth Department for year ending Dec. 31, 1930.

The conditions of our town in regard to the infestation of the Gypsy and Brown Tail Moths were never in as good condition as it is at the present time, since its appearance in this locality. It is a pleasure to be able to report that there has been no defoliation this year. There was a bad infestation on the willows on the east end of Spy Pond, but this insect was not the Gypsy Moth as many thought. It was the Satin Moth and the best method of control is spraying; using a stronger mixture of arsenate of lead than what would be required for the Gypsy Moth or Brown Tail. This has been attended to and I look for results this year.

Two hundred and thirty seven private estates have been sprayed and all Moth nests found on shade and private estate trees have been treated. For this work the town will be reimbursed over $1,100.

A great amount of work has been done in our woodlands and vacant lots in the nature of removing the Bag and Web Worms in conjunction with our Moth work in treating nests as spraying would be too expensive.

The following is a financial report of expense and nature of work which has been done the past year.

NATURE OF WORK AND EXPENSES

Labor

Spraying:	
Private Estates	$411.35
Street Trees	220.90
Schools, Churches and Meadowbrook property	17.40
Reservoir Woods	24.50
Willows around Spy & Mystic Lake	123.53
Treating Nests:	
Private Estates	476.45
Streets	374.53
Willows on Spy Pond, Mystic Lake and Succor Brook	110.23
Parks, Cemeteries, Schools and Church property	116.51
Woodlands and Vacant Lots	500.23
Hospital Woods	69.00
Crusher Lot	19.97
Removing Web and Bag Worm	50.30
Cut and Burn Brush	30.00
Store House	54.75
Saturday afternoons	268.35
Holidays	206.00
Vacations	120.00
Total	$3,194.00

SUMMARY

Appropriation		$5,240.00
Expenses		
Auto Registration	$2.00	
Telephone	55.43	
Supplies and Repairs	75.66	
Insecticides	93.68	
Auto Maintenance	220.20	
Rent of Stable	90.00	
Wages	3,194.00	
Supt.'s Salary	1,450.00	
		$5,180.97
Balance		59.03
		$5,240.00

Respectfully submitted,

DANIEL M. DALEY, Supt.

DEPARTMENT OF POLICE

Arlington, Mass., January 1, 1931.

To the Honorable Board of Selectmen:

Gentlemen:

I have the honor of rendering you the annual report of the doings of the Police Department for the year ending December 31, 1930.

The Police Department consists of a Chief, seven sergeants, twenty-nine patrolmen and eight reserve police officers, a stenographer, one janitress and matron and a mechanician.

Lost time for year: Leave of absence with pay, 60 days; leave of absence without pay, 14 days; officers sick, 274 days.

During the year 1942 complaints were brought to the attention of the courts. 1852 were males; 90 were females, 57 of which were juveniles or persons under 17 years of age. $6,578.00 was imposed as fines and costs. Total imprisonment imposed was 40 years, 6 months and 11 days, 1098 of which were residents and 844 were non-residents.

POLICE SIGNAL SYSTEM

During the year 126,354 duty calls were received and 3253 telephone calls from officers on street duty; 167 wagon calls; 68 ambulance calls have been responded to and the patrol and ambulance has run 2030

miles. The police auto, purchased on November 8, 1930, has been driven 5313 miles.

A teletype system which is part of the equipment of the Department and which gives instantaneous communication with Boston and most of the police departments of the Metropolitan District is still in use.

All police news of importance, such as stolen cars, robberies, burglaries and persons wanted, is broadcasted over this system by the several departments at the time of happening, and much good work has been accomplished by the various police departments through its use.

Although this machine has not been of any material benefit to this immediate department, there might be a time that it will pay for itself in one night.

THE AUTOMOBILE AND THE POLICE

During the year, 8823 automobiles were reported to us as stolen in the Metropolitan District.

We had 30 reported to us as stolen in Arlington, all of which have been recovered. We also recovered 37 cars for other police departments.

574 permits to sell cars in Arlington were granted to private owners, and 2075 used cars were reported as taken in trade by Arlington dealers.

65 licenses to operate automobiles were revoked for violations of law, 118 licenses to operate were suspended, and 61 registrations were revoked.

AUTOMOBILE FATALITIES AND INJURIES

This year six persons have been killed in Arlington by motor vehicles, the same as last year.

February 9—Minnie Hyde, age 47, an occupant of an auto, killed at the junction of Summer Street and Mystic Street.

February 25—Charles H. Easte, age 76, a pedestrian, was struck by an automobile near the junction of Massachusetts Avenue and Central Street.

March 27—Elias J. Warren, age 50, a pedestrian, was struck by an automobile at the junction of Broadway and Franklin Street.

July 29—Richard Potter, age 4½, an occupant of an auto, killed on a field off Paul Revere Road.

October 21—Thomas F. Coughlin, age 65, a pedestrian, was struck by an automobile at the junction of Broadway and Winter Street.

December 16—George Friebranz, age 36, an occupant of an auto, killed at the junction of Parkway and River Street.

TRAFFIC LIGHTS

The signal lights in the Centre, do not have a walking or pedestrian period included in the control, so that there is no time that the vehicular traffic on all streets is standing, and the pedestrians have difficulty in crossing the street at present.

The control should be changed and the cycle increased so as to include a period during which the red and yellow lights would be on together for a long enough time to allow persons to cross the street before the green light comes on, as it is in Boston.

The control at Medford Street is a two way control and should be changed to a three way, the same as at

the railroad crossing, and work either automatically or manually, which would make it possible to hold all out-bound traffic coming from Broadway and Massachusetts Avenue, while the in-bound traffic was clearing itself and making left turns into Medford Street and Broadway, or hold up the in-bound traffic to allow the out-bound to move.

At present the out and in-bound traffic either goes or stops at the same time and creates a serious hazard and also slows up the movement of traffic. This control should be placed in the booth at the Crossing and be operated in conjunction with the other one and both by the same man, allowing one man to "rove" in the vicinity of Medford Street and keep things moving.

In order to decrease the congestion at this point, the system should be extended by an installation of lights at the junction of Massachusetts Avenue and Franklin Street, timed and working with the Medford Street lights which would cut the congestion about 50%.

These changes in the control provide for a pedestrian period in all the lights in the Centre, including those at Franklin Street.

RIVER STREET LIGHTS

While the intersection at River Street and the Mystic Valley Parkway is a comparatively open one, it is a fact that there have been at least two fatal accidents there, as well as a great number of less serious ones in which there has been personal injuries and property damage, and the majority of these accidents happen after dusk.

Some type of protection should be installed at this point, and as it comes under the jurisdiction of the Metropolitan District Police, they decide which type of sig-

nals may be used, and the Traf-o-matic or the Electromatic signals are the only ones acceptable to them.

For an intersection such as this one, where the heavy traffic is on the parkway and light on River Street, the Traf-o-matic lights seem to be best adapted to handle it with the least delay, for the reason that the light on the Parkway would be green all the time except when a vehicle wanted to come out of River Street, when it would pass over the "treadle" in River Street, which would throw the light red on Parkway until the car coming out of River Street had gotten out of the way, when the Parkway lights would go back to green again.

This type of installation has been in operation at Winthrop Street and Lawrence Road, Medford, for some time and has required but little attention according to the Medford Police, and the Somerville Police make the same report in regard to the lights at Broadway and the Parkway in Somerville, which have been in operation for some time.

For the police budget for 1931 I recommend

For Salaries	$100,147.00
For Traffic Account	5,800.00
For Auto Account	2,500.00
For Equipment of Men	2,285.00
For Maintenance of Building	3,878.00
For Other Expenses	3,100.00
For Painting Stalls, etc.	250.00
For Wooden Platforms (Safety Zone)	595.00
For River Street Traffic Lights	2,900.00
	$121,455.00

Arlington has nothing to fear from a comparison of the amount of crime with any other city or town of its size in the Commonwealth, which is, in a great meas-

ure, due to the efforts of the members of your police department in addition to the support of your Honorable Board, the Chief of the Fire Department, the Town Counsel, the Town Clerk, the Engineering Department, the Town Accountant and all others who have in any way assisted the Department.

Much of the credit for Arlington's excellent record belongs to my two predecessors—Ex-Chief Thomas O. D. Urquhart and Acting Chief Edwin C. Jacobs—for their able supervision of the Department.

With the continued co-operation of your Honorable Board, and with the support of the citizens of the Town, it shall be my purpose not only to maintain the high efficiency of the Department, but to institute policies from time to time that are in line with modern methods of dealing with criminals and that have been successfully tried elsewhere.

I thank your Honorable Board for the confidence you have shown in me and I pledge my earnest efforts to promote the efficiency of the Department, and, in that way, the welfare of the Town.

Respectfully submitted,

ARCHIBALD F. BULLOCK,
Chief of Police.

REPORT OF TOWN PHYSICIAN

January 27, 1931.

To the Honorable Board of Selectmen:

Gentlemen:

I herein present the report of the Town Physician for the year 1930.

Number of Office calls	130
Number of Home calls	134
Number of Police calls	49
Number of Obstetrical calls	3
	316

Respectfully submitted,

H. R. WEBB, M.D.
Town Physician.

REGISTRARS OF VOTERS

Arlington, Mass., December 31, 1930.

The Registrars of Voters herewith submit the following table showing the number of registered voters in the seven precincts in December of 1929 and December of 1930:

	December 31	
	1929	1930
Precinct 1	1,666	1,642
Precinct 2	2,370	2,477
Precinct 3	2,669	2,753
Precinct 4	1,205	1,207
Precinct 5	1,629	1,769
Precinct 6	2,711	2,862
Precinct 7	2,477	2,629
	14,727	15,339

EBEN F. DEWING, Chairman,
LEONARD COLLINS,
JAMES J. GOLDEN, JR.,
E. CAROLINE PIERCE, Clerk,
Registrars of Voters.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Arlington, Mass., December 31, 1930.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith respectfully submit my annual report of the services of this department for the year ending December 31, 1930.

One thousand nine hundred eighty-seven (1987) weights and measures were inspected, sealed or condemned at my office or at the several places of business and statutory fees amounting to the sum of $147.71 were received and paid to the Tax Collector.

During the year at various times I made inspections and reweighings of scales, weights, measures, and food commodities. The result of reweighing these commodities, put up for sale or sold, is as follows:

	Total Number Tested	Number Correct	Incorrect Under	Incorrect Over
Bread	10	9	1	
Butter	20	17	3	
Coal (in transit)	8	1	4	3
Candy	8			8
Dry Commodities	31	20	5	6
Fruits & Vegetables	55	53	1	1
Meats & Provisions	1		1	
Ice	5			5
Sugar	44	24	20	
	182	124	35	23

Through my activities in the inspection of Hawkers and Peddlers, and Transient Vendors the Town Treasurer has received $350.00 from the Director of Standards for licenses issued to hawkers and peddlers in the Town of Arlington.

As a result of inspections I found it necessary to prosecute eight cases. Seven were found guilty and fines amounting to $75.00 were imposed by the Court. One was found not guilty.

In addition to my regular duties, reweighings were made of coal for the school department of the Town of Arlington amounting to 44,600 lbs.

Respectfully submitted,

ALLAN E. COWIE,
Sealer.

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works herewith submits its annual report for the year ending December 31, 1930.

At the Town Meeting held on March 3, 1930, Walter F. Robinson was elected member of the Board for the term of three years. The Board organized on March 10 with the choice of Walter F. Robinson as chairman.

APPOINTMENTS

At a meeting held April 14, S. Alfred Benson was appointed Clerk of the Board, Water Registrar and Purchasing Agent for the year ending April 1, 1931, William J. Toomey was appointed Superintendent of the Highway Division and Edward O'Brien was appointed Superintendent of the Sewer and Water Divisions for the year ending April 1, 1931.

MEETINGS

The meetings are held Monday evenings. During the year the Board held fifty-two regular and three special meetings.

The following are the net expenditures made under the direction of the Board:

Highway Division	$104,440.95
Sewer Extensions	81,292.68
Sewer Maintenance	4,736.87
Water Extensions	87,287.96
Water Maintenance	68,129.29
Snow and Ice	18,703.84

Sanitary Division	81,826.19
Storm Drains	29,371.68
Construction of Aberdeen Road	7,021.54
Construction of Belton Street	2,579.23
Construction of Coleman Road	6,565.28
Construction of Compton Street	2,023.44
Construction of Dow Avenue	28,434.18
Construction of Exeter Street	2,516.65
Construction of Hamlet Street	1,560.62
Construction of Higgins Street	6,185.61
Construction of Inverness Road	7,537.90
Construction of Iroquois Road	5,518.43
Construction of Jean Road	5,246.23
Construction of Moulton Road	11,927.59
Construction of Richardson Avenue	6,391.58
Construction of Valentine Road	4,268.40
Construction of Waldo Road	3,230.70
General Administration Account	12,563.94
1929 Storm Drains	346.48
1929 Street Construction	40,221.57
Street Construction Old Mystic Street	0.00
Street Construction Schouler Court	224.00
Sidewalks Summer St. Boulevard	0.00
Alteration—Mill Street and Massachusetts Ave.	805.02
Town Yard Building	171.98
1929 Sewer Extensions	2,546.36
1929 Water Extensions	435.11
	$634,111.30

HIGHWAY DIVISION

During the year the Highway Department has, in addition to the regular maintenance work, resurfaced with a penetrated macadam surface, Highland Avenue, from Eastern Avenue to approximately one hundred feet north of Ottawa Road.

Massachusetts Avenue was reconstructed from Menotomy Road to Lowell Street (both sides) with a reinforced concrete pavement. In this project the Board was fortunate in obtaining State and County aid which enabled the Town to reconstruct three times the original amount of roadway planned, the State and County each paying one-third of the cost of construction.

This year $12,447.60 was spent on the cleaning of streets; $14,406.54 on maintenance and repairing of street surfaces; $1,841.40 on repairs to Massachusetts Avenue, and $4,814.13 for surface treating with asphaltic tar.

Six thousand, six hundred thirteen dollars and thirty-one cents was expended on the care and repair of Storm Drains and Catch Basins.

Four thousand, five hundred sixty-five dollars and fifty-two cents was expended on the maintenance of gravel sidewalks; and two thousand, thirty-three dollars and seventy-nine cents on the care and repair of permanent sidewalks.

SUMMARY OF SEWERAGE STATISTICS

General

Population by census of 1930, 36,089.

Total area of city or town, 5.5 square miles.

Area served by sewerage system, 4 square miles.

Collection System

For sewerage only, 65.83 miles, includes 5.64 miles Metropolitan sewer.

For sewerage and surface water, 0 miles.

For surface water only, 23.37 miles.

Method of disposal, sewerage into Metropolitan sewer, surface water into brooks.

Collection

Mains. (Everything but house and catch basin connection.)

	For Sewerage only	For Surface only
1. Lineal feet pipe.....	336,212 feet	123,537 feet
2. Lineal feet extended during year	19,771 feet	8,135 feet

3. Number of inverted siphons, 2.

4. Number of manholes, 1,661 and 16 combination sewer and storm drain manholes.

5. Method of flushing. Water service at manhole ends of lateral lines.

6. Method of cleaning. By special brush drawn from manhole to manhole.

7. Number of automatic flushing tanks, 0.

8. Number of direct connections with water mains for flushing, 40.

9. Number of flushings of system during the year: entire system once.

10. Cost of flushing per mile } $51.14
11. Cost of cleaning per mile }

12. Number of stoppages, 2.

13. Method of ventilation, manhole covers.

14. Electric pump chamber, 1.

House Connections

1. By whom made: All connections made under the direction of the Sewer Division, Board of Public Works.

2. Sizes, 5, 6, 8, 10, 12 and 15 inches.

3. Number made during year, 287.

4. Lineal feet laid during year, (drain layers) 13,423.

5. Lineal feet discontinued during year, 0.

6. Total miles in use, 51.52.

7. Number of stoppages coming to attention of Department, 10.

Discharge of Sewer

1. Estimated population using sewer system, 30,900.
2. Number of buildings connected, 5,661.
3. Daily discharge for year.*
4. Daily discharge for each user.*
5. Daily quantity of factory waste.*
6. Daily leakage into sewers.*
7. Daily leakage per mile of sewers.*
8. Are quantities given under 3 to 7 estimated or measured?*

*Note: See Metropolitan Sewerage Board Report.

General

Total cost of collecting mains, $887,858.08.
Debt outside of limit, $100,000.
Sinking Fund, $76,184.85.
Serial Notes, $57,000.

Average rate of interest on bonds outstanding, 4 per cent.

Proportion of cost of extensions assessed on abutters this year, 30.2 per cent.

Yearly assessment for maintenance, none.

Method of assessing abutters and rate of assessment, as fixed by Acts of 1896, Chapter 282, is 28 cents per lineal foot frontage and 52-100 cents per square foot for area within 100 feet of street line.

WATER DIVISION

Fifteen thousand, four hundred and fifteen feet of water mains were laid during the year and connected with the Metropolitan system. Details of this construction will be found in Table 6.

Services

Two hundred and seventy-two new services have been added during the year and ten services abandoned. There are for all purposes, 3,187 on the low, 3,709 on the high, and 3 on the old reservoir system. On the Metropolitan water supply there are 24 services for municipal buildings and 4 sprinkler services included in the above, 2 for street watering standpipes, and 40 for sewer flushing purposes. On January 1, 1931, 274 services were temporarily out of use.

Meters

Two hundred and seventy-two meters were set during 1930 on services installed in 1928, 1929, and 1930. The total number of meters in use January 1, 1931, is 6,847.

ARLINGTON WATER WORKS

Arlington, Middlesex County, Mass.

Population by census of 1930, 36,089.

Date of construction, low service, 1872; high service, 1894.

By whom owned, Town of Arlington.

Source of supply, Metropolitan Water System.

Consumption

1. Estimated total population at date, 36,250.
2. Estimated population on lines of pipes, 35,450.
3. Estimated population supplied, 35,800.
4. Total consumption for the year, 723,466,500 gallons.
5. Percentage of consumption metered, 100 per cent.
6. Average daily consumption, 1,982,100 gallons.
7. Gallons per day to each inhabitant, 54.
8. Gallons per day to each consumer, 54.

Distribution

(Including auxiliary supply from old reservoir)

Mains

1. Kind of pipe, cast iron and cement.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 15,415.
4. Discontinued, 0.
5. Total now in use, 77.74 miles.
6. Cost of repairs per mile, $23.28.
7. Length of pipe less than 4 inches in diameter, 2,728 feet.
8. Number of hydrants added during year (public), 36.
9. Number of hydrants (public and private) now in use, 815.
10. Number of stop gates added during year, 177.
11. Number of stop gates now in use, 1,247.
12. Average pressure on mains at center of Town, 100 high system, 60 low system.

Services

16. Kind of pipe, cement lined, black wrought iron and lead, 3 inch to 6 inch cast iron.

17. Sizes, 1 inch to 6 inch.
21. Number of service taps added during year, 272.
22. Number of services now in use, 6,847.
25. Number of meters added, 272.
26. Number of meters abandoned, 10.
27. Number now in use, 6,847.
28. Percentage of services metered, 100 per cent.
29. Percentage of receipts from metered water, 100 per cent.

Respectfully submitted,

WALTER F. ROBINSON,
JAMES R. SMITH,
F. LEO DALTON,
Board of Public Works.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS

To the Honorable Board of Selectmen
Arlington, Mass.

Gentlemen:

The Joint Board of Selectmen and Board of Public Works respectfully submits its twenty-seventh annual report for the year ending December 31, 1930.

At the Annual Town Election held March 3, 1930, Mr. William O. Hauser was elected a Selectman for a term of three years, Mr. Walter F. Robinson was elected a member of the Board of Public Works for a term of three years, and by reason of such elections both became members of this Board.

The Board organized with Mr. Arthur P. Wyman, Chairman, and Mr. John A. Easton, Clerk.

Appointments made for the year ending April 1, 1931, were as follows: Town Counsel, Paul M. White; Town Engineer, James M. Keane; Superintendent of Wires, William E. Mason.

NEW STREETS

In view of the rapid development of the Town it is increasingly evident that a policy of constructing a reasonable number of new streets each year must be continued. Of forty (40) streets which came before the Board for consideration, twenty (20) were favorably passed upon and recommended to the Town for acceptance and construction. Of this number the following

were accepted at the Annual March Meeting, and constructed during the summer of 1930, viz.:

Aberdeen Road
Belton Street
Coleman Road
Compton Street
Dow Avenue
Exeter Street
Hamlet Street
Higgins Street
Inverness Road
Iroquois Road
Jean Road
Moulton Road
Richardson Avenue
Valentine Road
Waldo Road

The amount appropriated for the work was one hundred twelve thousand five hundred fifty (112,550) dollars and fifty-eight (58) cents. The number of streets accepted and constructed the past seven years is as follows: 1924 six, 1925 five, 1926 eleven, 1927 twelve, 1928 twelve, 1929 twenty, and 1930 fifteen, making a total of eighty-one new streets. As can be seen by the foregoing, the present street building program commenced in 1926 and should be continued without abatement.

STREET LIGHTS

The present lighting schedule was continued. The Superintendent of Wires recommended the extension of the ornamental lighting system along Massachusetts Avenue from Central and Academy Streets to the Lexington line. This was approved by the Board and the lights were installed during the late fall.

SIGNAL SYSTEMS

The Fire Alarm and Police Systems were transferred May 1, 1930, from the Superintendent of Wires to the Chief of the Fire Department and this direct control has worked to the great advantage of the Fire Department.

SIDEWALKS AND EDGESTONES

There was appropriated at the Annual Town Meeting sixteen thousand (16,000) dollars for the construction of granolithic walks and driveways and for the installation of edgestones.

Sidewalks, driveways and edgestones were constructed and installed upon petition of property owners.

The Town Engineer recommended the installation of granite edgestones on both sides of Massachusetts Avenue where needed in conjunction with the reconstruction of Massachusetts Avenue between Forest Street and Menotomy Road. The recommendation was approved by the Board and the edgestones were ordered installed.

MASSACHUSETTS AVENUE WIDENING

The widening of Massachusetts Avenue was again deferred by failure of the Town to make an appropriation for that purpose.

The Board continues of the opinion that this much needed improvement should not be longer delayed.

NEW BOARD OF SURVEY PLANS

Sitting as the Board of Survey, plans for new developments have been received and after careful study approved. The following Board of Survey plans have been accepted and signed:—

College Avenue, Stowecraft Road, Warren Street Extension, Valentine Road, Cedar Avenue, Wollaston Avenue, Wachusett Avenue, Elmhurst Road, Menotomy Way, Shawmut Avenue, Orlando Road, Montrose Avenue, Rockwood Road, Saratoga Road, Winthrop Road, Richfield Road Extension, Mill Street Extension,

Chester Street, Fisher Avenue, Exeter Street and Buckman Street.

Building lines were established on Mystic Street from Russell and Garden Streets to Summer Street and Mystic Valley Parkway.

Exterior lines were established on Elmhurst Road, Waldo Road, Langley Road, Cedar Avenue Extension, Inverness Road, Wachusett Avenue, and Wollaston Avenue.

The purpose of the foregoing actions was to prevent the construction of buildings in the areas which would later become public ways, thus saving the payment of substantial damages by the Town at some later time.

At the recommendation of the Chief of the Fire Department as a safety measure the names of the following streets were changed:

Frost Street to Huntington Road
Hawthorne Avenue to Longfellow Road
Harvard Street to Lehigh Street
Bowen Street to Quincy Street
Gaylord Street to Newport Street
Yale Street to Scituate Street
Shawmut Avenue to Cutter Avenue
Everett Place to Winthrop Road
Lake Avenue to Herbert Road
Buckman Street to Cypress Street
Nourse Road to Reservoir Road

FIRE AND POLICE BOXES

New boxes have been installed and location of others changed where conditions required.

A detailed report will be found in the report of the Chief of the Fire Department relating to the Fire Alarm and Police Signal Systems.

ITEMS OF GENERAL INTEREST

Hearings have been granted to the New England Telephone and Telegraph Company of Massachusetts, Edison Electric Illuminating Company of Boston and the Boston Elevated Railway upon petitions filed for the location, removal, and relocations of poles, the construction of conduits and manholes and for attachment privileges for wires and fixtures.

The Board has granted permits to the Arlington Gas Light Company to install, construct and maintain gas mains in the public ways of the Town, where public convenience required.

Conferences have been held with the Planning Board, and the Chairman of the Metropolitan Planning Board relative to through arteries of traffic, also with the Park Commissioners relative to Park and Playground facilities.

The Board has given careful study and consideration to all matters coming before it for action and has endeavored to promote the best interests and welfare of the Town.

ARTHUR P. WYMAN,
HOLLIS M. GOTT,
WILLIAM O. HAUSER,
WALTER F. ROBINSON,
JAMES R. SMITH,
F. LEO DALTON,
Joint Board of Selectmen and
Board of Public Works

John A. Easton, Clerk.

REPORT OF THE TOWN COUNSEL

December 31, 1930.

Joint Board of Selectmen
and Board of Public Works

Gentlemen:

In connection with the establishing of building lines along Massachusetts Avenue in 1924, two of the seven petitions pending at the beginning of the year have been settled.

In connection with the laying out of Gray Street, in the four cases that were tried to a jury in each of which there was a verdict for the petitioner in the nominal sum of one dollar, the petitioners' exceptions have been overruled by the Supreme Judicial Court.

Settlements have been made of (a) the petition of Elsie L. Baxter in connection with the Tufts Street building line, (b) the action of Thomas F. Meany for alleged breach of contract, (c) the petitions of Manuel M. Costa and of Mary C. Costa et al relating to the establishing of the exterior lines and the laying out of Mystic Lake Drive, (d) the action of Ozro F. Dagle for damages claimed to have been sustained by reason of an alleged defect in a sidewalk, (e) the petition of William T. Canniff for damages in connection with the laying out of Menotomy Road, and (f) the petition of Wilmer G. Tenney for damages in connection with the alteration of Mill Street.

The petitions of Nathaniel Dane for abatements of taxes have been decided in favor of the Town and the

petition of Ruth Davis by her father and next friend for a writ of mandamus against Chester A. Moody, Superintendent of Schools, to admit her to the kindergarten, has been dismissed after a hearing.

There have been settled by the Board of Selectmen without suit the claims of Kervin R. Dunton relating to Newman Way, of Hattie L. Davis and of Joseph Gardella relating to the land in the rear of Massachusetts Avenue taken for school purposes, of Charles W. Johnson in connection with the exterior lines of Cedar Avenue and of Elsa V. Johnson and of George A. Winn et al in relation to the taking of "Fowles Pond" and land for park purposes.

The following matters are pending in the Middlesex Superior Court:

1. The petitions of the Arlington Five Cents Savings Bank (Mary F. Caterino) No. 53451, of Arlington Five Cents Savings Bank (Michael Driscoll) No. 53449, of Arlington Five Cents Savings Bank (Jennie M. Sylvester) No. 53450, of Hagop Kilbashian et al No. 53457 and of Jacob Miller et al No. 53458, relating to the Massachusetts Avenue building lines.

2. The bill in equity of Thomas Ryan No. 5125 Eq. to have certain land on Massachusetts Avenue decreed to be free from certain zoning by-law provisions.

3. The petition of Hazel R. Lowe No. 58498 in connection with the relocation of Old Mystic Street by the County Commissioners.

4. The petitions of Peter S. Baker No. 64658, of Della A. Kelly No. 64677, of Shervie V. MacCully et al No. 65614 and of James H. Walsh No. 64672, relating to the laying out of Gray Street.

5. The actions of Mary A. O'Brien No. 68982, of Edith Larson No. 77432, and of Earnest A. Thorsell No. 79738, for damages claimed to have been sustained by reason of alleged defects in ways.

6. The bill in equity of the Town against Allison B. Fowler No. 6467 Eq., to obtain payment of a judgment.

7. The petitions of Arlington Dye Works, Inc., No. 79423, of William F. McManus No. 79424, and of John H. Walsh et al No. 79425 relating to Mystic Street building lines.

8. The petitions of Lucy Ferry No. 79468 and of Helen M. Shean et al No. 79451 relating to the exterior lines of Warren Street Extension.

9. The petitions of Ethel W. Mead No. 79421 and No. 79422 relating to the laying out of Dow Avenue and the exterior lines of Wachusett Avenue.

10. Three actions of contract by the Symmes Arlington Hospital No. 80960, 80961, 80962 for care, board and medical services rendered to certain named persons.

In the Suffolk Superior Court there is pending the bill in equity of the William H. Gallison Company No. 36687 Eq. relating to a claim for materials alleged to have been sold to a subcontractor and used in the addition to the Peirce School.

In the Third District Court of Eastern Middlesex there are pending the action of Catherine Tweedy No. 4923 (1929) for damages alleged to have been sustained by reason of an alleged defect in a way and several minor actions including a number of actions in which the Town has been summoned as trustee.

There are pending before the County Commissioners the appeals from refusal to abate taxes of Winifred M. De Roche No. 1525 C.C. and of Maud D. Ruiter No. 1524 C.C.

In the Land Court the Town received notice of twelve petitions for registration and three were pending at the end of the year.

During the year a number of claims have been disposed of and attention has been given to thirty-two actions of trustee process, to many claims for workmen's compensation, to the drafting of numerous instruments, to the furnishing of legal opinions and to other matters including takings by eminent domain and settlements therefor. The Town Counsel has also been present at the regular meetings of the Board of Selectmen and of the Joint Board and at many meetings of other boards and committees.

Respectfully submitted,

PAUL M. WHITE,
Town Counsel.

TOWN ENGINEER'S REPORT

January 27, 1931.

To the Honorable Joint Board of Selectmen and
Board of Public Works:

Arlington, Mass.

Gentlemen:

I respectfully submit my report as Town Engineer for the year ending December 31, 1930.

As is to be expected the activities of this department increase as the Town expands and this year was no exception to the rule, approximately 10% more work being done than last year, and it has been difficult to meet the demands made as the space allotted to this branch of the service is not sufficient for the number of employees necessary to keep pace with the ever increasing volume of work.

A vault of fireproof construction with a standard safe door approved by the Underwriters was completed in the basement last June and at that time the task of reproducing all plans filed in this office was begun.

A contract was made with Spaulding Moss Company, of Boston, for the printing of many of these plans which it was impractical for us to attempt to do and 1159 were copied at the price of $1.80 each, which included a negative and positive reproduction, so in the future if the positive print is lost or destroyed the nega-

tive can be run through our own blue printing machine and a copy secured at a very small expense.

In addition to the above plans 4650 were reproduced in this office, making a total of 5809 originals and 1300 negatives that have been filed in basement vault to date.

At the present time there are about 1000 originals to be copied and this work will be carried to completion as speedily as possible when the funds are available, and this will complete the filing of these very valuable records, some of which could never be reproduced if destroyed, and others only at a great expense.

A Ford touring car was bought in the spring for this department and has saved materially over the old scheme of operation.

I would suggest that another car be purchased in 1931 and then the two survey parties that spend nine (9) months of the year on outdoor work would be well taken care of.

Block plans of the entire town were completed this year, there being 287 sheets in the set and they have proved invaluable to this department.

The Assessors have copies of all these, and through their transfer cards found some sub-division that didn't appear on the plans, as no record plan was filed at the East Cambridge Registry, which is the only source of information this department has had, but now through arrangements made with the Assessors we will receive a copy of all transfers that are not accompanied by a plan.

In addition to the above corrections all buildings erected in 1930, all new developments and sub-divisions

will have to be shown and this work will be done as early as possible.

Because of the added volume of work it was necessary to employ three extra men for the greater part of the last six months of this year, and judging from the amount of work planned for 1931 it is possible they will have to be retained.

I will not attempt to cover the entire field of endeavors of this department for the year but will mention the following as the most important.

Selectmen—Preambulation of all Town Lines and report. Studies for alteration of Broadway and Franklin Street and Summer and Mystic Streets, survey and plan for proposed addition to High School, investigation, measurements and pictures of ten (10) accident claims because of supposed defects in way.

Joint Board—109 pieces of work including studies for various Board of Survey layouts, exterior and building line plans, street acceptance plans, contract, specifications and supervision of granolithic walk construction and granite curb installation and calculation of all streets, sidewalk and curb betterment assessments.

Board of Public Works—Staking out, construction grades and final surveys on eighty-eight (88) sewer extensions, forty-four (44) storm drain extensions, and one hundred and nineteen (119) water extensions. Record plans of all of above are being made and all sewer assessments were levied before January 1, 1931. Plans, contract and specifications of 1930 street construction and for Brooks Avenue outlet drain were drawn up.

Planning Board—Studies for layout of main traffic arteries through Lake Street and Spring Street to Lex-

ington line, Warren Street Ext. and River Street Ext., Aerial survey control map and various plans and studies.

Park Commission—Study plans and layouts for playground expert, estimates, plans and specifications for grading Warren A. Peirce playground and Meadow Brook Park, topographical survey and estimated quantities for grading Arlington Heights playground and other general work.

Peirce School Building Committee—Preliminary survey, plans and specifications, construction grades and final measurements for grading grounds at building and playground.

Eastern Avenue School Building Committee—Topographical survey and plan of site and staking boundaries.

Cemetery Commissioners — Sub-division plans, staking lots, study for grading and tracings of all cemetery plans.

Legal Department—Investigation, measurements, elevations and pictures on eight claims for damage, compiling special data.

Miscellaneous—Maps for zoning changes, plans of six (6) accident cases for Police Department, study of grading and retaining wall for Locke School playground, ten (10) maps for Fire Department showing box locations, complete plans of underground cables and connections, plans showing new street number, location of all new buildings constructed, printing of 10,500 maps in connection with Tercentenary celebration and compiling and printing maps showing new precincts.

I wish to extend to you my sincere appreciation for your assistance and cooperation through the year, to the other Town officials my gratitude for their many kindnesses and to the employees of the Engineering Department for their faithfulness and for the conscientious manner in which they performed their duties.

Annexed to this report is a table of general statistics pertaining to the Town and a list of public and private streets.

Respectfully submitted,

JAMES M. KEANE,
Town Engineer.

GENERAL STATISTICS

Arlington is situated six miles northwest of Boston, in latitude 42 deg., 25 min. north; longitude 71 deg., 09 min. west, at an elevation above mean tide of from 4 to 377 feet.

Massachusetts Avenue at Cambridge line, elevation 10 feet.

Massachusetts Avenue at Pleasant Street, elevation 48 feet.

Massachusetts Avenue at Park Avenue, elevation 155 feet.

Park Circle at Eastern Avenue (base of standpipe), elevation 377 feet.

Crescent Hill Avenue at Park Place, elevation 281 feet.

The Town and a part of what is now Belmont were set off from Cambridge and incorporated at West Cambridge in 1807. The name was changed from West Cambridge to Arlington in 1867.

Area of Town, including that covered by water, 3,520 acres, 5½ square miles; area covered by water, 268.2 acres.

Parks: Town, 87.20 acres; Metropolitan, 55 acres.

Total cemetery area, 44.2 acres.

Public street and Town ways: Macadam 27.21 miles; Simasco, 1.40 miles; Warren Bitulithic, 0.13 miles; gravel 18.07 miles; concrete, 2.82 miles; reinforced concrete and bituminous macadam, 1.25 miles.

Private streets open for travel, 38.35 miles.

Length of proposed private streets, 10.42 miles.

Permanent sidewalks: Tar concrete, 7.4 miles; brick, 3.31 miles; artificial stone, 27.83 miles.

Edgestone, 23.84 miles.

Paved gutters, 15.08 miles.

Storm drain system, 29.00 miles.

Catch basins, 1076.

REPORT OF WIRE DEPARTMENT

To the Honorable Joint Board of Selectmen
and Board of Public Works.

Gentlemen:

I respectfully submit my report as Superintendent of Wires for the year ending December 31, 1930.

STREET LIGHTING

During the year there were fifty-three (53) No. 20 lamps, nine (9) No. 70 lamps and forty-one (41) No. 75 lamps installed as follows:—fifty-three (53) No. 20 lamps were installed on newly developed streets, and various dark locations on other streets; there were seven (7) No. 70 lamps installed on Mystic Street between Summer Street and Winslow Street; one (1) No. 70 lamp installed on island at junction of Falmouth Road and Langley Road and one (1) No. 70 lamp installed on island at junction of Dow Avenue and Valentine Road. There were forty-one (41) No. 75 lamps installed on Massachusetts Avenue between Highland Avenue and the Lexington line.

Summary of street lights in service December 31, 1930; all night schedule, 3845 hours.

No. 20— 80 C. P. Series Incandescent Lamps....1245
No. 70— 600 C. P. Series Incandescent Lamps.... 96
No. 75—1000 C. P. Series Incandescent Lamps.... 117

ORNAMENTAL LIGHTING SYSTEM

60 Watt lamps, multiple, burning from 30 minutes after sundown to 11 P.M. 1695 hours..... 25

INSPECTION OF WIRES IN BUILDINGS

One thousand five hundred and seventy seven (1577) permits for electrical construction were issued at fifty (50) cents for each permit.

There were two thousand nine hundred and fourteen (2914) inspections made; and one thousand eight hundred and eight (1808) installations approved.

No fires were caused by defective wiring during the year.

POLES AND WIRES ON STREETS

The Edison Company, the Telephone Company and the Boston Elevated installed fifty-one (51) new poles, replaced one hundred and twenty-four (124) poles and removed nine (9) poles during the year.

The Fire Alarm and Police Signal Systems were maintained from January first to April thirtieth by the Superintendent of Wires after which date the Systems were taken over by the Chief of Fire Dpartment.

Respectfully submitted,

W. E. MASON,
Supt. of Wires.

REPORT OF COMMISSIONERS OF CEMETERIES

Arlington, Mass., January 1, 1931

The report of the Commissioners having charge of the cemeteries is herewith submitted for the year ending December 31, 1930:

REPORT OF BOARD OF HEALTH

The Board of Health herewith submits its 36th annual report since its inception as a separate department, covering the activities of the several features coming under its jurisdiction for the year ending December 31, 1930. The regular meetings of the Board are held the first Monday evening of each month at 7.30 o'clock. Twelve regular and one special meeting were held the past year. At the Annual Town Meeting held March 3, 1930, Charles F. Atwood, M.D., was re-elected a member of the Board for the term of three years. Dr. Atwood having qualified before the Town Clerk, the Board, consisting of Alfred W. Lombard, Charles F. Atwood, M.D., and Ernest R. Brooks, D.M.D., held a special meeting on date of March 8, and organized by re-electing Alfred W. Lombard to serve as its Chairman for the ensuing year.

At the regular monthly meeting of the Board held April 7, the following appointments were made for the year ending April 30, 1931.

WILLIAM H. BRADLEY, Agent, Clerk and Milk Inspector
EZEKIEL PRATT, M.D., physician to Board
EZEKIEL PRATT, M.D., Bacteriologist
E. F. MacKAY, D.M.D., Dental Operator
HELEN M. HEFFERNAN, R.N., Asst. to Dental Operator
HELEN M. HEFFERNAN, R.N., Board of Health Nurse
ARTHUR TAYLOR, Inspector of Slaughtering
WILLIAM H. BRADLEY, Inspector of Slaughtering

The Federal Census taken the past year shows Arlington to be the second largest town in the Commonwealth with a population of 36,089. As a town increases in population it very naturally follows that communicable disease will increase accordingly. This does not mean, however, that each of the communicable diseases will increase in number with each succeeding year. On the contrary, a community may be stricken with a certain communicable disease reaching epidemic proportions one year, and for the next few years the number stricken with this disease in the same community will be negligible, due to the fact that such a large majority have been rendered immune, there are no subjects left for the organism to work upon, and so a new group of susceptibles has to appear before the disease again occurs in large numbers.

That artificial immunization for the prevention of Diphtheria is rapidly gaining the confidence of the public is shown, when at our two public clinics held this year seven hundred children were given the full three courses of treatment. To date we have administered this treatment to upwards of three thousand Arlington children, and it is to be hoped that the time is not far distant, when, with parents cooperating, every Arlington child, either through the family physician, or our clinics, will be immunized against this disease before reaching school age. With this an accomplished fact, Diphtheria, in so far as Arlington is concerned, would be relegated to the class of "Rare Diseases" to which class in this enlightened age it really belongs.

At the annual Town Meeting held March 26, 1930, the care of Spy Pond and the Reservoir at Arlington Heights was placed under the Board of Health. The Special Committee which previously had the care of Spy Pond, and did such excellent work, recommended this transfer of authority. The Board of Health has

continued the same method of treatment established by the Special Committee, and with gratifying results. Briefly this consisted of removing the surface weed growth from Spy Pond, and the treating of the water with copper sulphate. The water of the Reservoir was also treated this year with copper sulphate, and an additional improvement here, and one that should be noted, was the removal, by the Board of Public Works, of the accumulation of years of the rubbish from the water around its shores. Other than suffering from the long period of drought which extended from early spring to late fall, and which kept the ponds far below their normal levels, both bodies of water remained in fairly good condition throughout the year.

Mosquito Control: There are three stages of mosquito life. The egg stage, the larvae or wiggler stage, and the winged or fly stage. To attempt control in either the egg or fly stage would be futile. In the wiggler stage, which is from one to two weeks' duration, the mosquito lives the life of a fish in calm waters, such as are usually found to exist in swampy areas, catch-basins and stagnant pools. Never in rough or moving waters. Due to lack of funds all our efforts at control have been confined to spraying these waters with oil. This when properly applied, forms a coating over the water sufficient to prevent the wiggler coming to the surface for fresh air, without which, he, of course, cannot survive. Undoubtedly many millions of these wigglers are destroyed by this method of treatment, and therefore must afford a corresponding amount of relief. Real control in a community, however, is the draining or filling in of all swampy areas and stagnant pools wherever possible, and the spraying with oil during the breeding season such other waters favorable for breeding, which for one reason or another cannot be so treated.

Sucker Brook: In our annual report of 1928, we

gave a rather exhaustive account of the unsanitary condition of this brook, and made recommendations for its improvement. We hope the time to be near at hand when we can record, at least the beginning, of this important public improvement.

Public Sewers: A further extension of public sewer mains is earnestly recommended for the coming year.

Licenses and Permits: The usual licenses and permits required by statute law and our regulations have been issued.

Reports: The financial report of the department, giving a detailed statement of expenditures and receipts for the year, together with morbidity and mortality reports, and reports of appointees are appended.

In closing we wish to take this opportunity of acknowledging our indebtedness and extend our thanks to those who have so kindly assisted at our immunizing clinics the past year. They are the Arlington Visiting Nursing Association, the Arlington Public School Nursing Staff, The Ring Sanatorium, the Arlington Police Department, and the Superintendent and Assistant Superintendent of the Town Hall.

ALFRED W. LOMBARD,
CHARLES F. ATWOOD, M.D.,
ERNEST R. BROOKS, D.M.D.
Board of Health.

REPORT OF AGENT AND CLERK

To the Board of Health
Arlington, Mass.

Gentlemen:

I herewith submit my report as Agent and Clerk of the Board for the year ending December 31, 1930.

REPORT OF AGENT

Inspections

Food Producing and Distributing Establishments	3,433
Other Inspections	848

Complaints

Investigated and Adjusted	165

Legal Settlements

Investigated	29

REPORT OF CLERK

Licenses Issued

To buy, sell and deal in Alcohols	Fee $1.00	51
To manufacture Ice Cream	" 1.00	9
To practice Manicuring and Massage	" 1.00	45
To collect Meat Trimmings	" 2.00	8
To operate Pasteurization Plant	" 10.00	1
To operate Slaughterhouse	" 1.00	1
To engage in Undertaking	No fee	11

PERMITS ISSUED

No fee

For Burial or Removal Permits	382
For the keeping of Cows	15
For the keeping of Ducks	11
For the keeping of Goats	6

For the keeping of Hens	220
For the keeping of Swine	3
For the construction of Cesspools	62
For the emptying of Cesspools	9
For the hauling of Offal through the streets	46
For the holding of Rummage Sales	2

Respectfully Submitted,

WILLIAM H. BRADLEY,
Agent and Clerk.

REPORT OF BACTERIOLOGIST AND PHYSICIAN

To the Board of Health

Arlington, Mass.

Gentlemen:

I herewith submit my report as Bacteriologist and Physician to the Board for the year ending December 31, 1930.

Report of Bacteriologist

Specimens Examined	Blood Smears	13
	Sputa	72
	Throat Cultures	192
	Urethral Smears	47
	Total	324

Report of Physician

Home Visits

For release upon recovery from Scarlet Fever	152
For release upon recovery from Diphtheria	23
Total	175
Bakers Examined. (Physical examination)	10
Persons vaccinated	8

Dispensary Report

Patients at Dispensary	11
Home visits to Tuberculosis Patients	14
Von Pirquet Test administered	1

I also assisted at the two Immunizing Clinics held under the direction of the Board of Health the past year, at which time seven hundred children were given the full course of three injections of Toxin Antitoxin for the prevention of Diphtheria.

Respectfully, submitted,

EZEKIEL PRATT, M.D.

REPORT OF DENTAL OPERATOR

To the Board of Health:

Gentlemen: I herewith submit my report as Operator in the Dental Clinic for the year ending December 31, 1930.

With the opening of the schools in September the usual examination of second grade pupils was made. The total number examined was 726, an increase of 80 children over the previous year. Of this number 64% were found to be in need of dental attention. This is a decided improvement, last year's figure was 77%. This improvement is due to the lowering of the age limit of children attending the Clinic, and the care of pre-school children. The value of early care of teeth is unlimited.

The parents of children with defective teeth were notified by card as heretofore.

The School authorities have cooperated with us by sending their quota on the days specified, and the attendance has been satisfactory.

Two years ago 102 permanent teeth were extracted in the Clinic, in 1930 only 40 permanent teeth called for such treatment. This means one thing: the child gets to the Dentist early enough to save his teeth.

During the year 628 children made 1083 visits to the Clinic and of that number 454 were dismissed with all work necessary at that time completed. This record can also be credited to the fact that the parents are realizing that they must start their children's Dental care early.

The work summarized below was accomplished in 495 hours, or 165 mornings of three hours each.

Extractions	Deciduous	501
	Permanent	40
Fillings	Deciduous	1730
	Permanent	1334
Treatments	Deciduous	623
	Permanent	282
	Prophylactic	344
Total number of Operations		4854
Total number of Sittings		1083
Total number of New Patients		277
Total number of cases dismissed		454

Respectfully submitted,

EDGAR F. MacKAY, D.M.D.

REPORT OF BOARD OF HEALTH NURSE

To the Board of Health:

Gentlemen: I herewith submit my report as Board of Health Nurse for the year ending December 31, 1930.

Number of visits made to the homes of persons suffering with communicable diseases, 1520.

Investigated conditions in the homes of seven applicants for licenses to maintain Boarding Houses for Infants.

Inspected thirteen Licensed Boarding Houses for Infants.

Assisted Dr. Pratt in the examination of eleven Dispensary patients.

Assisted at the Immunizing Clinics held at the Board of Health office during May and October.

Assisted at the Chadwick Re-examination Clinic at which children that showed any Tubercular weakness were tested and X-rayed.

Assisted Dr. Buckley and Dr. Talty in the examination of the 850 childen in Saint Agnes' School.

Conveyed two patients to the North Reading State Sanatorium for examination and X-ray.

Conveyed one patient to the State Infirmary at Tewksbury for admission.

Conveyed two children from the State House to their home in Arlington.

Respectfully submitted,

HELEN M. HEFFERNAN, R.N.

REPORT OF DENTAL ASSISTANT

I have assisted the Dental Operator at the daily sessions of the Clinic, and also in the examination of the second grade pupils of the Public and Parochial Schools.

In my contact with parents of young children I try

to teach them the necessity of early care of the teeth. Some of the parents appreciate what early Dental care means for these little ones, but there are still many who are slow to see the value of such care, either in the present, or for the future.

Respectfully submitted,

HELEN M. HEFFERNAN, R.N.

REPORT OF MILK INSPECTOR

To the Board of Health
Arlington, Mass.

Gentlemen:

I herewith submit my report as Inspector of Milk for the year ending December 31, 1930.

According to dealers' reports there is distributed for consumption in Arlington 16,000 quarts of milk daily. More than 99 per cent of which is pasteurized. This is approximately 9/10 of a pint per capita. Reports from the same source would indicate that there is in excess of three thousand jars of cream consumed daily in Arlington.

Samples of milk taken monthly from dealers have shown by analyses to be well above the standard set by the statutes in milk solids and fat content, and in general have met with our requirements in regard to bacteria count. This means that the milk sold in Arlington is of very good quality. A summary of the work for the year follows.

Samples of Milk analyzed	Taken from vehicles on street.	257
	School Milk	8
	Taken from Lunch Rooms, etc.	12
	Total	277

Ice Cream analyzed	Taken from Manufacturers and Ice Cream Parlors.....	16
Licenses issued	For sale of Milk from Stores, Lunch Rooms, etc.....	174
	For sale of Milk from vehicle	42
	For sale of Oleomargarine...	52
	Total	268

Respectfully submitted,

W. H. BRADLEY,
Inspector.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Health
Arlington, Mass.

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1930.

Number of Calves slaughtered.....	2,240
Number condemned	0
Number of Goats slaughtered.....	7
Number condemned	0
Number of Sheep slaughtered.....	7
Number condemned	0
Total	2,254

Total number of inspections.....	92
Time required for inspections.....244½ hours	

Respectfully submitted,

ARTHUR TAYLOR,
Inspector.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Health
Arlington, Mass.

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1930.

Number of Calves slaughtered	24
Number condemned	0
Number of inspections	1
Time required for inspection	3 hours

Respectfully submitted,

WILLIAM H. BRADLEY,
Inspector.

1930 REPORT OF THE BOARD OF PARK COMMISSIONERS

Honorable Board of Selectmen:

The year 1930 has been, according to the present Board, one of real endeavors and accomplishments.

The work which has always been part of our regular routine has been very capably taken care of.

At the Warren A. Peirce Playground a quarter-mile track and a football area have been completed and will be ready for use in the Autumn of 1931. The whole tract has been subgraded and is now ready for completion. A complete watering system has been installed.

At Menotomy Rocks Park, the wall around Hill's Pond has been extended, the pond has been cleaned of all stumps and debris, all underbrush has been cut and removed, dead trees have been chopped down and a wide path cleared for coasting and skiing. A large area has been filled with ashes, which area will eventually be used for a children's playground.

At Arlington Heights Playground, all brush has been cut and burnt, the brook and all property cleaned up, dead trees cut down and surplus firewood turned over to the Arlington Welfare Committee.

All small grass plots in different parts of the Town were loamed, seeded and cared for.

At Meadowbrook Park, stumps, dead trees and brush were removed, a large portion of loam was moved and saved, brook was cleaned and dike and dam built to provide skating area. Rubbish was cleaned up on cemetery side of brook (with the assistance of the Board of Public Works). All these things were accomplished taking into consideration a four year program planned by a special committee appointed in 1929.

The firemen at the Central Fire Station have done very fine work in the care of their plot and this work is very much appreciated by the members of the Board, and we know also by the citizens of the Town.

We are making great advances in park and playground improvements and hope during the coming year to make great strides in athletics and recreational training.

Park at Standpipe. Grass has been cut several times and "No Trespassing" signs have been erected according to a signed petition by one hundred citizens in that vicinity.

Fowles Mill. Buttresses of dam were repaired and extended, reinforced concrete bridge built and fence provided. Considerable filling was obtained through the Board of Public Works and a private contractor, at very little expense.

We wish to thank the Engineering Department and the other departments of the Town for their hearty cooperation.

Respectfully submitted,

RICHARD L. POWERS,
FRANK W. WUNDERLICH,
EDWARD W. HIGGINS,
Board of Park Commissioners.

REPORT OF PLANNING BOARD

January 28, 1931.

To the Honorable Board of Selectmen:

Gentlemen:

The Planning Board submits herewith its report for the year of 1930. The Board has continued its policy as outlined in its report for 1929 with respect to meetings and affiliation with the State Board. It is felt that considerable progress has been made during the past year especially in some of the larger and more important problems inasmuch as certain of the Boards local projects have been given consideration by the Metropolitan Planning Division and have also been incorporated in studies by the State Department of Public Works as portions of State highway development schemes.

The situation with regard to zoning has remained satisfactory and the recommendations of the Board have been accepted where changes have been sought.

A summary of the status of the more important projects under consideration by the Board is as follows:—

MILL BROOK

In accordance with the recommendation of the Board the Town has acquired Fowle's Pond and surrounding land for park purposes. Information has been compiled showing the ownership of the land abutting on the brook between Brattle Street and Grove Street together with the

assessed values. While the Board still feels that the proper development of the valley of Mill Brook is one of our outstanding problems it, nevertheless, believes that because of financial considerations and the more pressing needs of other projects that the acquirement of further lands on the Brook should be postponed this year.

SPRING STREET

The Board, with the cooperation of the Belmont and Lexington Planning Boards has continued the study of its project for a new east and west State highway and preliminary plans determining its feasibility have been prepared. It is now assured that a resolve will be offered in the present Legislature providing for a study of and report on the project by the State Department of Public Works. The Joint Board has approved a plan for the establishment of exterior street lines for a portion of this highway in a section liable to be soon built up which will be acted upon at the coming Town meeting. Approval by the Town will prevent encroachment and subsequent added expense. The Board is not aware of any opposition to the general plan and feels that the construction of such a highway by-passing Arlington on the south will materially improve the traffic situation at Arlington Center.

SUMMER STREET BOULEVARD

During the year the State Department of Public Works in accordance with the State Resolves of 1930 has completed a study of a State highway to extend from Mystic Street through to Bedford Street in Lexington and to also extend easterly from Mystic Street to a connection with Warren Street in Arlington. A study has also been made of an improved parkway or boulevard starting at the junction of the present Alewife Brook Parkway and Massachusetts Avenue in Cambridge and continuing largely along existing parkways to Summer

Street. These two plans are closely related and if carried out will afford a main route to the north which should relieve Massachusetts Avenue of a substantial amount of through traffic. Both of these plans include details which have been developed and advocated by the Board. It is probable that the preliminary hearings on these projects will be held by the State within a short time.

TURKEY HILL

The Board has investigated the possible reforestation of the land now owned by the Town on Turkey Hill. The proposition is in the opinion of the Board a desirable one and after a conference with the Board of Park Commissioners that Board has decided to ask for the necessary funds so that this work may be included in its 1931 schedule.

SPY POND

The acquirement of the shores of Spy Pond for park purposes and the preservation of the beauties of the pond are duties which the present generation owes the future. To allow shore properties coming on the market to pass into private hands for sub-division at a time when they can be acquired by the Town at reasonable cost is short sighted and not consistent with those duties.

With this view the Board is studying the possible development of the shore lands and determining the extent to which they should be purchased by the Town when available. Two years ago the Town acting on the recommendation of the Board authorized the purchase of the lot at the northerly end of the pond lying between the pond and the railroad right of way and westerly from Linwood Street which lot had then become available through the burning of the ice house at the foot of Pond Lane. At the present time two additional ice house properties located one at the foot of Linwood Street and the other on Lake Street are available for purchase by

the Town. On these properties the Board has obtained an option for purchase by the Town, open until after the annual Town Meeting of 1931 and will cause appropriate articles to be inserted in the warrant for that meeting.

AERIAL SURVEY

The Planning Board for use in connection with its study of Spring Street has had an aerial photographic survey made, including a mosaic map of the entire Town which has been found extremely valuable in its work. This map which is the first made of the Town is available to and will be of assistance to other Town boards in their work.

The membership of the Board during 1930 has remained the same as during the previous year. Mr. Walton H. Sears was elected and has served as Chairman during the year. Mr. Herbert M. Dutcher has served as Secretary.

WALTER H. SEARS,
HERBERT M. DUTCHER,
CHARLES M. MacMILLIN,
CAROLYN B. REED,
LESTER W. COLLINS.

The Trustees present herewith the report of the Robbins Library for the year 1930.

This year has again seen a marked increase in the use of the library by the people of Arlington as shown by a circulation of 210,692 books. The following report and tables by the librarian show that all the present day diversions have not taken the place of the joy of a good book.

The Town Meeting voted in April $90,000 for the purpose of enlarging and repairing the present building. When completed, the problem of the crowded condition in

the adult library will be solved and a splendidly equipped junior library provided where young people up to the Senior High School age can have adequate space and service.

The Trustees wish to express their appreciation of the loans and gifts made the library during the year. These include $500 from a "Friend of the Children" for the purchase of children's books and contributions of books and magazines.

The Trustees record the passing of Rev. Samuel C. Bushnell, a member of the Board of Trustees from 1893-1921. "His good judgment and broadmindedness together with his knowledge of books and interest in the library made his services of unusual value to the town during this long term of years." The following resolutions were passed by the Trustees at their June meeting:

Whereas: Reverend Samuel C. Bushnell was a member of the Board of Trustees of the Robbins Library from 1893 to 1921 and for the greater part of that time its Chairman:

Whereas, during that long service he gave generous and enthusiastic support to the best interests of the Library:

Whereas, by his death the Library has lost one of its best friends and loyal supporters:

Resolved—that the Trustees hereby express their sincere grief at the loss of one whose life was a help and inspiration to all with whom he was in contact:

Resolved—that a copy of these resolutions be placed in the records and that one be sent to Mrs. Bushnell.

For the Trustees,

WILLIAM A. MULLER,
Chairman.

REPORT OF THE LIBRARIAN FOR THE YEAR 1930

To the Trustees of the Robbins Library:

The yearly report of the Robbins Library for 1930 is herewith submitted.

The year 1930 has been filled with new and interesting experiences in working out plans for the addition to the library.

The staff not only has carried on during the extended changes and general rearrangements but has tried to give better service and reach a larger public. Every department of the library shows an increase in the amount of work accomplished.

The varied services which the Public Library can offer have been kept in mind. It has tried within the limits of the book appropriation to provide children with the different kinds of books sought at different stages of their development. It has provided the adult reader with wholesome recreation according to his cultural tastes. It is endeavoring to keep at hand the best books of information for the practical man of affairs. It encourages the use of the most inspiring and ennobling literature of the ages.

The Robbins Library, in the year 1930, has circulated to the townspeople 210,692 books. This represents by 17-027 the largest circulation the library has ever had. The Central Library has given out 158,079 books, including 117,573 from the Adult Department, 40,506 from the Junior Library and 5,064 to schools. The East Branch has circulated 25,931 books and the Heights Branch 21,618 books.

COMPARATIVE CIRCULATION TABLES

1892 (First year in present building)	33,993
1900 (Stacks were opened to public)	51,069
1905	44,035
1910	44,179
1915	54,598
1920	60,251
1925	102,156
1926	119,774
1927	140,521
1928	169,619
1929	193,665
1930	210,692

1,828 new people began to use the library. Central registered 1,424, East Branch 192 and Heights Branch 212.

2,705 books were sent to the bindery, which was 108 more than the year 1929.

The Catalogue Department shows an increase in the volume of work accomplished with the following record.

Books added in 1930	4,765
Books added in 1929	3,920

Gain in 1930	845
Number of vols. December 31, 1929	39,803
Number of vols. added by purchase	4,645
Number of vols. added by gift	120
	44,568
Number of vols. discarded	2,150
Volumes in library	42,418
Books re-accessioned	71
Reference books added	69
Gifts	120
Books re-catalogued	327
Total number of cards filed in catalog	9,335

The Reference Librarian reports the following activities:

"The celebration this year of the Massachusetts Tercentenary created a wide demand for reference material on the early history of the State particularly of Arlington, historical buildings and sites, and famous men and women of colonial days. There were many requests for pictures to be used in the tercentenary poster contest held in the schools and for Puritan costumes, furniture and settings for the Arlington pageant. An extensive collection of pamphlets, pictures, and clippings pertaining to tercentenary has been added to the reference collection.

"Considerable reference work has been done with the women's clubs on their study of the history of the frontier in America and of Latin America—history, literature, art, etc.

"The pamphlet collection, now increased in number to 1,500, has proved invaluable for information on recent happenings, biographies of living people, government publications, etc. The file of school and college catalogues

has been in constant use by high school students and by men and women interested in evening courses and lectures.

"We have continued to avail ourselves of the inter-library loan privilege, filling 139 requests for books not in our library.

"During the first half of the year until the children's department was moved downstairs, we had several interesting exhibits in the small reading room. The pupils of Miss Balconi of the Junior High Center lent us an exhibit of their handwork—beautiful embroidery, weaving, wood-carving, etc. A collection of bird houses made by pupils in the elementary schools was a novel and worthwhile exhibit. The tercentenary exhibit of old books, dolls, pewter, and other articles pertaining to colonial days attracted a great deal of attention. We want to thank again the various Arlington people who lent us their treasures for this exhibit."

The firemen have appreciated the one hundred books sent every month to the various stations. The telephone exchange has received books monthly. They are used in the rest-room and later charged to the girls if they wish to take them home. Special deposits have been used by Scout Troops, Scout leaders and club women.

JUNIOR LIBRARY AND SCHOOLS

The Library is gradually working up a system of co-operation with the teachers of the Town which is of mutual benefit. To the grade schools this past year there have been lent 5,064 books for classroom supplementary reading and 1,112 pictures. These books include biographies of great men, nature study, foreign countries, as well as books which have some literary value. The State Reading Lists with the award of certificates have

been used with satisfaction in an increasing number of schools.

The Everyland Club had the first meeting of its second season on July 3, 1930. The club met, as usual, every Friday morning at 9 o'clock throughout the summer with an average attendance of 49.

The story hours were held from January 7 to April 29 with an attendance of 921 and from November 18 to January with an attendance of 316, making a total of 1,237 with an average attendance for the year of 56.

Children's Book Week was celebrated from November 16 to November 22. Although in very crowded quarters in a temporary children's room, an attractive collection of new books was exhibited.

A booklist was compiled called "Here's an Adventure" for Girl Scouts with subject headings especially adapted for use in their scout work and annotations under the biography and fiction headings.

Circulation in the Junior Library for the year:

1930	40,506
1929	38,121
Gain in 1930	2,385

The Librarian at the Heights Branch makes this comment on her work: "The crying need is for more space, more shelves and more books to put on the shelves, as well as extra seating capacity."

The East Branch has gained steadily during the past year—25,931 books were given out to East Arlington patrons.

We note with sorrow the death of Reverend Samuel Bushnell, who was a very active trustee, and that of Miss Myra Poland, who worked in the library many years until 1887.

GIFTS

Four books have been added to the Arlington Authors' Shelf. "Unafraid" by Mrs. Winnifred King Rugg was presented by the Arlington Woman's Club. We also received "Rose to the Living" by Nixon Waterman, an autographed copy by Trowbridge, and "To a Summer Cloud" by Emily Tolman, presented by Dr. Julia Tolman. A bronze portrait, bas-relief of Mr. John Trowbridge executed by Mr. Cyrus Dallin, which holds special interest and value to the Robbins Library, was presented by Mrs. Edith Vom Bauer. The friend of the children again gave $500 for the purchase of children's books. Gifts of flowers and plants from friends who love to share have added interest and color.

Books and periodicals have been received from the following:

Governor F. G. Allen
Arlington Town Clerk
Arlington Woman's Club
Mrs. N. F. Bacon
Dr. G. A. Barron
Commonwealth of Massachusetts
E. A. Dunn

STAFF

Fortunately for the work of the library there have been no changes on the regular staff. All of the members have availed themselves at some time during the year of the opportunity of attending library meetings, courses and lectures in Boston.

In closing the librarian wishes to express her appreciation of the cooperation of the members of the staff during the year. Their duties to the public, although for a part of the year carried out under many physical hardships, have been discharged at all times with an enthusiasm and friendly spirit that is a matter of comment on the part of the patrons. Such service is not bought and paid for but is born of a love for one's work and a loyalty to the institution.

To the Board of Trustees she wishes to express her ever increasing feeling of appreciation for their unfailing interest and hearty cooperation.

Respectfully submitted,

LUCINDA FIELD SPOFFORD,
Librarian.

REPORT OF THE SCHOOL COMMITTEE

January 20, 1931.

To the Citizens of Arlington:

During the past year your Committee has devoted a large part of its time to consideration of policies and practices which affect the expenditure of money. An effort has been made all along the line to conduct the schools as economically as possible, and considerable saving has been made. Despite a cut of over $30,000 in the budget submitted last year, we conducted the schools without decreasing the efficiency of instruction and returned more than $16,000 to the town at the end of the year.

One of the outstanding changes in policy was the change in the entering age requirement which was raised from a kindergarten age of five years before January first to a sub-primary age of five years on or before October first. The kindergarten was eliminated from the course of study in the belief that economy could be effected in this branch of school work with the least possible loss to the progress of the children in school.

Our citizens may well be proud of the reputation Arlington has for clean, well-kept buildings. Some of the buildings are old and it is necessary each year to spend a certain amount with a view to modernizing them and keeping them in good repair. The necessity for makeshifts, due to overcrowding, also requires an extra expenditure. The newer buildings are not allowed to deteriorate. We are sure that the citizens want the buildings kept up to high standards and do not begrudge the appropriations required for that purpose.

The additional high school accommodations now in process of construction will relieve for one year only the necessity of a two-session schedule. Our estimates regarding the high school enrolment are no less than previously reported; hence, the need for additional high school accommodations is as great as anticipated. The School Committee urges the town to provide the necessary additional accommodations by completing the high school project immediately so that adequate quarters will be available and the many important high school activities can be returned to a normal basis.

It is not necessary to emphasize the relief to the Cutter School that will be provided by the completion of the Eastern Avenue School, authorized at the last town meeting. The details of the Cutter School overcrowding are well understood but we must emphasize that the Hardy School needs relief almost as much as the Cutter School, as has been pointed out in previous reports. We urge that some step be taken to relieve the situation in that district. The Pheasant Avenue School will take care of the needs in that section and afford some relief to the Peirce School. We will next need to consider additional accommodations both at the Crosby and Parmenter buildings.

Your attention is directed to the need for more accommodations at the Junior High School West. This school has already outgrown the new addition. Relief can best be provided by an addition to the Junior High Center building. This building should be doubled in capacity affording relief to the West and providing facilities for the Center pupils commensurate with those now afforded in the other Junior High Schools.

There have been several changes in the personnel of the Committee since the last report. Professor Alexander H. Rice, who served nine years, eight years as Chairman,

Professor George H. Russell, who served six years, and Eugene F. Freeman, who served six years, were replaced by Mrs. Therese N. Turner, Winburn S. Cannell, and Mortimer H. Wells.

Your Committee is appreciative of the deep interest in the welfare of the schools manifested by the entire staff. We have enjoyed the fullest co-operation and assistance from the other town officials, boards and committees.

For the Committee,

M. NORCROSS STRATTON,
Chairman.

The following tabulations of membership and attendance are a part of the Annual School Report, as required by vote of the Town:

ATTENDANCE STATISTICS FOR THE SCHOOL YEAR 1929–1930

REPORT OF THE TREE WARDEN

To the citizens of Arlington:

I herewith submit my report as Tree Warden for year ending December 31, 1930. The past year on account of the extreme drought was a trying one on our shade trees, but taking all things into consideration our trees will compare favorably with other towns and cities. During the past year all dead or dangerous limbs have been removed and all foliage that would obstruct the vision of auto drivers for stop signals at intersections was removed; also considerable trimming was done so as proper lighting effect could be obtained from our street lights. The Edison Electric Light Co. removed all interfering branches from their wires under the supervision of one of my men at their expense. There were four public hearings held for the removal of trees that were deemed to be an obstruction and in no case were there any objections and permits were thereby granted for their removal.

Five hundred and seventy-seven trees were planted on streets which were constructed and twelve dead or dangerous trees were removed.

The following is a list of trees planted and removed:

PLANTING

Location		Species
Pleasant St.	2	Nor. Maple

FINANCIAL STATEMENT

Wages	$3,562.25
Salary	750.00
Auto Maintenance	175.03
Extra Trucks	79.50
Rent of Barn	90.00
Tools and Repairs	98.92
Trees and loam	2,256.50
Balance	77.80
Total	$7,090.00
Appropriation	$7,090.00

Respectfully Submitted,

DANIEL M. DALEY.

REPORT ON MAINTENANCE OF TOWN HOUSE GROUNDS

The usual work of trimming bushes, cutting grass and general care of grounds has been attended to.

There was an abundance of dandelions the past year and the expense of cutting them out would be very large and in my opinion it would be advisable to turn over the most infested areas and reseed.

All the hedges and flower beds were reloamed from the loam that was excavated from the new annex to the Public Library.

The following is a statement of expenses:

Appropriation		$1,360.00
Salary	$100.00	
Wages	1,069.25	
Supplies	186.84	
Balance	3.91	
		$1,360.00

Respectfully submitted,

DANIEL M. DALEY,
Supt.

LIST OF JURORS

List of Jurors of the Town of Arlington, Revised by the Board of Selectmen, January 12, 1931

Name	Occupation	Residence
Alderson, James	Carpenter	76 Gaylord St.

REPORT OF THE BOARD OF ASSESSORS

Herewith our report and a few statistics of the Town of Arlington as of April 1, 1930, and a condensed statement of the 1930 tax levy.

From the following you will gain some idea of the amount of work in the hands of your Board of Assessors:

In 1920 the population of Arlington was 18,646; in 1930 it was 36,089.

In 1920 its appropriations were $668,513.73; in 1930 they were $2,314,131.09.

In 1920 the valuation of real estate was $21,759,-675.00; in 1930 it was $57,454,450.00—an increase of $35,694,775.00.

The Board has a staff of only four clerks. With the birth of the Excise Law in 1929, under which all automobiles are now taxed (producing a large amount of money which was not secured prior to its coming—the average annual amount received the past two years has exceeded $90,000) additional work is entailed by the ever-increasing detail connected therewith. Again, with the birth of the Board of Tax Appeals, which assumed its powers December 1, 1930, we have another authority which will add its burden and make additional demands on our office force. The day is not far distant when more help will be necessary to keep pace with the requirements.

At present our office is cramped for space; the Board is without a proper room to accommodate persons wishing to "talk things over," and it is often embarrassing, to say the least, to hear complaints at the office counter in the midst of people waiting for interviews—and it must be equally embarrassing to our citizens. It is only natural, of course, that with the growth of the Town the work of departments increases, and it must be met in business-like fashion; but to do it efficiently and economically, to avoid waste of effort and chaos, there must be adequate space. Our office enjoys the reputation of being second to none in the Commonwealth; it is our wish and desire to keep this high standing, and to that end we hope consideration will be given in the near future to providing larger quarters.

AUGUSTUS J. POWER,
EARL A. RYDER,
CLARENCE A. MOORE,
Board of Assessors.

STATISTICS OF THE TOWN OF ARLINGTON, April 1, 1930

	1922	1923	1924	1925	1926	1927	1928	1929	1930
